**PROXY STATEMENT  
FOR 2015 ANNUAL MEETING OF STOCKHOLDERS**

**TO BE HELD ON JUNE 5, 2015**

---

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Willdan Group, Inc., a Delaware corporation (the "Company"), for use at its 2015 Annual Meeting of Stockholders to be held on Friday, June 5, 2015 at 10:00 a.m. Pacific Daylight Time at the Hyatt Regency Orange County, 11999 Harbor Blvd., Garden Grove, California 92840, and at any adjournment or postponement thereof (the "Annual Meeting"). We first made this Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and proxy card available to stockholders on or about April 17, 2015. The Company's 2014 Annual Report, including financial statements for the fiscal year ended January 2, 2015, is being made available to stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation material.

**ABOUT THE ANNUAL MEETING**

**Why did I receive only a Notice of Internet Availability?**

As permitted by the United States Securities and Exchange Commission (the "SEC"), we are furnishing to our stockholders our Notice of Annual Meeting, Proxy Statement and Annual Report for the year ended January 2, 2015 primarily over the Internet. On or prior to April 23, 2015, we will mail to each of our stockholders (other than those who previously requested electronic delivery or to whom we are mailing a paper copy of the proxy materials) a Notice of Internet Availability containing instructions on how to access and review the proxy materials via the Internet and how to submit a proxy electronically using the Internet. The Notice of Internet Availability also contains instructions on how to receive, free of charge, paper copies of the proxy materials. If you received the Notice of Internet Availability, you will not receive a paper copy of the proxy materials unless you request one.

We believe that delivery options that we have chosen will allow us to provide our stockholders with the proxy materials they need, while lowering the cost of the delivery of the materials and reducing the environmental impact of printing and mailing printed copies.

**What is the purpose of the Annual Meeting?**

At the Annual Meeting, our stockholders will consider and vote on the following matters:

- (1) the election of eight directors;
- (2) the ratification of the appointment of the Company's independent registered public accounting firm; and
- (3) the non-binding advisory resolution approving the Company's executive compensation.

In addition, our stockholders will transact any other business that properly comes before the meeting. Management of the Company will also respond to any questions from our stockholders.

**Who can attend the Annual Meeting?**

All stockholders of the Company as of the Record Date, or their duly appointed proxy holders, may attend the Annual Meeting.

### **Who is entitled to vote?**

Only holders of record of the Company's common stock, \$0.01 par value per share (the "Common Stock"), at the close of business on the record date, April 13, 2014 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting. Holders of Common Stock are entitled to cast one vote for each share held by them on each matter to be voted upon. The Common Stock is the only class of securities of the Company authorized to vote. Under the Company's Certificate of Incorporation and applicable law, a stockholder is not entitled to cumulative voting rights in the election of directors.

### **What constitutes a quorum?**

The presence, in person or by proxy, of holders entitled to cast at least a majority of all the votes entitled to be cast is necessary to constitute a quorum for the transaction of business at the Annual Meeting. As of the Record Date, 7,804,582 shares of Common Stock were outstanding and entitled to vote. Abstentions and "broker non-votes" will count toward the presence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner returns an executed proxy, but strikes out a particular proposal because the nominee does not have discretionary voting power with respect to that matter and has not received voting instructions from the beneficial owner.

### **How do I vote?**

If you are a registered stockholder as of the close of business on the Record Date, you may vote in person at the Annual Meeting or by proxy without attending the meeting. Stockholders whose shares are registered in their own names may vote (1) by returning a proxy card, (2) via the Internet, or (3) by telephone. Specific instructions to be followed by any registered stockholder interested in voting via the Internet or by telephone are set forth in the Notice of Internet Availability of Proxy Materials and/or on the proxy card. The Internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow the stockholder to vote his or her shares and confirm that his or her voting instructions have been properly recorded. If you do not wish to vote via the Internet or telephone, please complete, date, sign, and return the proxy card. If you sign and return the proxy card but do not give any instructions, your shares will be voted by the persons named in the proxy card in accordance with the recommendations of the Board of Directors given below.

If your stock is held in the name of a broker, bank or other nominee, please mark, date, sign, and return the voting instruction form you receive from your broker or nominee with the proxy card.

If you are a registered stockholder and wish to vote in person at the meeting, be sure to bring a form of personal picture identification with you. If your stock is held by a broker, bank or other nominee (in "street name") and you wish to vote in person at the meeting, in addition to picture identification you should bring an account statement or a letter from the record holder indicating that you owned the shares as of the record date, and obtain from the record holder and bring with you a proxy from the record holder issued in your name.

### **What is the deadline for voting my shares?**

If you are a stockholder of record, your proxy must be received by telephone or the Internet by 1:00 a.m. Pacific time on June 5, 2015 in order for your shares to be voted at the Annual Meeting. However, if you are a stockholder of record and you received a copy of the proxy materials by mail, you may instead mark, sign, date and return the proxy card you received and return it in the accompanying prepaid and addressed envelope so that it is received by us before the Annual Meeting in order for your shares to be voted at the Annual Meeting. If you hold your shares in street name, please provide your voting instructions by the deadline specified by the bank, broker or other nominee who holds your shares.

### **Can I change my vote after I return my proxy card?**

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by delivering a duly executed proxy bearing a later date or a written revocation to the Secretary of the Company at the address of the Company set forth above, or by attending the Annual Meeting and voting in person. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person, whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy.

### **If I return my proxy card without specifying voting instructions on it, will my shares be voted?**

Unless you give other instructions on your proxy, the persons named as proxy holders on the proxy will vote in accordance with the recommendations of the Company's Board of Directors. The Board's recommendations are set forth together with the description of each matter in this Proxy Statement. In summary, the Board unanimously recommends a vote: **FOR** election of each of the eight nominees for director, **FOR** ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending January 1, 2016, and **FOR** the approval of the non-binding advisory resolution approving the Company's executive compensation.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, at the discretion of the proxy holders.

### **What vote is required to approve each proposal?**

*Election of Directors (Proposal No. 1).* Once a quorum has been established, the affirmative vote of a plurality of all the votes cast on the matter at the Annual Meeting in person or by proxy will be required for the election of each director nominee, meaning that the persons receiving the highest number of FOR votes, up to the total number of directors to be elected at the meeting, will be elected. Stockholders are not permitted to cumulate their shares for the purpose of electing directors.

*Other Items (Proposal Nos. 2 and 3).* Once a quorum has been established, pursuant to our Bylaws, approval of each of the other items to be submitted for a vote of stockholders that the Annual Meeting requires the affirmative vote of a majority of all of the votes cast on the item at the meeting. Notwithstanding this vote standard required by our Bylaws, Proposal No. 2 (ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ended January 1, 2016) and Proposal No. 3 (an advisory approval of executive officer compensation) are advisory only and are not binding on us. Our Board of Directors will consider the outcome of the vote on each of these items in considering what action, if any, should be taken in response to the vote by stockholders.

Abstentions are not counted as votes cast and will have no effect on the vote for the election of the directors, the ratification of the appointment of KPMG LLP or the non-binding advisory resolution approving the Company's executive compensation.

