

Willdan Continues Expansion of Energy Efficiency in MA with National Grid Small Business Program

October 6, 2025

ANAHEIM, Calif.--(BUSINESS WIRE)--Oct. 6, 2025-- Willdan Group, Inc. (NASDAQ: WLDN) announced today that it has been selected by National Grid to deliver energy efficiency services to small businesses across Massachusetts. Under this two-year agreement, Willdan will implement a small business direct install program for urban and suburban counties in Eastern Massachusetts. The agreement marks Willdan's entry into National Grid's Massachusetts market and expands its footprint in the Northeast.

"This program provides meaningful energy efficiency solutions for small businesses across Massachusetts," said Nicole Piorkowski, Senior Program Manager for National Grid Massachusetts. "With the team's community knowledge and experience, we are excited to continue helping local business owners improve their safety and comfort while lowering monthly energy costs."

"We appreciate this opportunity to expand on the work we've done with National Grid in New York over the past 15 years," said Mike Bieber, Willdan's CEO. "This new contract extends the reach of our services and reinforces our commitment to delivering measurable energy savings and supporting the energy transition in Massachusetts."

About National Grid

National Grid (NYSE: NGG) is an electricity, natural gas, and clean energy delivery company serving more than 20 million people through our networks in New York and Massachusetts. National Grid is focused on building a smarter, stronger, cleaner energy future — transforming networks with more reliable and resilient energy solutions to meet state climate goals and reduce greenhouse gas emissions.
