CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This Quarterly Report on Form 10-Q (this “10-Q”) contains statements that constitute forward-looking statements as that term is defined by the Private Securities Litigation Reform Act of 1995, as amended. These statements concern our business, operations and financial performance and condition as well as our plans, objectives and expectations for our business operations and financial performance and condition, which are subject to risks and uncertainties. All statements other than statements of historical fact included in this 10-Q are forward-looking statements. These statements may include words such as “aim,” “anticipate,” “assume,” “believe,” “can have,” “could,” “due,” “estimate,” “expect,” “goal,” “intend,” “likely,” “may,” “objective,” “plan,” “potential,” “positioned,” “predict,” “should,” “target,” “will,” “would” and other words and terms of similar meaning in connection with any discussion of the timing or nature of future operating or financial performance or other events or trends. For example, all statements we make relating to our plans and objectives for future operations, growth or initiatives and strategies are forward-looking statements.

These forward-looking statements are based on current expectations, estimates, forecasts and projections about our business and the industry in which we operate and our management’s beliefs and assumptions. We derive many of our forward-looking statements from our own operating budgets and forecasts, which are based upon many detailed assumptions. While we believe that our assumptions are reasonable, we caution that predicting the impact of known factors is very difficult, and we cannot anticipate all factors that could affect our actual results.

All of our forward-looking statements are subject to risks and uncertainties that may cause our actual results to differ materially from our expectations. Important factors that could cause actual results to differ materially from our expectations include, but are not limited to:

- the extent to which the coronavirus (“Covid-19”) pandemic and measures taken to contain its spread ultimately impact our business, results of operation and financial condition, including the speed with which our various direct install programs for small businesses are able to resume normal operations following government mandated shutdowns;
- our ability to adequately complete projects in a timely manner;
- our ability to compete successfully in the highly competitive energy efficiency services market, which represented 84% of our consolidated revenue in fiscal year 2019;
- our reliance on work from our top ten clients, which accounted for 51% of our consolidated contract revenue for fiscal year 2019;
- changes in state, local and regional economies and government budgets;
- our ability to win new contracts, to renew existing contracts and to compete effectively for contracts awarded through bidding processes;
- our ability to successfully integrate our acquisitions and execute on our growth strategy;
- our ability to make principal and interest payments on our outstanding debt as they come due and to comply with the financial covenants contained in our debt agreements; and
- our ability to obtain financing and to refinance our outstanding debt as it matures.

The factors noted above and risks included in our other SEC filings may be increased or intensified as a result of the COVID-19 pandemic, including if there is a resurgence of the COVID-19 virus after the initial outbreak subsides. The extent to which the COVID-19 pandemic ultimately impacts our business, results of operations and financial condition will depend on future developments, which are highly uncertain and cannot be predicted. See the risk factor in Part II, Item 1A. “Risk Factors” in this Quarterly Report on Form 10-Q, “*The COVID-19 pandemic and health and*

safety measures intended to reduce its spread have adversely affected, and may continue to adversely affect, our business, results of operations and financial condition.” The above is not a complete list of factors or events that could cause actual results to differ from our expectations, and we cannot predict all of them. All written and oral forward-looking statements attributable to us, or persons acting on our behalf, are expressly qualified in their entirety by the cautionary statements disclosed elsewhere in this Quarterly Report on Form 10-Q, and under Part I, Item 1A. “Risk Factors”, “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and elsewhere in our Annual Report on Form 10-K for the fiscal year ended December 27, 2019, as such disclosures may be amended, supplemented or superseded from time to time by other reports we file with the Securities and Exchange Commission, including subsequent Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and public communications. You should evaluate all forward-looking statements made in this Quarterly Report on Form 10-Q and otherwise in the context of these risks and uncertainties.

Potential investors and other readers are urged to consider these factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on any forward-looking statements we make. These forward-looking statements speak only as of the date of this Quarterly Report on Form 10-Q and are not guarantees of future performance or developments and involve known and unknown risks, uncertainties and other factors that are in many cases beyond our control. Except as required by law, we undertake no obligation to update or revise any forward-looking statements publicly, whether as a result of new information, future developments or otherwise.

WILLDAN GROUP, INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. ORGANIZATION AND OPERATIONS OF THE COMPANY

Willdan Group, Inc. (“Willdan” or the “Company”) is a provider of professional, technical and consulting services to utilities, private industry, and public agencies at all levels of government. As resources and infrastructures undergo continuous change, the Company helps organizations and their communities evolve and thrive by providing a wide range of technical services for energy solutions and government infrastructure. Through engineering, program management, policy advisory, and software and data management, the Company designs and delivers trusted, comprehensive, innovative, and proven solutions to improve efficiency, resiliency, and sustainability in energy and infrastructure.

The Company’s broad portfolio of services operates within two financial reporting segments: (1) Energy and (2) Engineering and Consulting. The interfaces and synergies between these segments are important elements of the Company’s strategy to design and deliver trusted, comprehensive, innovative, and proven solutions for its customers

The accounting policies followed by the Company are set forth in Part II, Item 8, Note 1, *Organization and Operations of the Company*, of the Notes to Consolidated Financial Statements included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 27, 2019. In the opinion of management, all adjustments necessary to fairly state the Condensed Consolidated Financial Statements have been made. All such adjustments are of a normal, recurring nature. Certain information and footnote disclosures normally included in the Consolidated Financial Statements prepared in accordance with accounting principles generally accepted in the United States (“U.S. GAAP”) have been condensed or omitted pursuant to the rules and regulations of the Securities and Exchange Commission (“SEC”). These Condensed Consolidated Financial Statements and related notes thereto should be read in conjunction with the Consolidated Financial Statements and the notes thereto included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 27, 2019. The results of operations for interim periods are not necessarily indicative of results to be expected for the full year.

Fiscal Years

The Company operates and reports its annual financial results based on 52 or 53-week periods ending on the Friday closest to December 31. The Company operates and reports its quarterly financial results based on the 13-week period ending on the Friday closest to March 31, June 30 and September 30 and the 13 or 14-week period ending on the Friday closest to December 31, as applicable. Fiscal years 2019, 2018 and 2017 contained 52 weeks. All references to years in the notes to consolidated financial statements represent fiscal years.

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Management’s Plans in Response to Covid-19

On January 30, 2020, the spread of a novel strain of coronavirus (“Covid-19”) was declared a Public Health Emergency of International Concern by the World Health Organization (“WHO”). On March 11, 2020, WHO characterized the Covid-19 outbreak as a pandemic. The Covid-19 pandemic has resulted in governmental authorities around the world implementing numerous measures to try to contain the virus, such as travel bans and restrictions, quarantines, shelter-in-place or total lock-down orders and business limitations and shutdowns (subject to exceptions for certain essential operations and businesses). The Covid-19 outbreak and restrictions intended to slow the spread of Covid-19 have caused economic and social disruption on an unprecedented scale. It is unclear how long these restrictions will remain in place and they may remain in place in some form for an extended period of time. Given the

WILLDAN GROUP, INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS – (Continued)
(Unaudited)

uncertainties associated with the duration of the pandemic, the Company cannot reasonably estimate the ultimate impacts of Covid-19 and efforts to limit its spread on its business, financial condition, results of operations or cash flows for the foreseeable future or whether the Company's assumptions used to estimate its future liquidity requirements will be correct.

Health and Safety

In response to the Covid-19 pandemic, the Company has taken and will continue to take temporary precautionary measures intended to help minimize the risk of Covid-19 to its employees, including requiring the majority of its employees to work remotely, suspending non-essential travel and restricting in-person work-related meetings. The Company expects to continue to implement these measures until it has determined that the Covid-19 pandemic is adequately contained for purposes of its business, and may take further actions as government authorities require or recommend or as it determines to be in the best interests of its employees, customers, business partners and third-party service providers.

Financial Position and Results of Operations

The Covid-19 pandemic and efforts to limit its spread negatively impacted the Company's operations during the three months ended April 3, 2020. In California and New York, the states in which it has historically derived a majority of its revenue, mandatory shutdown orders were issued in March. As such, Covid-19 had only a partial impact on the Company's operations during its first fiscal quarter of 2020 and it expects the impact to be more significant in its second quarter.

In the Energy segment, the Company has experienced and expects to continue to experience a negative impact on its direct install programs that serve small businesses as a result of restrictions put in place by governmental authorities that have required temporary shutdowns of all "non-essential" businesses. In fiscal 2019, the Company derived approximately 40% of its gross Energy segment revenue from its direct install programs that serve small businesses, and a significant portion of its direct install work on these programs is currently suspended and will remain suspended until Covid-19-related restrictions are lifted. The Company's other energy programs, which generated approximately 60% of its gross Energy segment revenue in fiscal 2019, are either direct install work for small businesses that have been determined to be "essential" by government authorities or has continued to progress during the pandemic. In addition, some of the Company's programs in the Energy segment, including certain programs in New York, are considered "essential" under applicable governmental regulations are being accelerated because of their importance to help fight this pandemic

In the Engineering and Consulting segment, the Company's revenues have been minimally affected. The services in this segment have generally been deemed "essential" by the government and have continued to operate while abiding social distancing measures.

As of May 8, 2020, though some of the Company work has been suspended, none of its contracts have been cancelled.

In response to the Covid-19 pandemic and efforts to prevent its spread, the Company began taking a number of steps during the first quarter of fiscal 2020 aimed at preserving liquidity and positioning itself to resume its growth trajectory after work restrictions are lifted. These steps include:

- Executing a reduction in workforce, primarily through an unpaid furlough, impacting approximately 300 members of staff. The largest reductions were a result of government-mandated work restrictions impacting the Company's direct install programs in California and New York;

WILLDAN GROUP, INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS – (Continued)
(Unaudited)

- A temporary freeze on all non-critical spending for travel, capital expenditures, and other discretionary expenses;
- A temporary cash wage reduction for salaried employees, ranging from 0% for lower salary bands up to 75% for senior management;
- Suspension of cash fees for the Company’s Board of Directors, until such time as the Board of Directors determines;
- Implementing a temporary hiring freeze; and
- Amending the Company’s credit facility for increased flexibility.

The Company believes that its financial position will allow it to withstand the current economic environment. In the first quarter of fiscal year 2020, the Company enhanced liquidity by minimizing working capital and improving cash collections and, in May 2020, the Company amended its credit facilities to amend certain covenants to increase its financial flexibility. Combined with availability under its credit facilities, the Company believes its enhanced liquidity position provides a cushion against any unforeseen liquidity disruptions. The Company anticipates borrowing additional amounts under its existing credit facility during the second half of fiscal year 2020.

