

Willdan Awarded Energy Efficiency Program With New England Utility

March 7, 2024

ANAHEIM, Calif.--(BUSINESS WIRE)--Mar. 7, 2024-- [Willdan Group, Inc.](#) (NASDAQ: WLDN) announced today that a New England utility has awarded Willdan a new contract to support multiple energy efficiency programs. Willdan estimates this contract to be worth approximately \$30-50 million over three years. The energy efficiency program addresses a wide variety of New England energy users, including small and large businesses, industrial facilities, multi-use buildings, and municipal infrastructure.

"This contract represents a significant expansion of our work in New England," said Mike Bieber, Willdan's CEO. "We appreciate this opportunity to continue our team's growth and to share our national energy expertise with customers in new regions."

About Willdan

Willdan is a nationwide provider of professional, technical, and consulting services to utilities, government agencies, and private industry. Willdan's service offerings span a broad set of complementary disciplines that include electric grid solutions, energy efficiency and sustainability, energy policy planning and advisory, engineering and planning, and municipal financial consulting.