### **Who tabulates the votes?**

Stockholder votes will be tabulated by the persons appointed to act as inspectors of election for the Annual Meeting.

### **Could other matters be decided at the meeting?**

It is not anticipated that any matter, other than those set forth in this Proxy Statement, will be presented at the Annual Meeting. If other matters are presented, proxies will be voted by the proxy

holders in accordance with the recommendation of the Board of Directors or, if no recommendation is given, in the discretion of the proxy holders.

**What happens if the Annual Meeting is postponed or adjourned?**

Your proxy may be voted at the postponed or adjourned Annual Meeting. You will still be able to change your proxy until it is voted.

**How can I receive a copy of the Annual Report?**

We will mail you, without charge, a copy of our annual report on Form 10-K for the fiscal year ended January 2, 2015, including the consolidated financial statements, schedules and list of exhibits, upon written request. Requests should be sent to: Willdan Group, Inc., 2401 East Katella Avenue, Suite 300, Anaheim, California 92806, ATTN: Investor Relations. The annual report on Form 10-K is also available at [www.willdan.com](http://www.willdan.com).

**Where can I find the voting results of the Annual Meeting?**

Our intention is to announce the preliminary voting results at the Annual Meeting and to publish the final results within four business days after the Annual Meeting on a Form 8-K to be filed with the SEC and which we will make available on our website at [www.willdan.com](http://www.willdan.com) under "Investors—SEC Filings."

## PROPOSAL 1:

### ELECTION OF DIRECTORS

The Bylaws provide that the Board of Directors (the "Board") consist of nine directors until changed by the Board. On March 23, 2012, the Board passed a resolution decreasing the size of the board to six directors, effective immediately prior to the 2012 Annual Meeting of Stockholders, which was held on June 1, 2012. On April 14, 2015, the Board passed a resolution increasing the size of the board to eight directors, effective immediately. Upon increasing the size of the Board to eight members, the Board, in accordance with the Company's bylaws, appointed Mr. Cohen and Mr. Shahidehpour as members to the Board. The directors are regularly elected at each annual meeting of the stockholders, and each director shall hold office until his or her successor has been elected and qualified or until his or her earlier resignation or removal.

The eight nominees, if elected at the Annual Meeting, will hold office until the next annual meeting of stockholders, or until an earlier stockholder meeting at which directors are elected, and until their respective successors are duly elected and qualified. The Board has nominated Win Westfall, Thomas D. Brisbin, Steven, A. Cohen, Raymond W. Holdsworth, Douglas J. McEachern, Keith W. Renken, Mohammed Shahidehpour and John M. Toups to serve as directors of the Company (each a "Nominee" and collectively, the "Nominees"). Messrs. Westfall, Brisbin, Holdsworth, McEachern, Renken and Toups are currently serving as directors.

Each Nominee has consented to be nominated and to serve if elected. However, if any Nominee is unavailable for election or unable to serve, the proxy holders may vote for another person nominated by the Board or the Board may amend the Bylaws to reduce the number of directors to be elected at the Annual Meeting.

#### Information Regarding Nominees

The following table and biographical descriptions set forth certain information with respect to the Nominees. Unless otherwise specified, each Nominee has continuously served as a director of the Company since he or she was previously elected, based on information furnished to the Company by each Nominee. The following information is as of April 17, 2015, unless otherwise specified.

<u>Name</u>	<u>Age</u>	<u>Director Since</u>	<u>Positions Held with the Company (other than Director)</u>

Steven A. Cohen	61	2015	
Raymond W. Holdsworth	72	2009	
Douglas J. McEachern	63	2009

John M. Toups	89	2007	

The Company believes that the members of its Board should have a range of skills, experience, diversity, and expertise that enables the Board to provide sound guidance with respect to the Company's operations and interests. When considering a candidate, the Board looks at the current composition of the Board and the evolving needs of the Company, in addition to such candidate's background and accomplishments. The Nominating and Corporate Governance Committee identifies new candidates for election to the Board, reviews their qualifications, skills, experience and other characteristics, and can recommend nominees for director to the Board for approval.

The Board seeks directors with strong reputations and experience in areas relevant to the strategy and operations of the Company's businesses, particularly in engineering, consulting and finance. All of

the Nominees hold or have held senior executive positions in large, complex organizations and have operating experience that meets these objectives, as described below. In these positions, they have gained experience in core management skills, strategic and financial planning, public company financial reporting, corporate governance, risk management, and leadership development. Additionally, a number of our directors have experience serving on the boards of directors of other public companies, which increases their knowledge of effective corporate governance.

The Board also believes that each of the Nominees and current directors has other key attributes that are important to an effective board, including integrity and demonstrated high ethical standards, sound judgment, analytical skills, the ability to engage management and each other in a constructive and collaborative fashion, diversity of background, experience, and thought, and the commitment to devote significant time and energy to service on the Board and its Committees. The following biographies provide further qualifications, attributes and other information with respect to the Nominees.

*Win Westfall* has served as our Chairman of the Board since May 2006, and has been a member of our board of directors since 2001. Mr. Westfall was our President and Chief Executive Officer from May 2006 to February 2007, our Senior Vice President of Corporate Relations from January 2004 to May 2006, and a regional manager in northern California from 1998 through January 2004. Mr. Westfall has over 35 years experience as a line manager for consulting engineering firms, and has served as city engineer for seven California cities. Mr. Westfall received his B.S. in Civil Engineering from the University of Southern California in 1962 and an M.B.A. from Pepperdine University in 1980. Mr. Westfall is a fellow of The Society of American Military Engineers and has been active in numerous other professional associations. During 1997, he served as the National President for The American Public Works Association, or APWA, the first private consultant to hold this position. Mr. Westfall has served on and chaired national committees for the American Council of Engineering Companies, and in 2004 was made an Honorary CLOD (past president) of the County Engineers Association of California, the first private consultant to be accorded this honor. He is currently a registered engineer in California and has been a registered civil engineer in Hawaii, Idaho, Nevada and Washington. Mr. Westfall also has served as the trustee of the APWA Education Endowment Fund since 1999 and was on the California Transportation Foundation board of directors from 2005 to 2012. Mr. Westfall, as a former executive officer and regional manager of the Company with significant engineering experience, brings his in-depth knowledge of our Company and its industry, operations and business to the Board, providing valuable insight to the Board as it reviews our operations, growth and financial prospects. In addition, we believe that his experience as an engineer for California cities benefits our Board by providing increased understanding of the needs of our clients.