Asset and liability valuation and other estimates used in preparation of financial statements

As of April 3, 2020, the Company did not have any impairment with respect to goodwill or long-lived assets, including intangible assets. Because the full extent of the impact of the Covid-19 outbreak and efforts to slow its spread are unknown at this time, they could, under certain circumstances, cause impairment and result in a non-cash impairment charge being recorded in future periods.

Changes to the estimated future profitability of the business may require that the Company establish an additional valuation allowance against all or some portion of its net deferred tax assets.

Impact on Clients and Subcontractors and Other Risks

The Company primarily works for utilities, municipalities and other public agencies. The Company expects many governmental and other public agencies will have significant budget shortfalls for 2020 and potentially beyond as a result of the economic slowdown from the measures taken to mitigate the Covid-19 pandemic. These potential budget deficits could result in delayed funding for existing contracts with the Company, postponements of new contracts or price concessions. Further, most of the Company’s clients are not committed to purchase any minimum amount of services, as the Company agreements with them are based on a “purchase order” model. As a result, they may discontinue utilizing some or all of the Company’s services with little or no notice.

In addition, the Company relies on subcontractors to complete a substantial portion of our work, especially in its Energy segment. If the Company’s preferred subcontractors suffer significant economic harm and must limit or cease operations or file for bankruptcy as a result of the current economic slowdown, the Company’s subcontractors may not be able to fulfill their contractual obligations satisfactorily and the Company may not have the ability to select its subcontractors of choice for new contracts. If the Company’s subcontractors are not able to fulfill their contractual obligations, it could result in a significant increase in costs for the Company to complete the projects. The ultimate impact of Covid-19 on the Company’s financial condition and results of operations will depend on all of the factors noted above, including other factors that the Company may not be able to forecast at this time. See the risk factor “*The Covid-19 pandemic and health and safety measures intended to slow its spread have adversely affected, and may continue to adversely affect, our business, results of operations and financial condition.*” under Part II. Item 1A. of this

2. RECENT ACCOUNTING PRONOUNCEMENTS

Accounting Pronouncements Recently Adopted

In June 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2016-13, “Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (“ASU 2016-13”). ASU 2016-13 requires entities to report “expected” credit losses on financial instruments and other commitments to extend credit rather than the current “incurred loss” model. These expected credit losses for financial assets held at the reporting date are to be based on historical experience, current conditions, and reasonable and supportable forecasts. ASU 2016-13 will also require enhanced disclosures relating to significant estimates and judgments used in estimating credit losses, as well as the credit quality. The Company adopted this standard effective December 28, 2019. The adoption of this standard did not have a material impact on the Company’s Condensed Consolidated Financial Statements

Accounting Pronouncements Recently Issued

In December 2019, the FASB issued ASU No. 2019-12, “Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes” (“ASU 2019-12”). ASU 2019-12 amends the accounting for income taxes by, among other things, removing: (i) The exception to the incremental approach for intraperiod tax allocation when there is a loss from continuing operations and income or a gain from other items (for example, discontinued operations or other comprehensive income); (ii) The exception to the requirement to recognize a deferred tax liability for equity method investments when a foreign subsidiary becomes an equity method investment; (iii) The exception to the ability not to recognize a deferred tax liability for a foreign subsidiary when a foreign equity method investment becomes a subsidiary; and (iv) The exception to the general methodology for calculating income taxes in an interim period when a year-to-date loss exceeds the anticipated loss for the year. The amendments are effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2020, which for the Company is the first quarter of fiscal 2021. The Company is currently evaluating the impact this update will have on its Condensed Consolidated Financial Statements.

3. REVENUES

The Company enters into contracts with its clients that contain various types of pricing provisions, including fixed price, time-and-materials, and unit-based provisions. The Company recognizes revenues in accordance with ASU 2014-09, Revenue from Contracts with Customer, codified as ASC Topic 606 and the related amendments (collectively “ASC 606”). As such, the Company identifies a contract with a customer, identifies the performance obligations in the contract, determines the transaction price, allocates the transaction price to each performance obligation in the contract and recognizes revenues when (or as) the Company satisfies a performance obligation.

The following table reflects the Company’s two reportable segments and the types of contracts that each most commonly enters into for revenue generating activities.

Segment	Contract Type	Revenue Recognition Method
Energy	Time-and-materials	Time-and-materials
	Unit-based	Unit-based
	Software license	Unit-based
	Fixed price	Percentage-of-completion
Engineering and Consulting	Time-and-materials	Time-and-materials
	Unit-based	Unit-based
	Fixed price	Percentage-of-completion

Revenue on the vast majority of the Company’s contracts is recognized over time because of the continuous transfer of control to the customer. Revenue on fixed price contracts is recognized on the percentage-of-completion method based generally on the ratio of direct costs incurred-to-date to estimated total direct costs at completion. The Company uses the percentage-of-completion method to better match the level of work performed at a certain point in time in relation to the effort that will be required to complete a project. In addition, the percentage-of-completion method is a common method of revenue recognition in the Company’s industry.

Many of the Company’s fixed price contracts involve a high degree of subcontracted fixed price effort and are relatively short in duration, thereby lowering the risks of not properly estimating the percent complete. Revenue on time-and-materials and unit-based contracts is recognized as the work is performed in accordance with the specific rates and terms of the contract. The Company recognizes revenues for time-and-materials contracts based upon the actual hours incurred during a reporting period at contractually agreed upon rates per hour and also includes in revenue all reimbursable costs incurred during a reporting period. Certain of the Company’s time-and-materials contracts are subject to maximum contract values and, accordingly, when revenue is expected to exceed the maximum contract value, these contracts are generally recognized under the percentage-of-completion method, consistent with fixed price contracts. For unit-based contracts, the Company recognizes the contract price of units of a basic production product as revenue when the production product is delivered during a period. Revenue recognition for software licenses issued by the Energy segment is generally recognized at a point in time, utilizing the unit-based revenue recognition method, upon acceptance of the software by the customer and in recognition of the fulfillment of the performance obligation. Certain additional performance obligations beyond the base software license may be separated from the gross license fee and recognized on a straight-line basis over time. Revenue for amounts that have been billed but not earned is deferred, and such deferred revenue is referred to as contract liabilities in the accompanying condensed consolidated balance sheets.

To determine the proper revenue recognition method for contracts, the Company evaluates whether two or more contracts should be combined and accounted for as one single contract and whether the combined contract should be accounted for as one performance obligation. With respect to the Company’s contracts, it is rare that multiple contracts should be combined into a single performance obligation. This evaluation requires significant judgment and the decision to combine a group of contracts or separate a single contract into multiple performance obligations could change the amount of revenue and profit recorded in a given period. Contracts are considered to have a single performance

WILLDAN GROUP, INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS – (Continued)
(Unaudited)

obligation if the promise to transfer the individual goods or services is not separately identifiable from other promises in the contracts, which is mainly because the Company provides a significant service of integrating a complex set of tasks and components into a single project or capability.

The Company may enter into contracts that include separate phases or elements. If each phase or element is negotiated separately based on the technical resources required and/or the supply and demand for the services being provided, the Company evaluates if the contracts should be segmented. If certain criteria are met, the contracts would be segmented which could result in revenues being assigned to the different elements or phases with different rates of profitability based on the relative value of each element or phase to the estimated total contract revenue. Segmented contracts may comprise up to approximately 2.0% to 3.0% of the Company's consolidated contract revenue.

Contracts that cover multiple phases or elements of the project or service lifecycle (development, construction and maintenance and support) may be considered to have multiple performance obligations even when they are part of a single contract. For contracts with multiple performance obligations, the Company allocates the transaction price to each performance obligation using the best estimate of the standalone selling price of each distinct good or service in the contract. For the periods presented, the value of the separate performance obligations under contracts with multiple performance obligations (generally measurement and verification tasks under certain energy performance contracts) were not material. In cases where the Company does not provide the distinct good or service on a standalone basis, the primary method used to estimate standalone selling price is the expected cost plus a margin approach, under which the Company forecasts the Company's expected costs of satisfying a performance obligation and then adds an appropriate margin for the distinct good or service.

The Company provides quality of workmanship warranties to customers that are included in the sale and are not priced or sold separately or do not provide customers with a service in addition to assurance of compliance with agreed-upon specifications and industry standards. The Company does not consider these types of warranties to be separate performance obligations.

In some cases, the Company has a master service or blanket agreement with a customer under which each task order releases the Company to perform specific portions of the overall scope in the service contract. Each task order is typically accounted for as a separate contract because the task order establishes the enforceable rights and obligations, and payment terms.

Under ASC 606, variable consideration should be considered when determining the transaction price and estimates should be made for the variable consideration component of the transaction price, as well as assessing whether an estimate of variable consideration is constrained. For certain of the Company's contracts, variable consideration can arise from modifications to the scope of services resulting from unapproved change orders or customer claims. Variable consideration is included in the transaction price to the extent it is probable that a significant reversal of cumulative revenue recognized will not occur when the uncertainty associated with the variable consideration is resolved. The Company estimates of variable consideration and determination of whether to include estimated amounts in the transaction price are based largely on assessments of legal enforceability, the Company's performance, and all information (historical, current and forecasted) that is reasonably available to the Company.

Due to the nature of the work required to be performed on many of the Company's performance obligations, the estimation of total revenue and cost at completion is complex, subject to many variables and requires significant judgment. As a significant change in one or more of these estimates could affect the profitability of the Company's contracts, the Company reviews and updates the Company's contract-related estimates regularly through a company-wide disciplined project review process in which management reviews the progress and execution of the Company's performance obligations and the estimate at completion (EAC). As part of this process, management reviews information including, but not limited to, any outstanding key contract matters, progress towards completion and the related program schedule and the related changes in estimates of revenues and costs. Management must make assumptions and estimates

WILLDAN GROUP, INC. AND SUBSIDIARIES

(Unaudited)

regarding labor productivity and availability, the complexity of the work to be performed, the cost and availability of materials, the performance of subcontractors, and the availability and timing of funding from the customer, among other variables.

The Company recognizes adjustments in estimated profit on contracts under the cumulative catch-up method. Under this method, the impact of the adjustment on profit recorded to date is recognized in the period the adjustment is identified. Revenue and profit in future periods of contract performance is recognized using the adjusted estimate. If at any time the estimate of contract profitability indicates an anticipated loss on the contract, the Company recognizes the full amount of estimated loss in the period it is identified.

Contracts are often modified to account for changes in contract specifications and requirements. The Company considers contract modifications to exist when the modification either creates new rights or obligations or changes the existing enforceable rights or obligations. Most of the Company's contract modifications are for goods or services that are not distinct from existing contracts due to the significant integration provided in the context of the contract and are accounted for as if they were part of the original contract. The effect of a contract modification that is not distinct from the existing contract on the transaction price and the Company's measure of progress for the performance obligation to which it relates is recognized as an adjustment to revenue (either as an increase in or a reduction of revenue) on a cumulative catch-up basis.

For contract modifications that result in the promise to deliver goods or services that are distinct from the existing contract and the increase in price of the contract is for the same amount as the standalone selling price of the additional goods or services included in the modification, the Company accounts for such contract modifications as a separate contract.

The Company includes claims to vendors, subcontractors and others as a receivable and a reduction in recognized costs when enforceability of the claim is established by the contract and the amounts are reasonably estimable and probable of being recovered. The amounts are recorded up to the extent of the lesser of the amounts management expects to recover or to costs incurred.

Billing practices are governed by the contract terms of each project based upon costs incurred, achievement of milestones or pre-agreed schedules. Billings do not necessarily correlate with revenue recognized using the percentage-of-completion method of revenue recognition.

Direct costs of contract revenue consist primarily of that portion of technical and nontechnical salaries and wages that has been incurred in connection with revenue producing projects. Direct costs of contract revenue also include production expenses, subcontractor services and other expenses that are incurred in connection with revenue producing projects.

Direct costs of contract revenue exclude that portion of technical and nontechnical salaries and wages related to marketing efforts, vacations, holidays and other time not spent directly generating revenue under existing contracts. Such costs are included in general and administrative expenses. Additionally, payroll taxes, bonuses and employee benefit costs for all Company personnel are included in general and administrative expenses in the accompanying consolidated statements of comprehensive income since no allocation of these costs is made to direct costs of contract revenue. No allocation of facilities costs is made to direct costs of contract revenue. Other companies may classify as direct costs of contract revenue some of the costs that the Company classifies as general and administrative costs. The Company expenses direct costs of contract revenue when incurred.

Included in revenue and costs are all reimbursable costs for which the Company has the risk or on which the fee was based at the time of bid or negotiation. No revenue or cost is recorded for costs in which the Company acts solely in the capacity of an agent and has no risks associated with such costs.

Accounts receivable are carried at original invoice amount less an estimate made for doubtful accounts based upon a review of all outstanding amounts on a quarterly basis. Management determines allowances for doubtful accounts through specific identification of amounts considered to be uncollectible and potential write-offs, plus a non-specific allowance for other amounts for which some potential loss has been determined to be probable based on current and past experience. The Company's historical credit losses have been minimal with governmental entities and large public utilities, but disputes may arise related to these receivable amounts. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded when received.

Retainage, included in contract assets, represents amounts withheld from billings to the Company's clients pursuant to provisions in the contracts and may not be paid to the Company until specific tasks are completed or the project is completed and, in some instances, for even longer periods. At April 3, 2020 and December 27, 2019, contract assets included retainage of approximately \$4.4 million and \$5.4 million, respectively.

In addition to the above, the Company derives revenue from software licenses and professional services and maintenance fees. In accordance with ASC 606, the Company performs an assessment of each contract to identify the performance obligations, determine the overall transaction price for the contract, allocate the transaction price to the performance obligations, and recognize the revenue when the performance obligations are satisfied.

The Company utilizes the residual approach by which it estimates the standalone selling price by reference to the total transaction price less the sum of the observable standalone selling prices of other goods or services promised in the contract. The software license revenue is typically recognized at a point in time when control is transferred to the client, which is defined as the point in time when the client can use and benefit from the license. The software license is delivered before related services are provided and is functional without services, updates, or technical support. Related professional services include training and support services in which the standalone selling price is determined based on an input measure of hours incurred to total estimated hours and is recognized over time, usually which is the life of the contract.

5. DERIVATIVE FINANCIAL INSTRUMENTS

The Company uses certain interest rate derivative contracts to hedge interest rate exposures on its variable rate debt. The Company’s hedging program is not designated for trading or speculative purposes.

The Company recognizes derivative instruments as either assets or liabilities on the accompanying consolidated balance sheets at fair value. The Company records changes in the fair value (i.e., gains or losses) of the derivatives that have been designated as cash flow hedges in its consolidated balance sheets as accumulated other comprehensive income (loss) and in its condensed consolidated statements of comprehensive (loss) income as a loss or gain on cash flow hedge valuation.

On January 31, 2019, the Company entered into an interest rate swap agreement that the Company designated as cash flow hedge to fix the variable interest rate on a portion of the Company’s Term A Loan (as defined below in Note 6. “Debt Obligations”). The interest rate swap agreement total notional amount of \$35.0 million, has a fixed annual interest rate of 2.47% and expires on January 31, 2022. As of April 3, 2020, the effective portion of the Company’s interest rate swap agreement designated as a cash flow hedge before tax effects was \$1.0 million, of which no amounts were reclassified from accumulated other comprehensive income to interest expense in the three months ended April 3, 2020. The Company expects to reclassify \$0.6 million from accumulated other comprehensive loss to interest expense within the next twelve months.

The fair values of the Company’s outstanding derivatives designated as hedging instruments were as follows:

	Balance Sheet Location	Fair Value of Derivative Instruments as of	
		April 3, 2020	December 27, 2019
<i>(in thousands)</i>			
Interest rate swap agreement	Accrued liabilities	\$ (624)	\$ (241)
Interest rate swap agreement	Other noncurrent (liabilities) assets	\$ (490)	\$ (306)

The impact of the effective portions of derivative instruments in cash flow hedging relationships and fair value relationships on other comprehensive income were \$0.4 and \$0.2 million of the fiscal three months ended April 3, 2020 and March 29, 2019, respectively.

The accumulated balances and reporting period activities and for the three months ended April 3, 2020 related to reclassifications out of accumulated other comprehensive loss are summarized as follows:

Credit Facilities

On June 26, 2019, the Company and certain of its subsidiaries entered into an Amended and Restated Credit Agreement (as amended by the First Amendment, dated as of August 15, 2019, and the Second Amendment, dated as of November 6, 2019, the “Credit Agreement”) with a syndicate of financial institutions as lenders and BMO Harris Bank, N.A. (“BMO”), as administrative agent. The Credit Agreement provides for (i) a \$100.0 million secured term loan (the “Term A Loan”), (ii) up to \$50.0 million in delayed draw secured term loans (the “Delayed Draw Term Loan”), and (iii) a \$50.0 million secured revolving credit facility (the “Revolving Credit Facility” and, collectively with the Term A Loan and the Delayed Draw Term Loan, the “Credit Facilities”), each maturing on June 26, 2024. The Company’s obligations under the Credit Agreement are guaranteed by its present and future domestic subsidiaries, with limited exceptions.

The Credit Agreement requires the Company to comply with certain financial covenants, including requiring that the Company maintain a (i) total leverage ratio (the “Leverage Ratio”), defined as the ratio of total funded debt to Adjusted EBITDA (as defined in the Credit Agreement), of at least 3.50 to 1.00 through December 31, 2020, and 3.25 to 1.00 thereafter and (ii) fixed charge coverage ratio (“FCCR Ratio”), defined as the ratio of Adjusted EBITDA less Unfinanced Capital Expenditures (as defined in the Credit Agreement) to Fixed Charges (as defined in the Credit Agreement), of not less than 1.20 to 1.00, in each case tested quarterly.

The Credit Agreement also contains other customary restrictive covenants including (i) restrictions on the incurrence of additional indebtedness and additional liens on property, (ii) restrictions on permitted acquisitions and other investments and (iii) limitations on asset sales, mergers and acquisitions. Further, the Credit Agreement limits the Company’s payment of future dividends and distributions and share repurchases by the Company. Subject to certain exceptions, borrowings under the Credit Agreement are also subject to mandatory prepayment from (a) any issuances of debt or equity securities, (b) any sale or disposition of assets, (c) insurance and condemnation proceeds (d) representation and warranty insurance proceeds related to insurance policies issued in connection with acquisitions and (e) excess cash flow. The Credit Agreement includes customary events of default.

As of April 3, 2020, the Company was in compliance with all covenants contained in the credit agreement.

Software Agreements

The Company finances, from time to time, software costs by entering into unsecured notes payable with software providers. During the fiscal year ended December 28, 2018, the Company elected to finance its IBM software costs of \$0.2 million with a note payable bearing interest at an annual rate of 4.656%, payable in monthly principal and interest installments of \$6,000 through November 2021. As of April 3, 2020, and December 27, 2019, the unpaid balance related to the IBM software agreement totaled \$110,000 and \$133,000, respectively.

Utility Customer Agreement

In connection with the acquisition of substantially all of the assets of Onsite Energy, the Company assumed a contract dispute settlement agreement between Onsite Energy and one of its utility customers dated December 20, 2018 (the “Utility Customer Agreement”) where Onsite Energy agreed to pay \$1.7 million, bearing interest at an imputed annual rate of 4.332%, payable in quarterly principal and interest installments through June 2021. As of April 3, 2020 and December 27, 2019, the unpaid balance of the Utility Customer Agreement totaled \$0.8 million and \$0.9 million, respectively.

7. LEASES

The Company leases certain office facilities under long-term, non-cancellable operating leases that expire at various dates through the year 2027. In addition, the Company is obligated under finance leases for certain furniture and office equipment that expire at various dates through the year 2022.

From time to time, the Company enters into non-cancelable leases for some of our facility and equipment needs. These leases allow the Company to conserve cash by paying a monthly lease rental fee for the use of facilities and equipment rather than purchasing them. The Company's leases have remaining terms ranging from one to eight years, some of which may include options to extend the leases for up to five years, and some of which may include options to terminate the leases within one year. Currently, all of the Company's leases contain fixed payment terms. The Company may decide to cancel or terminate a lease before the end of its term, in which case we are typically liable to the lessor for the remaining lease payments under the term of the lease. Additionally, all of our month-to-month leases are cancelable by the Company or the lessor, at any time, and are not included in our right-of-use asset or lease liability. As of April 3, 2020, the Company had no leases with residual value guarantees. Typically, the Company has purchase options on the equipment underlying its long-term leases. The Company may exercise some of these purchase options when the need for equipment is on-going and the purchase option price is attractive. Nonperformance-related default covenants, cross-default provisions, subjective default provisions and material adverse change clauses contained in material lease agreements, if any, are also evaluated to determine whether those clauses affect lease classification in accordance with "ASC" Topic 842-10-25. Leases are accounted for as operating or financing leases, depending on the terms of the lease.