*Thomas D. Brisbin* joined our Board of Directors in April 2007, when he was also appointed our President and Chief Executive Officer. Dr. Brisbin previously was vice president of and consultant for AECOM Technology Corporation, or AECOM, since spring 2004. At AECOM, a company focused on infrastructure, environment and facilities engineering contracts, Dr. Brisbin was responsible for developing the company's environmental business. Prior to joining AECOM, Dr. Brisbin was chief operating officer and executive vice president of Tetra Tech, Inc., or Tetra Tech, a leading provider of consulting, engineering and technical services, for five years. Prior to that, he was employed by Planning Research Corporation, or PRC, a systems analysis and management consulting company and wholly-owned subsidiary of The Black & Decker Corporation, from 1978 to 1995 and was co-founder and President of PRC Environmental Management, Inc. During his tenure at PRC, he was involved in all aspects of operations, marketing and finance. Before joining PRC, he was a research associate at Argonne National Laboratory. He has also served as an adjunct professor at the Illinois Institute of Technology. Dr. Brisbin holds a B.S. degree from Northern Illinois University and a Ph.D. in Environmental Engineering from Illinois Institute of Technology. He also completed Harvard Business School's Advanced Management Program in 1988. Dr. Brisbin, as our current President and Chief

Executive Officer, brings his in-depth knowledge of the day-to-day operations of the Company and its industry to the Board, providing valuable insight to the Board as it reviews our operations, growth and financial prospects. In addition, we believe that his experience as an executive officer at Tetra Tech, a publicly traded engineering and consulting company, benefits our Board by increasing his knowledge of our industry and effective public company corporate governance.

*Steven A. Cohen* joined our Board of Directors in 2015. He is Executive Director of Columbia University's Earth Institute, where he is responsible for managing the education, research, outreach and operational programs that address sustainable development throughout the world. The Earth Institute is the largest institute at Columbia with over 799 full-time employees and an annual budget of over \$135 million. Dr. Cohen is also a Public Affairs Professor at Columbia's School of International and Public Affairs and Director of its Master of Public Administration Program in Environmental Science and Policy. From 1985 to 1998, he served as Director of Columbia's Graduate Program in Public Policy and Administration. Dr. Cohen began his career at Columbia in 1981 after working as a policy analyst for the U.S. Environmental Protection Agency for two years. Over the past three decades, he has served at different times as a consultant to the U.S. Environmental Protection Agency, the most recent being from 2005 to 2010. From 2001 to 2004, he also served on the United States Environmental Protection Agency's Advisory Council on Environmental Policy and Technology. Throughout his career, Dr. Cohen has written numerous articles on public management innovation, sustainability and environmental management. Dr. Cohen has also been a senior advisor to Willdan Energy Solutions since November 2008. He received a B.A. in Political Science from Franklin College of Indiana in 1974 and an M.A. in Political Science from State University of New York at Buffalo in 1977 and a Ph.D in Political Science with a concentration in environmental sciences from State University of New York at Buffalo in 1979. We believe Dr. Cohen's extensive background in government policy, environmental sciences as well as his substantial knowledge of our company through his role as a senior advisor to Willdan Energy Solutions will provide our board strategic insight to shape our growth strategy.

*Raymond W. Holdsworth* joined our Board of Directors in 2009. He serves as the chairperson of our Nominating and Corporate Governance Committee and is a member of our Compensation and Strategy, Mergers and Acquisitions Committees. He is a former Chairman of the California Chamber of Commerce and a former Vice Chairman of the Civil Engineering Research Foundation/International Institute. As a past trustee of the California State University system, he chaired the Audit committee for three consecutive years. We believe that Mr. Holdsworth's background in engineering and experience as the Vice Chairman of Corporate Development for AECOM during the time when it became a public company provides useful insight to the Board with regard to our growth strategy and strategic initiatives.

*Douglas J. McEachern* joined our Board of Directors in 2009 and serves as the chairperson of our Compensation Committee. He is also a member of our Audit and Nominating and Corporate Governance committees. He was an Audit Partner at Deloitte & Touche, LLP, or Deloitte, from August 1985 until May 2009. *Keith W. Renken* joined our Board of Directors in September 2006. He is the chairperson of our Audit Committee and a member of our Compensation and Strategy, Mergers and Acquisitions Committees. Mr. Renken retired in 1992 as Senior Partner and Chairman, Executive Committee of Southern California, for the public accounting firm Deloitte & Touche. We believe that Mr. Renken's considerable knowledge of financial and operational issues facing large companies and his accounting and finance experience at Deloitte makes him a valuable member of our Board and its committees, including the Audit Committee. In addition, we believe that Mr. Renken's extensive experience on the boards and audit committees of diverse public and private companies, including financial services companies, provides him with increased knowledge of effective corporate governance that benefits the Board and its committees.

*Mohammad Shahidehpour* joined our Board of Directors in 2015. He is the Bodine Chair Professor in the Electrical and Computer Engineering Department at the Illinois Institute of Technology (IIT) in Chicago, where he also serves as Director of the Robert W. Galvin Center for Electricity Innovation. He has been a faculty member at IIT since 1983 and is a recipient of IIT's Excellence in Teaching Award. government agencies and electric power companies provides the board valuable insight to guide our growth strategy and strategic vision.

Mr. Toups serves as a director of one other public company, NVR, Inc., a homebuilding and mortgage banking company. In addition, Mr. Toups serves as a director of one privately held company, Dewberry & Davis, an engineering services firm, and serves on Dewberry's audit and compensation committees. Mr. Toups also served as a director of Halifax Corporation, a publicly held electronic services company, from 1993 until 2010, when Halifax Corporation was acquired and ceased to be a publicly traded company. He is a registered civil engineer in California and Maryland and a fellow of the American Society of Civil Engineers. We believe that Mr. Toups' extensive experience as an officer and as a director of a broad range of both public and private companies, including engineering and financial services companies, allows him to provide strong leadership and oversight on our strategic and financial plans. In particular, we believe Mr. Toups' experience as President and Chief Executive Officer of PRC and his extensive experience serving on the boards and committees of publicly traded companies provides valuable insight on our industry and effective corporate governance to our Board and its committees.

#### **Vote Required for Election of Each Nominee**

Election of each Nominee requires the affirmative vote of a plurality of all of the votes cast on the matter at the Annual Meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES. PROXIES RECEIVED WILL BE VOTED "FOR" EACH OF THE NOMINEES UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THE PROXY.**

**PROPOSAL 2:**

**RATIFICATION OF THE APPOINTMENT OF KPMG LLP  
AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

On April 14, 2015, after being recommended by the Audit Committee and approved by our Board of Directors, we dismissed Ernst & Young LLP ("Ernst & Young"), an independent registered public accounting firm, as our principal accountant. Following the recommendation of the Audit Committee, our Board of Directors approved the engagement of KPMG LLP, an independent registered public accounting firm, as our principal accountant with respect to the audit of our financial statements for the fiscal year ended January 1, 2016.

Although ratification by stockholders is not required by law, the Board has determined that it is desirable to request approval of the appointment of KPMG LLP for the fiscal year ending January 1, 2016 by the stockholders. If the stockholders do not ratify this appointment, the Audit Committee will reconsider whether or not to retain KPMG LLP, and may decide to retain them notwithstanding the vote. Even if the appointment is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders. In addition, if KPMG LLP should decline to act or otherwise become incapable of acting, or if the employment should be discontinued, the Audit Committee will appoint a substitute independent public registered public accounting firm. A representative of KPMG LLP will be present at the Annual Meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

The reports of Ernst & Young LLP on our consolidated financial statements for the fiscal years ended January 2, 2015 and December 27, 2013 did not contain an adverse opinion or disclaimer of opinion, and such reports were not qualified or modified as to uncertainty, audit scope, or accounting principle.