Financing Leases

The Company leases certain equipment under financing leases. The economic substance of the leases is a financing transaction for acquisition of equipment and leasehold improvements. Accordingly, the right-of-use assets for these leases are included in the balance sheets in equipment and leasehold improvements, net of accumulated depreciation, with a corresponding amount recorded in current portion of financing lease obligations or noncurrent portion of financing lease obligations, as appropriate. The financing lease assets are amortized over the life of the lease or, if shorter, the life of the leased asset, on a straight-line basis and included in depreciation expense. The interest associated with financing lease obligations is included in interest expense.

Right-of-use assets

Operating leases are included in right-of-use assets, and current portion of lease liability and noncurrent portion of lease liability, as appropriate. Right-of-use assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at commencement date. As most of the Company's leases do not provide an implicit rate to calculate present value, the Company determines this rate by estimating the Company's incremental borrowing rate at the lease commencement date. The right-of-use asset also includes any lease payments made and initial direct costs incurred at lease commencement and excludes lease incentives. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Lease expense for minimum lease payments is recognized on a straight-line basis over the lease term.

8. COMMITMENTS AND VARIABLE INTEREST ENTITIES

Employee Benefit Plans

The Company has a qualified profit sharing plan pursuant to Code Section 401(a) and qualified cash or deferred arrangement pursuant to Code Section 401(k) covering all employees. Employees may elect to contribute up to 50% of their compensation limited to the amount allowed by tax laws. Company contributions are made solely at the discretion of the Company's board of directors.

The Company also had a defined contribution plan (the "Plan") covering employees who have completed three months of service and who have attained 21 years of age. The Company elected to make matching contributions equal to 50% of the participants' contributions to the Plan up to 6% of the individual participant's compensation. Under the defined contribution plan, the Company may make discretionary matching contributions to employee accounts.

The Company made matching contributions of approximately \$0.9 million and \$0.7 million during the three months ended April 3, 2020 and March 29, 2019, respectively.

Variable Interest Entities

On March 4, 2016, the Company and the Company's wholly-owned subsidiary, WES acquired substantially all of the assets of Genesys and assumed certain specified liabilities of Genesys (collectively, the "Purchase") pursuant to an Asset Purchase and Merger Agreement, dated as of February 26, 2016 (the "Agreement"), by and among Willdan Group, Inc., WES, WESGEN (as defined below), Genesys and Ronald W. Mineo ("Mineo") and Robert J. Braun ("Braun" and, together with Mineo, the "Genesys Shareholders"). On March 5, 2016, pursuant to the terms of the Agreement, WESGEN, Inc., a non-affiliated corporation ("WESGEN"), merged (the "Merger" and, together with the Purchase, the "Acquisition") with Genesys, with Genesys remaining as the surviving corporation. Genesys was acquired to strengthen the Company's power engineering capability in the northeastern U.S., and also to increase client exposure and experience with universities.

Genesys continues to be a professional corporation organized under the laws of the State of New York, wholly-owned by one or more licensed engineers. Pursuant to New York law, the Company does not own capital stock of Genesys. The Company has entered into an agreement with the Shareholder of Genesys pursuant to which the Shareholder will be prohibited from selling, transferring or encumbering the Shareholder's ownership interest in Genesys without the Company's consent. Notwithstanding the Company's rights regarding the transfer of Genesys's stock, the Company does not have control over the professional decision making of Genesys's engineering services. The Company has entered into an administrative services agreement with Genesys pursuant to which WES will provide Genesys with ongoing administrative, operational and other non-professional support services. Genesys pays WES a service fee, which consists of all of the costs incurred by WES to provide the administrative services to Genesys plus ten percent of such costs, as well as any other costs that relate to professional service supplies and personnel costs. As a result of the administrative services agreement, the Company absorbs the expected losses of Genesys through its deferral of Genesys's service fees owed to WES.

The Company manages Genesys and has the power to direct the activities that most significantly impact Genesys's performance, in addition to being obligated to absorb expected losses from Genesys. Accordingly, the Company is the primary beneficiary of Genesys and consolidates Genesys as a VIE. In addition, the Company concluded there is no noncontrolling interest related to the consolidation of Genesys because the Company determined that (i) the shareholder of Genesys does not have more than a nominal amount of equity investment at risk, (ii) WES absorbs the expected losses of Genesys through its deferral of Genesys's service fees owed to WES and the Company has, since entering into the administrative services agreement, had to continuously defer service fees for Genesys, and (iii) the Company believes Genesys will continue to have a shortfall on payment of its service fees for the foreseeable future, leaving no expected residual returns for the shareholder. As of April 3, 2020, the Company had one VIE — Genesys.

10. INCOME TAXES

Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the financial reporting basis and tax basis of the Company's assets and liabilities, subject to a judgmental assessment of the recoverability of deferred tax assets. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. A valuation allowance is recorded when it is more likely than not that some of the deferred tax assets may not be realized. Significant judgment is applied when assessing the need for valuation allowances and appropriate consideration is given to all positive and negative evidence related to that realization. This assessment considers, among other matters, the nature, frequency and severity of recent losses, forecast of future profitability, the duration of statutory carry-forward periods, experience with tax attributes expiring unused, and tax planning alternatives. The weight given to these considerations depends upon the degree to which they can be objectively verified. Should a change in circumstances lead to a change in judgment about the utilization of deferred tax assets in future years, the Company would adjust the related valuation allowances in the period that the change in circumstances occurs, along with a corresponding increase or charge to income.

During each fiscal year, management assesses the available positive and negative evidence to estimate if sufficient future taxable income will be generated to utilize existing deferred tax assets. Beginning in fiscal year 2017, the Company determined that it was more-likely-than-not that the entire California net operating loss will not be utilized prior to expiration. Significant pieces of objective evidence evaluated included our history of utilization of California net operating losses in prior years for each of our subsidiaries, as well as our forecasted amount of net operating loss utilization for certain members of the combined group. As a result, the Company recorded a valuation allowance in the amount of \$86,000 at the end of fiscal year 2018 related to California net operating losses. There was no change to the valuation allowance during the three months ended April 3, 2020 or the three months ended March 29, 2019.

For acquired business entities, if the Company identifies changes to acquired deferred tax asset valuation allowances or liabilities related to uncertain tax positions during the measurement period and they relate to new information obtained about facts and circumstances that existed as of the acquisition date, those changes are considered a measurement period adjustment, and the Company records the offset to goodwill. The Company records all other changes to deferred tax asset valuation allowances and liabilities related to uncertain tax positions in current period income tax expense.

The Company recognizes the tax benefit from uncertain tax positions if it is more likely than not that the tax positions will be sustained on examination by the tax authorities, based on the technical merits of the position. The tax benefit is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The Company recognizes interest and penalties related to unrecognized tax benefits in income tax expense. As of April 3, 2020, the Company recorded a liability of \$0.1 million for uncertain tax positions related to miscellaneous tax deductions taken in open tax years. Included in this amount are \$0.1 million of tax benefits that, if recognized, would affect the effective tax rate. Interest and penalties of \$0.03 million have been recorded related to unrecognized tax benefits as of April 3, 2020.

Based on management's estimates and determination of an effective tax rate for the year, the Company recorded an income tax benefit of \$1.6 million for the three months ended April 3, 2020, as compared to an income tax benefit of \$0.9 million for the three months ended March 29, 2019. During the three months ended April 3, 2020, the difference between the effective tax rate and the federal statutory rate is primarily attributable to state taxes, the recognition of tax deductions related to the vesting of performance-based restricted stock units, nondeductible executive compensation, research and development tax credits, and the commercial building energy efficiency deduction. For the three months ended March 29, 2019, the difference between the effective tax rate and the federal statutory rate was primarily attributable to state taxes, the recognition of tax deductions related to the vesting of performance-based restricted stock units, nondeductible executive compensation and research and development tax credits.

During the three months ended April 3, 2020, the Internal Revenue Service continued its audit of our tax return for the fiscal year ended December 30, 2016. The Company is not able to determine the impact of this examination due to the audit process having not been completed.

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act (H.R. 748) which includes a number of provisions relating to refundable payroll tax credits, deferment of employer side social security payments, net operating loss carryback periods, alternative minimum tax credit refunds, modifications to the net interest deduction limitations and technical corrections to tax depreciation methods for qualified improvement property. Under ASC 740, the effects of new legislation are recognized upon enactment. Accordingly, the effects of the CARES Act have been incorporated into the income tax provision computation for the quarter ended April 3, 2020. These provisions did not have a material impact on the income tax provision. The Company anticipates deferring the employer side social security payments for payroll paid for the remainder of 2020.

11. EARNINGS PER SHARE (“EPS”)

Basic EPS is computed by dividing net income available to common stockholders by the weighted-average number of common shares outstanding. Diluted EPS is computed by dividing net income by the weighted-average number of common shares outstanding and dilutive potential common shares for the period. Potential common shares include the weighted-average dilutive effects of outstanding stock options and restricted stock awards using the treasury stock method.

The following table sets forth the number of weighted-average common shares outstanding used to compute basic and diluted EPS:

	Three months ended	
	April 3, 2020	March 29, 2019
	<i>(in thousands, except per share amounts)</i>	
Net loss	\$ (8,154)	\$ (417)
Weighted-average common shares outstanding	11,510	10,974

Weighted-average common shares outstanding-diluted	11,510	10,974
Loss per share:		
Basic	\$ (0.71)	\$ (0.04)
Diluted	\$ (0.71)	\$ (0.04)

For the three months ended April 3, 2020 and March 29, 2019, the Company reported a net loss, and accordingly, all outstanding equity awards have been excluded from such periods because including them would have been anti-dilutive.

12. BUSINESS COMBINATIONS

Acquisition of E3, Inc.

On October 28, 2019, the Company, through its wholly-owned subsidiary, WES acquired all of the capital stock of Energy and Environmental Economics, Inc. (“E3, Inc.”), pursuant to the terms of a stock purchase agreement (the “Stock Purchase Agreement”) by and among the Company, WES, E3, Inc., each of the stockholders of E3, Inc. (the “E3, Inc. Stockholders”) and Ren Orans, as seller representative of the E3, Inc. Stockholders. E3, Inc. is an energy consulting firm that helps utilities, regulators, policy makers, developers, and investors make strategic decisions as they implement new public policies, respond to technological advances, and address customers’ shifting expectations in clean energy. The Company believes that E3 will provide Willdan and our clients visibility into future market trends and position us to advise clients on upcoming policy, electrification, and decarbonization. E3, Inc.’s financial information is included within the Energy segment beginning in the fourth quarter of fiscal year 2019. The Company expects to finalize the purchase price allocation with respect to this transaction during the fourth quarter of fiscal 2020.