During our fiscal years ended January 2, 2015 and December 27, 2013, and the interim period from January 3, 2015, through and including April 14, 2015, the date of Ernst & Young LLP's dismissal, (i) there were no disagreements (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) between us and Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Ernst & Young LLP, would have caused Ernst & Young LLP to make reference to the subject matter of the disagreement in connection with its reports on our consolidated financial statements for such years or any subsequent interim period through the date of dismissal, and (ii) there were no "reportable events" (as defined in Item 304(a)(1)(v) of Regulation S-K).

We provided Ernst & Young LLP and KPMG LLP with a copy of the disclosures required by Item 304(a) of Regulation S-K prior to the time this proxy statement was filed with the SEC.

Representatives of KPMG LLP will attend the annual meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from stockholders. We do not expect representatives of Ernst & Young LLP to attend the annual meeting.

## Audit Committee Pre-Approval Policy

Consistent with SEC policies regarding independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm, including audit services, audit-related services, tax services, and other services. In some cases, the full Audit Committee provides pre-approval for up to a year, related to a particular defined task or scope of work and subject to a specific budget. During the year, circumstances may arise when it becomes necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next regularly scheduled meeting.

**Vote Required for Ratification of the Appointment of KPMG LLP as the Company's Independent Registered Public Accounting Firm**

Ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending January 1, 2016, requires the affirmative vote of a majority of all the votes cast on the matter at the Annual Meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING JANUARY 1, 2016. PROXIES RECEIVED WILL BE VOTED "FOR" RATIFICATION UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THE PROXY.**

**PROPOSAL 3:**

**VOTE ON NON-BINDING ADVISORY RESOLUTION APPROVING EXECUTIVE COMPENSATION**

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which was amended pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank"), we are asking stockholders to approve a non-binding advisory resolution approving our executive compensation as reported in this Proxy Statement.

Our executive compensation is designed to attract and retain executive talent and increase value for stockholders. Our strong leadership team has enabled us to navigate a challenging global macro-economic environment by identifying opportunities for growth and reacting quickly to changes in our markets. In response to challenges we faced starting in the second quarter of 2012, we did not pay bonuses to our executives for work performed in 2014 or 2013. We believe that our executive compensation practices have helped us to attract and retain executive talent, contributed to the overall growth of our company and have been appropriate in light of the economic environment.

We urge stockholders to read the "Executive Compensation" section beginning on page 28 of this Proxy Statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, including the Summary Compensation Table and related compensation tables and narratives which provide detailed information on the compensation of our Named Executive Officers as defined below under "Executive Compensation." The Compensation Committee and the Board believe that the policies, procedures and programs articulated under "Executive Compensation" have been effective in achieving our goals and that the compensation of our Named Executive Officers reported in this Proxy Statement has incentivized and contributed to the retention of the Named Executive Officers.

We are asking stockholders to approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation of the Company's Named Executive Officers set forth under "Executive Compensation," including the Summary Compensation Table and the related compensation tables and narratives in the Proxy Statement for the 2015 Annual Meeting of Stockholders.

This vote is an advisory vote only and will not be binding on us, our Board of Directors or the Compensation Committee, and will not be construed as overruling a decision by, or creating or implying any additional fiduciary duty for, the Board of Directors or the Compensation Committee. However, the Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for Named Executive Officers.

The Company's current policy is to provide stockholders with an opportunity to approve the compensation of the Named Executive Officers each year at the annual meeting of stockholders. It is expected that the next such vote will occur at the 2016 Annual Meeting of Stockholders.

**Vote Required for Approval of the Non-Binding Advisory Resolution Approving Executive Compensation**

Approval of the non-binding advisory resolution approving our executive compensation requires the affirmative vote of a majority of all the votes cast on the matter at the Annual Meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION APPROVING THE COMPANY'S EXECUTIVE COMPENSATION. PROXIES RECEIVED WILL BE VOTED "FOR" APPROVAL UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THE PROXY.**

## CORPORATE GOVERNANCE

### The Board of Directors

#### *Corporate Governance*

The Company is managed under the direction of a Board of Directors currently composed of eight members, seven of whom the Board has determined are independent under the rules of the listing standards for the Nasdaq Global Market (the "Nasdaq Rules") and the Securities Exchange Act of 1934, as amended (the "Exchange Act"). If all of the nominees named in this proxy statement are elected, seven of the eight directors will be independent under Nasdaq Rules.

Board members are expected to attend each Board meeting and each meeting of any committee on which such Board member serves and they are encouraged to attend the Annual Meeting of Stockholders. The Board of Directors met six times in 2014. Each incumbent director attended at least 75% of the total number of meetings of the Board of Directors that were held during the time that he or she served on the Board of Directors and of each committee on which he or she served during 2014. Each incumbent director who was a director at the time of the 2014 annual meeting attended the 2014 annual meeting. Stockholders or other interested parties may communicate with members of the Board of Directors individually or with the Board of Directors as a whole by sending a letter to the appropriate director or the Board of Directors in care of the Secretary of the Company at the address shown below under "—Communications with the Board of Directors."

#### *Board Leadership Structure*

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having a non-management director serve as Chairman is in the best interests of the Company's stockholders at this time. This structure permits the Chief Executive Officer to focus on the management of the Company's day-to-day operations. At the same time, because the Chairman of the Board, Mr. Westfall, is the Company's former President and Chief Executive Officer, and worked for the Company from 1998 until 2007, this structure also makes use of Mr. Westfall's extensive knowledge of the Company and its industry. The Company also believes that having a non-management director serve as Chairman of the Board ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing Board priorities and procedures.

#### *Executive Sessions*

Non-management directors meet regularly in executive sessions without management. Non-management directors are those directors who are not Company officers or employees and include directors, if any, who are not independent by virtue of the existence of a material relationship with the Company, former status or family relationship or for any other reason other than being an employee of the Company. Executive sessions are led by a "Lead Director" and Mr. Renken has been designated as the Lead Director. An executive session is held in conjunction with each regularly scheduled quarterly Board meeting and other sessions may be called by the Lead Director in his own discretion or at the request of the Board.

#### *Director Independence*

The Company has established standards of independence for the Board that comply with the Nasdaq Rules and Exchange Act. Under these standards of independence, for a director to be considered independent, the director must, among other things, not be an officer or employee of the Company or its subsidiaries and the director must not have a relationship which, in the opinion of the

Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Company's policy is to have at least a majority of directors qualify as independent under the listing standards set forth in the Nasdaq Rules and Exchange Act. The Board of Directors has determined that Messrs. Cohen, Holdsworth, McEachern, Renken, Shahidehpour, Toups and Westfall are independent under the standards set forth in the Nasdaq Rules and the Exchange Act.