The Company agreed to pay up to \$44.0 million for the purchase of all of the capital stock of E3, Inc., which purchase price consists of (i) \$27.0 million in cash paid on the E3, Inc. Closing Date (subject to holdbacks and adjustments), (ii) \$5.0 million in shares of the Company’s common stock, based on the volume-weighted average price per share of the Company’s common stock for the ten trading days immediately following, but not including, the E3, Inc. Closing Date and (iii) up to \$12.0 million in cash if E3, Inc. exceeds certain financial targets during the three years after the E3, Inc. Closing Date, as more fully described below (such potential payments of up to \$12.0 million, being referred to as “Earn-Out Payments” and \$12.0 million in respect thereof, being referred to as the “Maximum Payout”).

The amount of the Earn-Out Payments to be paid will be determined based on E3, Inc.’s earnings before interest, taxes, depreciation and amortization (“EBITDA”). The E3, Inc. Stockholders will receive Earn-Out Payments in each of the three years after the E3, Inc. Closing Date (the “Earn-Out Period”) based on the amount by which E3, Inc.’s EBITDA exceeds certain targets. The amounts due to the E3, Inc. Stockholders as Earn-Out Payments will in no event, individually or in the aggregate, exceed the Maximum Payout. Earn-Out Payments will be made in annual installments for each of the three years of the Earn-Out Period. In addition, the Earn-Out Payments will be subject to certain subordination provisions in favor of the lenders under the Company’s Credit Agreement.

The Purchase Agreement also contains customary representations and warranties regarding WES, the Company, E3, Inc. and the E3, Inc. Stockholders, indemnification provisions and other provisions customary for transactions of this nature.

The Company borrowed \$30.0 million under its Delayed Draw Term Loan on October 28, 2019 to fund the \$27.0 million cash payment paid on the E3, Inc. Closing Date.

The acquisition was accounted for as a business combination in accordance with ASC 805. Under ASC 805, the Company recorded the acquired assets and assumed liabilities at their estimated fair value with the excess allocated to goodwill. Goodwill represents the value the Company expects to achieve through the operational synergies, the expansion into new markets and the acquired company’s assembled work force. The Company estimates that the entire \$21.5 million of goodwill resulting from the acquisition will be tax deductible.

13. CONTINGENCIES

Claims and Lawsuits

The Company is subject to claims and lawsuits from time to time, including those alleging professional errors or omissions that arise in the ordinary course of business against firms that operate in the engineering and consulting professions. The Company carries professional liability insurance, subject to certain deductibles and policy limits, for such claims as they arise and may from time to time establish reserves for litigation that is considered probable of a loss.

In accordance with accounting standards regarding loss contingencies, the Company accrues an undiscounted liability for those contingencies where the incurrence of a loss is probable and the amount can be reasonably estimated, and discloses the amount accrued and an estimate of any reasonably possible loss in excess of the amount accrued, if such disclosure is necessary for the Company's financial statements not to be misleading. The Company does not accrue liabilities when the likelihood that the liability has been incurred is probable but the amount cannot be reasonably estimated, or when the liability is believed to be only reasonably possible or remote.

Because litigation outcomes are inherently unpredictable, the Company's evaluation of legal proceedings often involves a series of complex assessments by management about future events and can rely heavily on estimates and assumptions. If the assessments indicate that loss contingencies that could be material to any one of the Company's financial statements are not probable, but are reasonably possible, or are probable, but cannot be estimated, then the Company will disclose the nature of the loss contingencies, together with an estimate of the possible loss or a statement that such loss is not reasonably estimable. While the consequences of certain unresolved proceedings are not presently determinable, and a reasonable estimate of the probable and reasonably possible loss or range of loss in excess of amounts accrued for such proceedings cannot be made, an adverse outcome from such proceedings could have a material adverse effect on the Company's earnings in any given reporting period. However, in the opinion of the Company's management, after consulting with legal counsel, and taking into account insurance coverage, the ultimate liability related to current outstanding claims and lawsuits is not expected to have a material adverse effect on the Company's financial statements.

14. SUBSEQUENT EVENTS

Borrowing under Revolving Credit Facility

On April 7, 2020, the Company borrowed \$10.0 million under the Revolving Credit Facility, which reduced the future borrowing capacity under the Revolving Credit Facility to \$36.0 million.

Third Amendment to the Credit Agreement

On May 6, 2020, the Company entered into the Third Amendment to the Amended and Restated Credit Agreement (the “Third Amendment”) which, among other things, amends or suspends certain covenants contained in the Credit Agreement from March 5, 2020 until the earlier of (i) July 2, 2021 and (ii) the last day of the fiscal quarter in which the Company delivers an irrevocable election to terminate the covenant relief granted by the Third Amendment (the “Covenant Relief Period”).

The Third Amendment increases the maximum Leverage Ratio the Company is permitted to maintain during the Covenant Relief Period and replaces the covenant to maintain a minimum FCCR Ratio during the Covenant Relief Period with a requirement to maintain a minimum Adjusted EBITDA (as defined in the Third Amendment). During the Covenant Relief Period, no further delayed draw term loans may be borrowed under the Credit Facilities and the Company is prohibited from engaging in share repurchases or making any Permitted Acquisitions (as defined in the Credit Agreement). Additionally, during the Covenant Relief Period, the aggregate amount of all capital expenditures made by the Company may not exceed \$7.0 million, and the Company is prohibited from making any earn-out payments if, after giving effect to such earn-out payment, the Company’s liquidity would be less than \$5.0 million or the aggregate amount of all earn-out payments made by the Company during the Covenant Relief Period would exceed \$7.0 million.

As part of the Third Amendment, borrowings under the Credit Agreement will bear interest (A) from March 5, 2020 until the date of the Third Amendment, at a rate equal to one-month LIBOR plus 2.0%, (B) from the date of the Third Amendment until the date the administrative agent receives the Company’s financial statements for the quarter ending July 3, 2020, at a rate equal to either, at the Company’s option, (i) the highest of the prime rate, the Federal Funds Rate plus 0.5% or one-month LIBOR plus 1.00% (the “Base Rate”) or (ii) one-month LIBOR, in each case plus an applicable margin of 1.50% with respect to Base Rate borrowings and 2.50% with respect to LIBOR borrowings and (C) at all other times during the Covenant Relief Period, at a rate equal to either, at the Company’s option, (i) the Base Rate or (ii) one-month LIBOR, in each case plus an applicable margin ranging from 0.125% to 1.50% with respect to Base Rate borrowings and 1.125% to 2.50% with respect to LIBOR borrowings, depending on the Leverage Ratio; provided, that one-month LIBOR shall not be less than 0.75% during the Covenant Relief Period. During the Covenant Relief Period, the Company will pay a commitment fee for the unused portion of the Revolving Credit Facility and the delayed draw term loan facility, which ranges from 0.15% to 0.45% per annum depending on the Leverage Ratio, and fees on the face amount of any letters of credit outstanding under the Revolving Credit Facility, which range from 0.84% to 2.50% per annum, in each case, depending on whether such letter of credit is a performance or financial letter of credit and the Leverage Ratio.

After the Covenant Relief Period, borrowings under the Credit Agreement will bear interest at a rate equal to either, at the Company’s option, (i) the Base Rate or (ii) one-month LIBOR, in each case plus an applicable margin ranging from 0.125% to 1.00% with respect to Base Rate borrowings and 1.125% to 2.00% with respect to LIBOR borrowings, depending on the Leverage Ratio; provided, that one-month LIBOR shall not be less than 0.00%. After the Covenant Relief Period, the Company will pay a commitment fee for the unused portion of the Revolving Credit Facility and the delayed draft term loan facility, which will range from 0.15% to 0.35% per annum depending on the Leverage Ratio, and fees on the face amount of any letters of credit outstanding under the Revolving Credit Facility, which will range from 0.84% to 2.00% per annum, in each case, depending on whether such letter of credit is a performance or financial letter of credit and the Leverage Ratio.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Our Company

We are a provider of professional, technical and consulting services to utilities, private industry, and public agencies at all levels of government. As resources and infrastructures undergo continuous change, we help organizations and their communities evolve and thrive by providing a wide range of technical services for energy solutions and government infrastructure. Through engineering, program management, policy advisory, and software and data management, we design and deliver trusted, comprehensive, innovative, and proven solutions to improve efficiency, resiliency, and sustainability in energy and infrastructure to our clients.

Our broad portfolio of services operates within two reporting segments: (1) Energy and (2) Engineering and Consulting. The interfaces and synergies between these segments are important elements of our strategy to design and deliver trusted, comprehensive, innovative, and proven solutions for our customers.

Our Energy segment provides specialized, innovative, comprehensive energy solutions to businesses, utilities, state agencies, municipalities, and non-profit organizations in the U.S. Our experienced engineers, consultants, and staff help our clients realize cost and energy savings by tailoring efficient and cost-effective solutions to assist in optimizing energy spend. Our energy efficiency services include comprehensive audit and surveys, program design, master planning, demand reduction, grid optimization, benchmarking analyses, design engineering, construction management, performance contracting, installation, alternative financing, measurement and verification services, and advances in software and data analytics.

Our Engineering and Consulting segment provides civil engineering-related construction management, building and safety, city engineering, city planning, geotechnical, material testing and other engineering consulting services to our clients. Our engineering services include rail, port, water, mining and other civil engineering projects. We also provide economic and financial consulting to public agencies along with national preparedness and interoperability services, communications, and technology solutions. Lastly, we supplement the engineering services that we offer our clients by offering expertise and support for the various financing techniques public agencies utilize to finance their operations and infrastructure. We also support the mandated reporting and other requirements associated with these financings. We provide financial advisory services for municipal securities but do not provide underwriting services.

Impact of Covid-19 on Our Business

On January 30, 2020, the spread of a novel strain of coronavirus ("Covid-19") was declared a Public Health Emergency of International Concern by the World Health Organization ("WHO"). On March 11, 2020, WHO characterized the Covid-19 outbreak as a pandemic. The Covid-19 pandemic has resulted in governmental authorities around the world implementing numerous measures to try to contain the virus, such as travel bans and restrictions, quarantines, shelter-in-place or total lock-down orders and business limitations and shutdowns (subject to exceptions for certain essential operations and businesses). The Covid-19 outbreak and restrictions intended to slow the spread of Covid-19 have caused economic and social disruption on an unprecedented scale. It is unclear how long these restrictions will remain in place and they may remain in place in some form for an extended period of time. Given the uncertainties associated with the duration of the pandemic, we cannot reasonably estimate the ultimate impacts of Covid-19 and efforts to limit its spread on our business, financial condition, results of operations or cash flows for the foreseeable future or whether our assumptions used to estimate our future liquidity requirements will be correct.