### ***Committees of the Board of Directors***

We have four standing committees of the Board of Directors: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Strategy, Mergers and Acquisitions Committee. The charters for each of these committees are available on our website at [www.willdan.com](http://www.willdan.com) under "Investors—Corporate Governance—Governance Documents" or are available in print to any stockholder who requests a copy from the Company's Secretary at 2401 East Katella Avenue, Suite 300, Anaheim, California 92806. Each of these committees regularly reports to the Board of Directors as a whole. Mr. Westfall, our chairman of the board, serves as an ex officio member of each committee. The following summaries identify the members of each committee as of the date of this proxy statement. The composition of each committee may change following the Annual Meeting.

***Audit Committee.*** The Board's Audit Committee consists of Messrs. Renken, McEachern and Toups, each of whom the Board has determined is an independent director and meets the independence requirements for Audit Committee members under the Nasdaq Rules and the Exchange Act. Mr. Renken is the chairman of the Audit Committee and has been designated by the Board as the Audit Committee financial expert. Each of the other members of the Audit Committee is financially literate, in accordance with the Nasdaq Rules. The Audit Committee met five times during fiscal 2014.

Under the terms of the Audit Committee charter, the purpose of this committee is to assist the Board in overseeing the integrity of the Company's financial statements and financial reporting, the Company's compliance with legal and regulatory requirements, the qualifications and independence of the Company's independent registered public accounting firm, the performance of the Company's internal reporting and audit functions, and the Company's disclosure controls and procedures and system of internal controls regarding finance, accounting, legal compliance and ethics. The Audit Committee confers formally with the Company's independent registered public accounting firm, as well as with members of management to inquire as to the manner in which the respective responsibilities of these groups and individuals are being discharged. The Audit Committee engages our independent registered public accounting firm and reviews and approves the scope of the audit conducted by the independent registered public accounting firm.

***Compensation Committee.*** The Board's Compensation Committee consists of Messrs. McEachern, Holdsworth and Toups, each of whom the Board has determined is an independent director under the Nasdaq Rules and the Exchange Act, with Mr. McEachern serving as the Committee's chairman. The Compensation Committee is responsible for establishing and governing the compensation and benefit practices of the Company. The Compensation Committee charter requires that the Compensation Committee consist of three or more members of the Board, each of whom qualifies as an "independent director" under Nasdaq Rules, a "non-employee director" within the meaning of Rule 16b-3 under the Exchange Act and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. At all times during fiscal 2014, the Compensation Committee consisted of at least three members of the Board, each of whom the Board has affirmatively determined satisfies these independence requirements. The Compensation Committee met four times during fiscal 2014.

The Compensation Committee assists the Board of Directors in determining the compensation of the Company's executive officers and senior management and recommends to the Board annual and

long-term compensation for the Company's executive officers and senior management. In addition to its annual review of the compensation of the Company's officers, the Compensation Committee administers the Company's 2008 Performance Incentive Plan (the "2008 Plan"), 2006 Stock Incentive Plan (the "2006 Plan") and the Amended and Restated Willdan Group, Inc. 2006 Employee Stock Purchase Plan (the "ESPP"). The Committee has the authority to designate officers, directors or key employees eligible to participate in the plans, to prescribe the terms of any stock options or other equity-based awards, to interpret the plans, and to make all other determinations for administering the plans. Our Chief Executive Officer recommends to the Compensation Committee salary, annual bonus and long-term compensation levels for less senior officers, including the other Named Executive Officers (as defined below).

The Compensation Committee is authorized to retain and terminate any compensation consultant engaged to assist in the evaluation of the compensation of our senior executive officers (including all of the Named Executive Officers). In light of the straightforward nature of our executive compensation arrangements, the Compensation Committee believes it has not been necessary to date to retain independent compensation consultants.

*Nominating and Corporate Governance Committee.* The Board's Nominating and Corporate Governance Committee consists of Messrs. Holdsworth, McEachern and Renken, each of whom the Board has determined is an independent director under the Nasdaq Rules, with Mr. Holdsworth serving as the Committee's chairman. The Nominating and Corporate Governance Committee met four times in fiscal 2014.

The Nominating and Corporate Governance Committee works with the Board of Directors to determine the appropriate characteristics, skills, and experience for the Board as a whole and its individual members. In evaluating the suitability of individual Board members, the Nominating and Corporate Governance Committee and the Board take into account many factors, as discussed above under "Proposal 1. Election of Directors—Information Regarding Nominees." Although the Company does not have a formal policy with regard to the consideration of diversity in identifying candidates for election to the Board, the Nominating and Corporate Governance Committee recognizes the benefits associated with a diverse group of directors and takes diversity considerations into account when identifying director candidates. The Nominating and Corporate Governance Committee and the Board seek a broad range of perspectives and consider both the personal characteristics and experience of prospective nominees to ensure that the Board as a whole will possess the appropriate skills and expertise to oversee the Company. These factors, and others considered useful by the Nominating and Corporate Governance Committee, will be reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time.

After assessing the perceived needs of the Board, the Nominating and Corporate Governance Committee may identify specific individuals to serve as directors and the committee looks to well respected companies as a potential source of director candidates with relevant experience. The priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends and the portfolio of skills and experience of current and prospective Board members. The Nominating and Corporate Governance Committee establishes procedures for the nomination process and may recommend candidates for election to the Board.

*Strategy, Mergers and Acquisitions Committee.* The Board's Strategy, Mergers and Acquisitions, or SMA, Committee consists of Messrs. Toups, Holdsworth, and Renken, each of whom the Board has determined is an independent director under the Nasdaq Rules, with Mr. Toups serving as the Committee's chairman. The SMA Committee assists the Board by reviewing and making recommendations to the Board or taking actions on behalf of the Board relating to the Company's financial and strategic plans. The SMA Committee charter requires that the SMA Committee consist of

three members of the Board, each of whom the Board has determined satisfies the independence requirements under the Nasdaq Rules and the Exchange Act. The SMA Committee met four times during fiscal 2014.

The responsibilities of the SMA Committee include reviewing with management, on a timely basis, significant financial matters of the Company and its subsidiaries, including matters relating to the Company's capitalization, dividend policy and practices, credit ratings, cash flows, borrowing activities, investment strategies, and potential acquisitions, and risk oversight. The SMA Committee also reviews and may recommend to the Board actions relating to offerings of the Company's debt or equity securities; purchases or disposals of treasury shares, except the purchase of shares pursuant to approved employee benefit plans; stock splits or reclassification of shares; the declaration and payment of any dividends on the Company's common stock; guarantees of unconsolidated third party indebtedness; and certain other financial transactions and strategies.

#### ***Oversight of Risk***

Companies face a variety of risks, including credit risk, liquidity risk, and operational risk. The Board believes an effective risk management system will (1) timely identify the material risks that the Company faces, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board Committee, (3) implement appropriate and responsive risk management strategies consistent with the Company's risk profile, and (4) integrate risk management into the Company decision-making.

The Board has designated the SMA Committee to take the lead in overseeing risk management and the SMA Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the Committee's own analysis and conclusions regarding the adequacy of the Company's risk management processes.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. The Board also continually works, with the input of the Company's executive officers, to assess and analyze the most likely areas of future risk for the Company.