Health and Safety

In response to the Covid-19 pandemic, we have taken and will continue to take temporary precautionary measures intended to help minimize the risk of Covid-19 to our employees, including requiring the majority of our employees to work remotely, suspending non-essential travel and restricting in-person work-related meetings. We expect to continue to implement these measures until we determine that the Covid-19 pandemic is adequately contained for

purposes of our business, and we may take further actions as government authorities require or recommend or as we determine to be in the best interests of our employees, customers, business partners and third-party service providers.

Financial Position and Results of Operations

The Covid-19 pandemic and efforts to limit its spread negatively impacted our business during the three months ended April 3, 2020. In California and New York, the states in which we have historically derived a majority of our revenue, mandatory shutdown orders were issued in March. As such, Covid-19 had only a partial impact on our operations during our first fiscal quarter of 2020 and we expect the impact to be more significant in our second quarter.

In the Energy segment, we have experienced and expect to continue to experience a negative impact on our direct install programs that serve small businesses as a result of restrictions put in place by governmental authorities that have required temporary shutdowns of all “non-essential” businesses. In fiscal 2019, we derived approximately 40% of our gross contract revenue from our direct install programs that serve small businesses, and a significant portion of our direct install work on these programs is currently suspended and will remain suspended until Covid-19-related restrictions are lifted. Our other energy programs, which generated approximately 60% of our revenue in fiscal 2019, are either direct install work for small businesses that have been determined to be “essential” by government authorities or has continued to progress during the pandemic. In addition, some of our programs in the Energy segment, including certain programs in New York, are considered “essential” under applicable governmental regulations are being accelerated because of their importance to help fight this pandemic.

In the Engineering and Consulting segment, our revenues have been minimally affected. The services in this segment have generally been deemed “essential” by the government and have continued to operate while abiding social distancing measures.

As of May 8, 2020, though some of our work has been suspended, none of our contracts have been cancelled.

In response to the Covid-19 pandemic and efforts to prevent its spread, we began taking a number of steps during the first quarter of fiscal 2020 aimed at preserving liquidity and positioning ourselves to resume our growth trajectory after work restrictions are lifted. These steps include:

- Executing a reduction in workforce, primarily through an unpaid furlough, impacting approximately 300 members of our staff. The largest reductions were a result of government-mandated work restrictions impacting our direct install programs in California and New York;
- A temporary freeze on all non-critical spending for travel, capital expenditures, and other discretionary expenses;
- A temporary cash wage reduction for salaried employees, ranging from 0% for lower salary bands up to 75% for senior management;
- Suspension of cash fees for our Board of Directors, until such time as the Board of Directors determines;
- Implementing a temporary hiring freeze; and
- Amending our credit facility for increased flexibility.

We believe our financial position will allow us to withstand the current economic environment. In the first quarter of fiscal year 2020, we enhanced liquidity by minimizing working capital and significantly improving cash collections and, in May 2020, we amended our credit facilities to amend certain covenants to increase our financial flexibility. See Part I, Item 1, Note 14, “Subsequent Events” of the Notes to Condensed Consolidated Financial Statements included in this Quarterly Report on Form 10-Q for more information. Combined with availability under our credit facilities, we believe our enhanced liquidity position provides a cushion against any unforeseen liquidity

disruptions. We anticipate borrowing additional amounts under our existing credit facility during the second half of fiscal year 2020.

Asset and liability valuation and other estimates used in preparation of financial statements

As of April 3, 2020 we did not have any impairment with respect to our goodwill or long-lived assets, including intangible assets. Because the full extent of the impact of the Covid-19 outbreak and efforts to slow its spread are unknown at this time, they could, under certain circumstances, cause impairment and result in a non-cash impairment charge being recorded in future periods.

Changes to the estimated future profitability of the business may require that we establish an additional valuation allowance against all or some portion of our net deferred tax assets.

Impact on Clients and Subcontractors and Other Risks

We primarily work for utilities, municipalities and other public agencies. We expect many governmental and other public agencies will have significant budget shortfalls for 2020 and potentially beyond as a result of the economic slowdown from the measures taken to mitigate the Covid-19 pandemic. These potential budget deficits could result in delayed funding for existing contracts with us, postponements of new contracts or price concessions. Further, most of our clients are not committed to purchase any minimum amount of our services, as our agreements with them are based on a “purchase order” model. As a result, they may discontinue utilizing some or all of our services with little or no notice.

In addition, we rely on subcontractors to complete a substantial portion of our work, especially in our Energy segment. If our preferred subcontractors suffer significant economic harm and must limit or cease operations or file for bankruptcy as a result of the current economic slowdown, our subcontractors may not be able to fulfill their contractual obligations satisfactorily and we may not have the ability to select our subcontractors of choice for new contracts. If our subcontractors are not able to fulfill their contractual obligations, it could result in a significant increase in costs for us to complete the projects. The ultimate impact of Covid-19 on our financial condition and results of operations will depend on all of the factors noted above, including other factors that we may not be able to forecast at this time. See the risk factor “*The Covid-19 pandemic and health and safety measures intended to slow its spread have adversely affected, and may continue to adversely affect, our business, results of operations and financial condition.*” under Part II. Item 1A. “*Risk Factors*” of this Quarterly Report on Form 10-Q. While we expect the impacts of Covid-19 to have an adverse effect on our business, financial condition and results of operations, we are unable to predict the extent of these impacts at this time

Three Months Ended April 3, 2020 Compared to Three Months Ended March 29, 2019

Contract revenue. Consolidated contract revenue increased \$14.2 million, or 15.5%, in the three months ended April 3, 2020 compared to the three months ended March 29, 2019, primarily due to organic growth, including an increase in revenue generated from government projects in our Energy segment, and incremental contract revenue from the acquisitions of Onsite Energy Corporation ("Onsite Energy") and Energy and Environmental Economics, Inc. ("E3, Inc."). This increase was partially offset by decreased contract revenue from our direct install programs for small businesses as a result of temporary business shutdowns resulting from the Covid-19 pandemic and efforts to limit its

spread. The impact of Covid-19 on our small business programs was partial for our first fiscal quarter as the measures impacting small businesses were put in place in March 2020. We describe the impact of Covid-19 to our segments below.

Contract revenue in our Energy segment increased \$13.1 million, or 17.5%, in the three months ended April 3, 2020 compared to the three months ended March 29, 2019. Contract revenue for the Energy segment primarily increased as a result of organic growth, including an increase in revenue generated from government projects, combined with the incremental revenues from Onsite Energy and E3, Inc. as they are included in our Energy segment. However, such increase was partially offset by the effects of Covid-19 on our Energy segment's direct install programs, as described above.

Contract revenue in our Engineering and Consulting segment increased \$1.1 million, or 6.6%, in the three months ended April 3, 2020 compared to the three months ended March 29, 2019. Contract revenue for the Engineering and Consulting segment increased primarily due to increased subcontractor revenues. As described above, our revenues in this segment have been minimally affected by Covid-19 as the services in this segment have generally been deemed "essential" by the government and continue to operate while abiding social distancing measures.

Direct costs of contract revenue. Direct costs of consolidated contract revenue increased \$9.5 million, or 14.4%, in the three months ended April 3, 2020 compared to the three months ended March 29, 2019, primarily as a result of additional contract revenues as a result of organic growth, including an increase in revenue generated from government projects in our Energy segment, combined with additional direct costs of contract revenue related to our acquisitions of Onsite Energy and E3, Inc.

Direct cost of contract revenue in our Energy segment increased \$8.7 million, or 15.5%, to \$65.0 million for the three months ended April 3, 2020 compared to the three months ended March 29, 2019, primarily as a result of the growth in our Energy segment contract revenues combined with the acquisitions of Onsite Energy and E3, Inc. in the Energy segment mentioned above which collectively contributed \$2.9 million in direct costs of contract revenue during the three months ended April 3, 2020. Direct costs of contract revenue for the Engineering and Consulting segment increased \$0.8 million, or 8.1%, to \$10.4 million for the three months ended April 3, 2020 compared to the three months ended March 29, 2019, primarily due to the increased use of subcontractor services under certain of our existing engineering capital improvements projects.

Subcontractor services and other direct costs increased by \$5.5 million and salaries and wages increased by \$4.0 million for the three months ended April 3, 2020 compared to the three months ended March 29, 2019. Within direct costs of contract revenue, salaries and wages increased to 17.8% of contract revenue for the three months ended April 3, 2020 from 16.2% for the three months ended March 29, 2019. Subcontractor services and other direct costs decreased to 53.2% of contract revenue for the three months ended April 3, 2020 from 55.5% of contract revenue for the three months ended March 29, 2019. Salaries and wages within direct costs of contract revenue increased as a percentage of contract revenue and subcontractor services and other direct costs decreased as a percentage of contract revenue, primarily as a result of changes in the product mix of revenues derived from the acquisitions of Onsite Energy and E3, Inc. which contain a higher percentage labor costs and lower percentage of material costs and installation subcontracting.

General and administrative expenses. General and administrative ("G&A") expenses increased by \$12.8 million, or 48.9%, in the three months ended April 3, 2020 compared to the three months ended March 29, 2019. The increase in G&A expenses consisted of an increase of \$8.6 million in the Energy segment and an increase of \$4.3 million in the unallocated corporate expenses, partially offset by a decrease of \$0.1 million in the Engineering and Consulting segment. The increase in G&A expenses in the Energy segment was primarily attributed to incremental expenses of \$3.5 million from our additions of Onsite Energy and E3, Inc. and increases in our corporate general and administrative expenses.

Of the \$12.8 million increase in G&A expenses, \$4.7 million resulted from an increase in salaries and wages, payroll taxes and employee benefits, \$2.8 million resulted from an increase in stock-based compensation, \$1.9 million resulted from an increase in depreciation and amortization, \$2.6 million resulted from an increase in other general and administrative expenses and \$0.9 million resulted from an increase in facilities and facility related expenses. The

increase in salaries and wages, payroll taxes and employee benefits was primarily attributable to the addition of employees from the acquisitions of Onsite Energy, and E3, Inc. Similarly, the increase in facilities and facility related expenses was primarily due to the addition of offices in connection with these acquisitions. The increase in stock-based compensation expenses was primarily related to an increase in stock grants to current employees and executives. The increase in depreciation and amortization was primarily due to an increase in amortization of intangible assets derived from the acquisitions of Onsite Energy, and E3, Inc. The increase in other general and administrative expenses was primarily due to acquisition costs related to the acquisition of Onsite Energy, and E3, Inc. As described above, we have instituted cost-saving measures to manage expenses and eliminate non-essential spending in response to the impact of Covid-19 on our business.

Loss from operations. Our operating loss was \$8.3 million as a result of the factors noted above. As a percentage of contract revenue, operating loss was 7.8% for the three months ended April 3, 2020 compared to an operating loss of 0.3% for the three months ended March 29, 2019. The decrease in operating margin was primarily attributable to an overall increase in subcontractor expenses and general and administrative expenses combined with the partial effects of Covid-19, partially offset by increases in contract revenue.

Total other expense, net. Total other expense, net, was \$1.5 million for the three months ended April 3, 2020 compared \$1.1 million for the three months ended March 29, 2019. This increase in total other expense, net is primarily the result of higher interest expense as a result of borrowings under our credit facilities related to our acquisitions of Onsite Energy, and E3, Inc.

Income tax benefit. We recorded an income tax benefit of \$1.6 million for the three months ended April 3, 2020 compared to a tax benefit of \$0.9 million for the three months ended March 29, 2019. For the three months ended April 3, 2020, the increase in the income tax benefit as compared to the three months ended March 29, 2019 was primarily due to increased nondeductible executive compensation and decreased tax deductions related to the vesting of performance based restricted stock units.

Net loss. As a result of the above factors, our net loss was \$8.2 million for the three months ended April 3, 2020, as compared to a net loss of \$0.4 million for the three months ended March 29, 2019.

Liquidity and Capital Resources

The following table summarizes our statements of cash flows for the periods indicated:

	Three Months Ended	
	April 3, 2020	March 29, 2019
	<i>(in thousands)</i>	
Net cash provided by (used in):		
Operating activities	\$ 16,455	\$ 10,487
Investing activities	(2,139)	(23,694)
Financing activities	(7,464)	9,009
Net increase (decrease) in cash and cash equivalents	<u>\$ 6,852</u>	<u>\$ (4,198)</u>

We believe that cash generated by operating activities and available borrowings under the Revolving Credit Facility will be sufficient to finance our operating activities for at least the next 12 months. As of April 3, 2020, we had \$12.3 million of cash and cash equivalents. Our primary source of liquidity is cash generated from operations and borrowings under our Revolving Credit Facility. In addition, as of April 3, 2020, we had a \$100 million Term A Loan with \$92.5 million outstanding, a \$50.0 million Revolving Credit Facility with \$4.0 million outstanding and \$2.7 million in letters of credit issued, and a \$50.0 million Delayed Draw Term Loan with \$29.3 million outstanding, each scheduled to mature on June 26, 2024. As of April 3, 2020, borrowings under our Credit Facilities bore interest at 2.9% based on the Company's consolidated total leverage ratio. Subsequent to April 3, 2020, we borrowed \$10.0 million under the Revolving Credit Facility, which reduced the future borrowing capacity under the Revolving Credit Facility to \$36.0 million. See Part I, Item 1, Note 6, "Debt Obligations" and Note 14 "Subsequent Events", of the Notes to Condensed

Consolidated Financial Statements included in and Part II, Item 8, Note 5, “Debt Obligations”, of the Notes to the Consolidated Financial Statements included in our Annual Report on Form 10-K filed with the SEC on March 6, 2020 for information regarding our indebtedness, including information about new borrowings and repayments, principal repayment terms, interest rates, covenants, and other key terms of our outstanding indebtedness.

Cash Flows from Operating Activities

Cash flows provided by operating activities were \$16.5 million for the three months ended April 3, 2020, as compared to cash flows provided by operating activities of \$10.5 million for the three months ended March 29, 2019. Cash flow from operating activities primarily consists of net income, adjusted for non-cash charges, such as depreciation and amortization and stock-based compensation, plus or minus changes in operating assets and liabilities. Changes in cash flows provided by operating activities for the three months ended April 3, 2020 resulted primarily as result of our acquisitions of Onsite Energy and E3, Inc., and significant reductions in working capital requirements as a result of the reduction of revenues from the suspension of our small business energy programs. Cash flows provided by operating activities for the three months ended March 29, 2019 resulted primarily from a net increase in our working capital.

Cash Flows used in Investing Activities

Cash flows used in investing activities were \$2.1 million for the three months ended April 3, 2020, as compared to cash flows used in investing activities of \$23.7 million for the three months ended March 29, 2019. Cash flows used in investing activities for the three months ended April 3, 2020 were primarily due to cash paid for the purchase of equipment and leasehold improvements. The cash flows used in investing activities for the three months ended March 29, 2019 was primarily due to cash paid for the acquisition of The Weidt Group.

Cash Flows from Financing Activities

Cash flows used in financing activities were \$7.4 million for the three months ended April 3, 2020, as compared to cash flows provided by financing activities of \$9.0 million for the three months ended March 29, 2019. Cash flows used in financing activities for the three months ended April 3, 2020 were primarily attributable to repayments of \$13.3 million under our term loan facility and revolving line of credit, a payment of \$2.9 million in employee payroll taxes related to the vesting of performance-based restricted stock units during the quarter, payments of \$1.4 million for contingent consideration related to prior acquisitions, partially offset by \$9.0 million of borrowings under our revolving line of credit. The cash flows provided by financing activities for the three months ended March 29, 2019 were primarily attributable to borrowings under our revolving line of credit, partially offset by the payment of \$2.5 million in employee payroll taxes related to the vesting of performance-based restricted stock units during the quarter.

Off-Balance Sheet Arrangements

Other than operating lease commitments, we do not have any off-balance sheet financing arrangements or liabilities. In addition, our policy is not to enter into futures or forward contracts. Finally, we do not have any majority-owned subsidiaries or any interests in, or relationships with, any special-purpose entities that are not included in the consolidated financial statements. We have, however, an administrative services agreement with Genesys in which we provide Genesys with ongoing administrative, operational and other non-professional support services. We manage Genesys and have the power to direct the activities that most significantly impact Genesys’ performance, in addition to being obligated to absorb expected losses from Genesys. Accordingly, we are the primary beneficiary of Genesys and consolidate Genesys as a variable interest entity.

Short and Long-term Liquidity

Contractual Obligations

The following table sets forth our known contractual obligations as of April 3, 2020:

Contractual Obligations	Total	Less than			More than
		1 Year	1 - 3 Years	3 - 5 Years	5 Years
			<i>(in thousands)</i>		
Long term debt ⁽¹⁾	\$ 126,659	\$ 13,722	\$ 69,521	\$ 43,416	\$ —
Interest payments on debt outstanding ⁽²⁾	12,272	2,676	6,067	3,529	—
Operating leases	26,528	6,651	10,528	5,330	4,019
Finance leases	689	441	239	9	—
Total contractual cash obligations	\$ 166,148	\$ 23,490	\$ 86,355	\$ 52,284	\$ 4,019

- (1) Long-term debt includes \$92.5 million outstanding on our Term A Loan, \$4.0 million outstanding on our Revolving Credit Facility and \$29.3 million outstanding on our Delayed Draw Term Loan as of April 3, 2020. We have assumed no future borrowings or repayments (other than at maturity) for purposes of this table.
- (2) Borrowings under our Delayed Draw Term Loan bear interest at a variable rate. Future interest payments on our Delayed Draw Term Loan Facility are estimated using floating rates in effect as of April 3, 2020.

We are obligated to pay earn-out payments in connection with our acquisitions of E3, Inc. and Integral Analytics. We are obligated to pay up to (i) \$12.0 million in cash if E3, Inc. exceeds certain financial targets during the three years after the E3, Inc. closing date, and (ii) \$12.0 million in cash based on future work obtained from the business of Integral Analytics during the four years after the closing of the acquisition, payable in installments, if certain financial targets are met during the four years. As of April 3, 2020, we had contingent consideration payable of \$8.9 million related to these acquisitions. For the three months ended April 3, 2020, our statement of operations includes \$0.3 million of accretion (excluding fair value adjustments) related to the contingent consideration.

Outstanding Indebtedness

See Part I, Item 1, Note 6, “*Debt Obligations*” and Note 14, “*Subsequent Events*”, of the Notes to Condensed Consolidated Financial Statements included in this Quarterly Report on Form 10-Q, and Part II, Item 8, Note 5, “*Debt Obligations*”, of the Notes to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 27, 2019, for information regarding our indebtedness, including information about new borrowings and repayments, principal repayment terms, interest rates, covenants, and other key terms of our outstanding indebtedness.

Subsequent to April 3, 2020, we borrowed \$10.0 million under the Revolving Credit Facility, which reduced the future borrowing capacity under the Revolving Credit Facility to \$36.0 million.

On May 6, 2020, after giving effect to the Third Amendment and the effectiveness of the Covenant Relief Period, the Company had \$36.0 million in borrowing capacity available under its credit facilities.

Interest Rate Swap

We have entered into an interest rate swap agreement to moderate our exposure to fluctuations in interest rates underlying our variable rate debt. For more information, see Part I, Item 3, “*Quantitative and Qualitative Disclosures About Market Risk*”, and Note 5, “*Derivatives*”, to the Notes of Condensed Consolidated Financial Statements included in this Quarterly Report on Form 10-Q.

Impact of Inflation

Due to the average duration of our projects and our ability to negotiate prices as contracts end and new contracts begin, we believe our operations have not been, and, in the foreseeable future, are not expected to be, materially impacted by inflation.

Components of Revenue and Expense

Contract Revenue

We generally provide our services under contracts, purchase orders or retainer letters. The agreements we enter into with our clients typically incorporate one of three principal types of pricing provisions: time-and-materials, unit-based, and fixed price. Revenue on our time-and-materials and unit-based contracts are recognized as the work is performed in accordance with specific terms of the contract. As of April 3, 2020, approximately 27% of our contracts are time-and-materials contracts and approximately 51% of our contracts are unit-based contracts, compared to approximately 20% for time-and-materials contracts and approximately 66% for unit-based contracts as of March 29, 2019.

Some of these contracts include maximum contract prices, but contract maximums are often adjusted to reflect the level of effort to achieve client objectives and thus the majority of these contracts are not expected to exceed the maximum. Contract revenue on our fixed price contracts is determined on the percentage of completion method based generally on the ratio of direct costs incurred to date to estimated total direct costs at completion. Many of our fixed price contracts involve a high degree of subcontracted fixed price effort and are relatively short in duration, thereby lowering the risks of not properly estimating the percent complete.