#### ***Code of Ethics***

The Company expects that all of its directors, officers and employees will maintain a high level of integrity in their dealings with and on behalf of the Company and will act in the best interests of the Company. The Company has adopted a Code of Ethical Conduct which provides principles of conduct and ethics for the Company's directors, officers and employees. This Code complies with the requirements of the Sarbanes-Oxley Act of 2002 and the Nasdaq Rules. This Code of Ethical Conduct is available on the Company's website at [www.willdan.com](http://www.willdan.com) under "Investors—Corporate Governance—Governance Documents" and is also available in print, without charge, to any stockholder who requests a copy by writing to our Secretary at 2401 East Katella Avenue, Suite 300, Anaheim, California 92806.

#### ***Material Litigation***

There are currently no ongoing material proceedings in which any director or executive officer is a party adverse to the Company or any of its subsidiaries, or in which any director or executive officer has a material interest adverse to the Company or any of its subsidiaries.

#### ***Director Nominations by Stockholders***

The Nominating and Governance Committee will consider director candidates recommended by stockholders. Properly communicated stockholder recommendations will be considered in the same

manner as recommendations received from other sources. To be properly communicated, stockholders desiring to recommend candidates for nomination or election to the Board of Directors should submit their recommendations in writing to the attention of the Secretary, Willdan Group, Inc., 2401 East Katella Avenue, Suite 300, Anaheim, CA 92806, together with the following information: (i) all information about the stockholder and the candidate that would be required pursuant to Section 3.04(a)(ii) of our Bylaws if the stockholder was nominating the candidate for election to the Board of Directors, (ii) a statement of the proposed director candidate's qualifications, taking into account the principles used by the Nominating and Governance Committee in evaluating possible candidates as described above, (iii) a statement detailing any relationship between the proposed director candidate and any of our competitors, and (iv) detailed information about any relationship or understanding between the recommending stockholder and the director candidate. The Nominating and Governance Committee may request additional information concerning the director candidate as it deems reasonably necessary to determine the eligibility and qualification of the director candidate to serve as a member of our Board of Directors.

The Nominating and Corporate Governance Committee will evaluate any stockholder-recommended candidate to determine whether he or she is highly qualified. Particular consideration will be given to those individuals who have substantial achievement in their personal and professional pursuits and whose talents, experience and integrity would be expected to contribute to the best interests of the Company and to long-term stockholder value. Without limitation, the Committee recommends individuals who have a general management focus, have specialization in the Company's principal business activities or finance, have significant experience in issues encountered by public companies and who could contribute to the diversity of the board. The Nominating and Corporate Governance Committee evaluates stockholder-recommended candidates in the same way it evaluates candidates proposed from other sources.

Please note that stockholders who wish to nominate a person for election as a director in connection with an annual meeting of stockholders (as opposed to making a recommendation to the Nominating and Governance Committee as described above) must deliver written notice to our Secretary in the manner described in Section 3.04(a)(ii) of our Bylaws.

#### ***Communications with the Board of Directors***

***Compensation of Named Executive Officers***

The Summary Compensation Table above quantifies the value of the different forms of compensation earned by or awarded to our Named Executive Officers in fiscal 2014 and 2013. The primary elements of each Named Executive Officer's total compensation reported in the table are base salary, annual bonus and a long-term equity incentive award consisting of stock options. Named Executive Officers also received the other benefits listed in the "All Other Compensation" column of the Summary Compensation Table, as further described in footnote (4) to the table.

The Summary Compensation Table should be read in conjunction with the tables and narrative descriptions that follow. A description of the material terms of each Named Executive Officer's employment agreement, if any, is provided immediately following this paragraph. The "Grants of Plan-Based Awards in Fiscal 2014" table, and the description of the material terms of the stock options granted in fiscal 2014 that follows it, provides information regarding the long-term equity incentives awarded to certain Named Executive Officers in fiscal 2014. The "Outstanding Equity Awards at Fiscal 2014 Year-End" and "Option Exercises and Stock Vested in Fiscal 2014" sections provide further information on the Named Executive Officers' potential realizable value and actual value realized with respect to their equity awards. The discussion of the potential payments due upon a termination of employment or change in control that follows is intended to further explain the potential future payments that are, or may become, payable to our Named Executive Officers under certain circumstances.

#### ***Description of Employment Agreements, Salary and Bonus Amounts***

On May 3, 2011, we entered into amended and restated employment agreements with each of the Named Executive Officers (other than Mr. Chow). These employment agreements provide for "at-will" employment and do not include a specified term. Each of these agreements provides for the Named Executive Officer to receive a base salary and an annual incentive bonus as determined by the Compensation Committee. The annual target bonus for each Named Executive Officer under these agreements is 100% of the Named Executive Officer's annual base salary in the case of Dr. Brisbin and 50% of the annual base salary in the case of Dr. Tipermas. Each Named Executive Officer is also entitled to participate in benefit plans made available to our employees generally.

In October 2008, we entered into an offer letter with Mr. Chow. The letter provides that Mr. Chow's employment is on an "at-will" basis and for his initial base salary to be \$205,000 per year (which has been increased as noted above).

The provisions of these agreements relating to severance benefits following a termination of the Named Executive Officer's employment are described below under "Potential Payments Upon Termination or Change in Control."

#### **Grants of Plan-Based Awards in Fiscal 2014**

The following table presents information regarding the equity incentive awards granted to Named Executive Officers during fiscal 2014 under the 2008 Plan. The material terms of each grant are described below under "—Description of Plan-Based Awards."

<u>Name</u>	<u>Grant Date</u>	<u>All Option Awards: Number of Securities Underlying Options (#)</u>	<u>Exercise or Base Price of Option Awards (\$/Sh)</u>	<u>Grant Date Fair Value of Option Awards (\$)</u>
Thomas Brisbin	6/6/2014	50,000(1)	7.13	144,950
Daniel Chow	6/6/2014	5,000(1)	7.13	14,495
Daniel Chow	11/5/2014	5,000(1)	14.01	27,523

(1) These options vest in substantially equal annual installments over three years from their grant date.

#### ***Description of Plan-Based Awards***

During fiscal 2014, Dr. Brisbin and Mr. Chow were awarded stock option grants under the 2008 Plan. The options were granted on June 6, 2014, and November 11, 2014 and will vest in substantially equal annual installments over three years from the grant date. The options were granted with a per-share exercise price equal to the closing market price of the Company's common stock on the

Nasdaq Global Market on the grant date and have a term of ten years. Outstanding options under the 2008 Plan, however, may terminate earlier than their stated expiration date in connection with a change in control transaction or a termination of the recipient's employment. The recipient will generally have three months to exercise the stock option following a termination of employment. This period is extended to 12 months if the recipient dies or terminates his or her employment because of a disability incurred while employed by the Company. However, if a recipient's employment is terminated by the Company for cause, outstanding stock options (whether vested or unvested) will immediately terminate. The stock options granted under our 2008 Plan do not include any dividend or dividend equivalent rights.

As indicated above, the stock options granted in fiscal 2014 were granted under, and are subject to the terms of, the 2008 Plan, which is administered by the Compensation Committee. The Compensation Committee has authority to interpret the plan provisions and make all required determinations under the plan. This authority includes making required proportionate adjustments to outstanding awards upon the occurrence of certain corporate events such as reorganizations, mergers and stock splits, and making provisions to ensure that any tax withholding obligations incurred in respect of awards are satisfied. Awards granted under the plan are generally only transferable to a beneficiary of an award recipient upon his or her death. However, the Compensation Committee may establish procedures for the transfer of awards to other persons or entities, provided that such transfers comply with applicable securities laws and, with limited exceptions set forth in the plan documents, are not made for value.

Under the terms of the 2008 Plan, if there is a change in control of the Company, each recipient's outstanding equity-based awards granted under the plan will generally become fully vested and exercisable to the extent such outstanding awards are not substituted or assumed in connection with the transaction. Any options that become vested in connection with a change in control generally must be exercised prior to the change in control, or they will be canceled in exchange for the right to receive a cash payment in connection with the change in control transaction.

## Outstanding Equity Awards at Fiscal 2014 Year-End

The following table presents information regarding the outstanding option awards held by each Named Executive Officer as of January 2, 2015. No Named Executive Officer held any outstanding stock awards (other than options) as of January 2, 2015.

## Option Exercises and Stock Vested in Fiscal 2014

Messrs. Chow and Tipermas exercised options during fiscal 2014. No stock awards have ever been granted to our Named Executive Officers. Mr. Chow exercised a stock option for 25,000 shares that was granted on December 15, 2008 at a strike price of \$1.50. Mr. Tipermas exercised stock options for 17,500 and 22,500 shares that were granted on June 8, 2009 and August 12, 2010, respectively, at a strike price of \$1.87 and \$2.71, respectively.

## Potential Payments Upon Termination or Change in Control

As noted above, outstanding options issued under our 2008 Plan will vest immediately and become fully exercisable upon a change in control of us to the extent such outstanding awards are not substituted or assumed in connection with the transaction. The employment agreements entered into in May 2011 for each of the Named Executive Officers (other than Mr. Chow) also provide for severance benefits upon certain terminations of their employment with us. If such Named Executive Officer's

employment is terminated by us without cause or by the Named Executive Officer for good reason (as such terms are defined in their employment agreements), the Named Executive Officer will be entitled to a severance benefit equal to, in the case of Dr. Brisbin, two times his base salary at the annualized rate then in effect, and in the case of Dr. Tipermas, one times the base salary at the annualized rate then in effect. In addition, the Named Executive Officer would be entitled to payment of his target bonus for the year in which such a termination of employment occurs. Dr. Tipermas would also be entitled to payment by the Company of the cost of COBRA premiums for continued health coverage for the Named Executive Officer and his eligible dependents for up to 12 months following the termination date. Upon the termination of his employment for any reason other than by us for cause, Dr. Brisbin would be entitled to continued medical insurance coverage by us for Dr. Brisbin and his spouse and dependent children, such coverage generally to continue until the date he attains age 65 or becomes eligible for coverage under the health plan of a future employer. In each case, the Named Executive Officer's right to receive the severance benefits described above is contingent on the executive providing a general release of claims in favor of the Company and complying with certain non-solicitation and other restrictive covenants set forth in their employment agreement.

Mr. Chow's employment letter provides that if his employment is terminated by the Company without cause, he will be entitled to a lump sum severance payment equal to three months of his base salary.

### **Employee Benefit Plans**

In April 1974, we adopted our Willdan Group, Inc. 401(k) Plan that covers all of our eligible employees. Our 401(k) plan is intended to qualify under Section 401 of the Internal Revenue Code so that employee contributions and income earned on such contributions are not taxable to employees until withdrawn. Employees may elect to defer up to 50% of their eligible compensation (not to exceed the statutorily prescribed annual limit) in the form of elective deferral contributions to our 401(k) plan. Our 401(k) plan also has a "catch up contribution" feature for employees aged 50 or older who can defer amounts over the statutory limit that applies to all other employees. For fiscal 2014, we matched 50% of the contributions on the first \$6,000 of eligible compensation deferred by each of our 401(k) plan participants. Employees of our subsidiary, Public Agency Resources ("PARs") became eligible to participate in our 401(k) plan in September 2014 and are currently not eligible for the Company match. Company matching contributions under the plan made prior to January 1, 2012 vest at a rate of 25% per year measured from the employee's date of hire. Effective January 1, 2012, Company matching contributions under the plan vest immediately.

**DIRECTOR COMPENSATION****Director Compensation for Fiscal 2014**

The following table presents information regarding the compensation earned during fiscal 2014 by individuals who were members of our Board of Directors at any time during fiscal 2014 and were not employed by us or any of our subsidiaries (referred to herein as "Non-Employee Directors"). ## CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

### Related Person Transactions

The following provides a description of certain relationships and related transactions since the beginning of fiscal year 2014 between some of our directors, executive officers and holders of 5% or more of our common stock and us or our subsidiaries and affiliates.

*Lifetime Medical Benefits.* On May 19, 2006, our board of directors approved the extension of lifetime medical benefits to our Chairman of the Board, Win Westfall, and his spouse, Patricia Westfall. In fiscal 2014, we paid premiums for these medical benefits in the amount of \$11,413, for Mr. Westfall and his spouse.

*Tax Agreements.* In connection with our initial public offering in November 2006, we entered into a Tax Agreement Relating to S Corporation Distributions with each of our stockholders, including our Chairman of the Board, Mr. Westfall. Pursuant to these agreements, we agreed to indemnify, defend and hold harmless each stockholder on an after-tax basis against additional income taxes, plus interest and penalties resulting from adjustments made, as a result of a final determination made by a competent tax authority, to the taxable income we reported as an S Corporation. Such indemnification also includes any losses, costs or expenses, including reasonable attorneys' fees, arising out of a claim for such tax liability.

### Related Person Transaction Policy

In March 2007, the Board adopted a policy addressing the Company's procedures with respect to the review, approval and ratification of "related person transactions" that are required to be disclosed pursuant to Item 404(a) of Regulation S-K. The policy provides that any transaction, arrangement or relationship, or any series of similar transactions, in which the Company was, is or will be a participant, the amount involved exceeds \$120,000, and a "related person" (as defined in the policy) has or will have a direct or indirect material interest (each such transaction, a "Related Person Transaction") shall be subject to review and approval or ratification by the Audit Committee. In its review of Related Person Transactions, the Audit Committee shall review the material facts and circumstances of the transaction and shall take into account certain factors, where appropriate, based on the particular facts and circumstances, including (i) the nature of the "related person's" interest in the transaction, (ii) the approximate dollar value of the amount involved in the Related Person Transaction, (iii) whether the transaction was taken in the Company's ordinary course of business, (iv) whether the transaction with the "related person" is proposed to be, or was, entered into on terms no less favorable to the Company than terms that could have been reached with an unrelated third party and (v) the purpose of, and the potential benefits to the Company of, the Related Person Transaction.

No member of the Audit Committee may participate in the review, approval or ratification of a transaction with respect to which he or she is a "related person" provided that such member can be counted for purposes of a quorum and shall provide such information with respect to the transaction as may be reasonably requested by other members of the Audit Committee or the Board.

## REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors assists the Board in performing its oversight responsibilities for the Company's financial reporting process, audit process and internal controls as more fully described in the Audit Committee charter. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The independent registered public accounting firm is responsible for auditing the Company's financial statements and expressing an opinion as to their conformity to U.S. generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee reviewed and discussed the Company's audited financial statements for the year ended January 2, 2015 with the Company's management and with the Company's independent registered public accounting firm. In addition, the Committee discussed with the Company's independent registered public accounting firm the matters required to be discussed by the statement on Auditing Standard No. 16, *Communications with Audit Committees*, issued by the Public Company Accounting Oversight Board, which includes, among other items, matters related to the conduct of the audit of the Company's financial statements. The Audit Committee has also received the written disclosures and the letter from the Company's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm their independence from the Company.

Based on the review and discussions with management and the independent registered public accounting firm described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended January 2, 2015 for filing with the SEC.

*The preceding Report of the Audit Committee shall not be deemed filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Report by reference into a filing under either of such Acts. The Report shall not be deemed soliciting material, or subject to Regulation 14A or 14C or the liabilities of Section 18 of the Securities Exchange Act.*

Directors, officers and regular employees of the Company, without additional remuneration, may solicit proxies by telephone, e-mail, facsimile, personal interviews and other means. In addition, Computershare Investor Services will assist in the solicitation of proxies. The Company anticipates out-of-pocket costs associated with proxy solicitation. The Company will also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses.

### Householding of Stockholder Materials

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the Notice of Internet Availability of Proxy Materials or, as applicable, the Company's Proxy Statement or Annual Report may be sent to multiple stockholders in the same household unless the Company has received contrary instructions from one or more of the stockholders. The Company will promptly deliver a separate copy of any document to any stockholder upon request by writing to the Company at the following address: Willdan Group, Inc., 2401 East Katella Avenue, Suite 300, Anaheim, California 92806, Attn: Secretary or upon oral request directed to the Company's Secretary at (800) 424-9144. Any stockholder who wants to receive separate copies of the Notice of Internet Availability of Proxy Materials, the Annual Report and Proxy Statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact the stockholder's bank, broker, or other nominee record holder, or contact the Company by writing to the above address or by oral request at the above telephone number. Please note that if you would like to receive a paper copy of the proxy materials for purposes of this year's Annual Meeting, you should follow the instructions included in the Notice of Internet Availability of Proxy Materials that was sent to you.

### Annual Report on Form 10-K

### Stockholder Proposals

*Requirements for Proposals to be Considered for Inclusion in Proxy Materials.* Stockholders interested in submitting a proposal for inclusion in the proxy materials for our 2016 annual meeting of stockholders (the "2016 Annual Meeting") may do so by following the procedures prescribed in Rule 14a-8 under the Exchange Act. To be eligible for inclusion in our proxy statement, stockholder proposals must be received no later than December 16, 2015 and must comply with our Bylaws and Rule 14a-8 under the Exchange Act regarding the inclusion of stockholder proposals in company-sponsored proxy materials. If we change the date of the 2016 annual meeting of stockholders by more than 30 days from the anniversary of this year's meeting, stockholder proposals must be received a

reasonable time before we begin to print and mail our proxy materials for the 2016 annual meeting of stockholders.

*Requirements for Proposals Not Intended for Inclusion in Proxy Materials and for Nomination of Director Candidates.* Stockholders who wish to nominate persons for election to the Board of Directors at the 2016 annual meeting of stockholders or who wish to present a proposal at the 2016 annual meeting of stockholders, but whose stockholder proposal will not be included in the proxy materials we distribute for such meeting, must deliver written notice of the nomination or proposal to our Secretary no earlier than February 6, 2016 and no later than March 7, 2016. If, however, the date of the 2016 Annual Meeting is more than 30 days before or more than 60 days after June 6, 2016, stockholders must submit such nominations or proposals no earlier than the close of business on the 120th day prior to the 2016 Annual Meeting, and no later than the close of business on the later of the 90th day prior to the 2016 Annual Meeting or the 10th day following the date on which public disclosure of the date of the 2016 Annual Meeting is first made by the Company. In addition, with respect to nominations for directors, if the number of directors to be elected at the 2016 Annual Meeting is increased and there is no public announcement by us naming all of the nominees for director or specifying the size of the increased Board of Directors by February 26, 2016 (100 days prior to the first anniversary of this year's Annual Meeting), notice will also be considered timely, but only with respect to nominees for any new positions created by such increase, if it is delivered to our Secretary at our principal executive offices no later than the close of business on the 10th day following the day on which such public announcement is first made by the Company. Any proposal nominating a director candidate must also comply with the requirements under Section 3.04(a)(ii) of our Bylaws. If a stockholder's written notice is not received between the dates specified above and does not satisfy these additional informational requirements, the notice will not be considered properly submitted and will not be acted upon at the 2016 annual meeting of stockholders.

Our Bylaws also provide that a stockholder who wishes to nominate a director or propose other proper business to be brought before the stockholders at the Annual Meeting must be a stockholder of record of the Company at the time the notice is delivered to the Company's Secretary and the stockholder must be entitled to vote at the Annual Meeting.

A stockholder notice to nominate a director or bring any other business before the 2016 Annual Meeting of Stockholders must set forth certain information specified in our Bylaws. Any stockholder proposal should be mailed to: Willdan Group, Inc., 2401 East Katella Avenue, Suite 300, Anaheim, California 92806, Attn: Secretary. Copies of the Charter and Bylaws may be obtained without charge by providing a written request to the Secretary of the Company at that address.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC and the Nasdaq Global Market. Officers, directors and greater than 10% stockholders are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such reports furnished to us, the following officers, directors and greater than 10% stockholders failed to file certain reports required by Section 16(a) of the Exchange Act on a timely basis.

Mr. Tripepi had one late filing on Form 4 that did not timely report one transaction. On June 11, 2014, Mr. Tripepi reported the sale of our common stock totaling 18,032 shares in a three transactions dated June 5, 2014, June 6, 2014 and June 9, 2014. Mr. Chow had two late filings on Form 4 that did not timely report two transactions. On July 18, 2014, Mr. Chow reported a stock option grant of 5,000 shares dated June 6, 2014. On October 7, 2014, Mr. Chow reported an exercise of a stock option grant of 25,000 shares dated September 30, 2014. Mr. Bieber had one late filing on Form 4 that did not

timely report one transaction. On January 7, 2015, Mr. Bieber reported a stock option grant of 100,000 shares dated December 31, 2014. Mrs. McLaughlin had two late filings on Form 4 that did not timely report two transactions. On February 21, 2014, Mrs. McLaughlin reported a stock option grant of 10,000 shares dated November 7, 2013. On March 31, 2015, Mrs. McLaughlin reported a stock option grant of 15,000 shares dated March 26, 2015.

To our knowledge, based solely on our review of the copies of such reports furnished to us, all other Section 16(a) filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners were satisfied.