Adjustments to contract cost estimates are made in the periods in which the facts requiring such revisions become known. When the revised estimate indicates a loss, such loss is recognized in the current period in its entirety. Claims and change orders that have not been finalized are evaluated to determine whether or not a change has occurred in the enforceable rights and obligations of the original contract. If these non-finalized changes qualify as a contract modification, a determination is made whether to account for the change in contract value as a modification to the existing contract, or a separate contract and revenue under the claims or change orders is recognized accordingly. Costs related to un-priced change orders are expensed when incurred, and recognition of the related revenue is based on the assessment above of whether or not a contract modification has occurred. Estimated profit for un-priced change orders is recognized only if collection is probable.

Our contracts come up for renewal periodically and at the time of renewal may be subject to renegotiation, which could impact the profitability on that contract. In addition, during the term of a contract, public agencies may request additional or revised services which may impact the economics of the transaction. Most of our contracts permit our clients, with prior notice, to terminate the contracts at any time without cause. While we have a large volume of contracts, the renewal, termination or modification of a contract, in particular contracts with Consolidated Edison, the City of Elk Grove, DASNY, and utility programs associated with Los Angeles Department of Water and Power and Duke Energy Corp., may have a material effect on our consolidated operations.

Some of our contracts include certain performance guarantees, such as a guaranteed energy saving quantity. Such guarantees are generally measured upon completion of a project. In the event that the measured performance level is less than the guaranteed level, any resulting financial penalty, including any additional work that may be required to fulfill the guarantee, is estimated and charged to direct expenses in the current period. We have not experienced any significant costs under such guarantees.

Direct Costs of Contract Revenue

Direct costs of contract revenue consist primarily of that portion of salaries and wages that have been incurred in connection with revenue producing projects. Direct costs of contract revenue also include material costs, subcontractor services, equipment and other expenses that are incurred in connection with revenue producing projects. Direct costs of contract revenue exclude that portion of salaries and wages related to marketing efforts, vacations, holidays and other time not spent directly generating revenue under existing contracts. Such costs are included in general

and administrative expenses. Additionally, payroll taxes, bonuses and employee benefit costs for all of our personnel are included in general and administrative expenses since no allocation of these costs is made to direct costs of contract revenue.

Other companies may classify as direct costs of contract revenue some of the costs that we classify as general and administrative costs. We expense direct costs of contract revenue when incurred.

General and Administrative Expenses

G&A expenses include the costs of the marketing and support staffs, other marketing expenses, management and administrative personnel costs, payroll taxes, bonuses and employee benefits for all of our employees and the portion of salaries and wages not allocated to direct costs of contract revenue for those employees who provide our services. G&A expenses also include facility costs, depreciation and amortization, professional services, legal and accounting fees and administrative operating costs. Within G&A expenses, "Other" includes expenses such as professional services, legal and accounting, computer costs, travel and entertainment, marketing costs and acquisition costs. We expense general and administrative costs when incurred.

Critical Accounting Policies

We have prepared the accompanying unaudited Condensed Consolidated Financial Statements in accordance with generally accepted accounting principles in the U.S. ("GAAP"). To prepare these financial statements in conformity with GAAP, we must make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses in the reporting period. Our actual results may differ from these estimates. We have adopted accounting policies and practices that are generally accepted in the industry in which we operate.

There have been no material changes in our critical accounting policies and estimates from those disclosed in our Annual Report on Form 10-K for our fiscal year ended December 27, 2019. Please refer to Part II, Item 7 of our Annual Report on Form 10-K for the fiscal year ended December 27, 2019 for a discussion of our critical accounting policies and estimates.

Recent Accounting Standards

For a description of recently issued and adopted accounting pronouncements, including adoption dates and expected effects on our results of operations and financial condition, see Part I, Item 1, Note 2, "*Recent Accounting Pronouncements*", of the Notes to Condensed Consolidated Financial Statements included in this Quarterly Report on Form 10-Q.

ITEM 3. Quantitative and Qualitative Disclosures About Market Risk

Interest Rate Risk

Market risk is the risk of loss to future earnings, to fair values or to future cash flows that may result from changes in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, exchange rates, commodity prices, equity prices and other market changes. Market risk is attributed to all market risk sensitive financial instruments, including long-term debt.

As of April 3, 2020, we had cash and cash equivalents of \$12.3 million. This amount represents cash on hand in business checking accounts with BMO.

We do not engage in trading activities and do not participate in foreign currency transactions.

We are subject to interest rate risk in connection with our Term A Loan and borrowings, if any, under our revolving credit facility and delayed draw term loan, each of which bears interest at variable rates. As of April 3, 2020, \$92.5 million was outstanding under our Term A Loan, \$29.3 million was outstanding under our delayed draw term loan, \$4.0 million was outstanding and \$2.7 million in letters of credit were issued under the revolving credit facility. Each of our Term A Loan, revolving credit facility and delayed draw term loan mature as of June 26, 2024 and are governed by our credit agreement. As part of the Third Amendment (as described in Part II, Item 5 of this Quarterly Report on Form 10-Q), borrowings under the Credit Agreement will bear interest (A) from March 5, 2020 until the date of the Third Amendment, at a rate equal to one-month LIBOR plus 2.0%, (B) from the date of the Third Amendment until the date the administrative agent receives our financial statements for the quarter ending July 3, 2020, at a rate equal to either, at our option, (i) the highest of the prime rate, the Federal Funds Rate plus 0.5% or one-month LIBOR plus 1.00% (the "Base Rate") or (ii) one-month LIBOR, in each case plus an applicable margin of 1.50% with respect to Base Rate borrowings and 2.50% with respect to LIBOR borrowings and (C) at all other times during the Covenant Relief Period, at a rate equal to either, at our option, (i) the Base Rate or (ii) one-month LIBOR, in each case plus an applicable margin ranging from 0.125% to 1.50% with respect to Base Rate borrowings and 1.125% to 2.50% with respect to LIBOR borrowings, depending on our consolidated leverage ratio; *provided*, that one-month LIBOR shall not be less than 0.75% during the Covenant Relief Period. During the Covenant Relief Period, we will pay a commitment fee for the unused portion of the revolving credit facility and the delayed draw term loan facility, which ranges from 0.15% to 0.45% per annum depending on our consolidated leverage ratio, and fees on the face amount of any letters of credit outstanding under the revolving credit facility, which range from 0.84% to 2.50% per annum, in each case, depending on whether such letter of credit is a performance or financial letter of credit and the Leverage Ratio.

After the Covenant Relief Period, borrowings under the Credit Agreement will bear interest at a rate equal to either, at our option, (i) the Base Rate or (ii) one-month LIBOR, in each case plus an applicable margin ranging from 0.125% to 1.00% with respect to Base Rate borrowings and 1.125% to 2.00% with respect to LIBOR borrowings, depending on our consolidated leverage ratio; *provided*, that one-month LIBOR shall not be less than 0.00%. After the Covenant Relief Period, we will pay a commitment fee for the unused portion of the revolving credit facility and the delayed draft term loan facility, which will range from 0.15% to 0.35% per annum depending on our consolidated leverage ratio, and fees on the face amount of any letters of credit outstanding under the revolving credit facility, which will range from 0.84% to 2.00% per annum, in each case, depending on whether such letter of credit is a performance or financial letter of credit and our consolidated leverage ratio.

The Term A Loan amortizes quarterly in installments of \$2.5 million beginning with the fiscal quarter ending September 27, 2019, with a final payment of all then remaining principal and interest due on the maturity date of June 26, 2024. Each borrowing under our delayed draw term loan will amortize quarterly in an amount equal to 2.5% of the aggregate outstanding borrowings under the delayed draw term loan, beginning with the first full fiscal quarter ending after the initial borrowing date, with a final payment of all then remaining principal and interest due on the maturity date of June 26, 2024.

On January 31, 2019, we entered into an interest swap agreement for \$35.0 million notional amount. The interest swap agreement was designated as a cash flow hedge to fix the variable interest rate on a portion of the outstanding principal amount under our prior term loan facility. The interest swap fixed rate is 2.47% and the amortization is quarterly in an amount equal to 10% annually. The interest swap agreement expires on January 31, 2022.

Based upon the amount of our outstanding indebtedness as of April 3, 2020, a one percentage point increase in the effective interest rate would change our annual interest expense by approximately \$1.3 million in 2020.

Risk Related to Potential LIBOR Transition

All of our \$126.0 million of debt outstanding under our credit agreement as of April 3, 2020 bears interest at a floating rate that uses LIBOR as the applicable reference rate to calculate the interest. The Chief Executive of the U.K. Financial Conduct Authority (the "FCA"), which regulates the London Interbank Offered Rate, or LIBOR, has announced that the FCA will no longer persuade or compel banks to submit rates for the calculation of LIBOR after

2021. That announcement indicates that the continuation of LIBOR on the current basis cannot and will not be guaranteed after 2021. Moreover, it is possible that LIBOR will be discontinued or modified prior to 2021.

Our credit agreement provides that, if the administrative agent has determined that adequate means do not exist for ascertaining LIBOR or the lenders have advised the administrative agent that (i) LIBOR does not adequately and fairly reflect the cost to lenders for maintaining their loans or (ii) making or funding LIBOR loans has become impracticable for the lenders, then, unless we amend the credit agreement to replace LIBOR with an alternative reference rate, all of our outstanding loans under the credit agreement will be converted to Base Rate Loans and the component of the Base Rate based upon LIBOR will not be used in any determination of the Base Rate. Further, the lenders under our credit agreement will no longer be obligated to make loans using LIBOR as the applicable reference rate. If the rate used to calculate interest on our outstanding floating rate debt under our credit agreement that currently uses LIBOR were to increase by 1.0% either as a result of an increase in LIBOR or the result of the conversion to Base Rate Loans, we would expect to incur additional interest expense on such indebtedness as of April 3, 2020 of approximately \$1.3 million on an annualized basis.

Item 4. Controls and Procedures

We maintain disclosure controls and procedures defined in Rule 13a-15(e) under the Exchange Act, as controls and other procedures that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed in the reports that we file or submit under the Securities Exchange Act is accumulated and communicated to our management, including our Chief Executive Officer, Thomas Brisbin, and our Chief Financial Officer, Stacy McLaughlin, as appropriate to allow timely decisions regarding required disclosure.

In connection with the preparation of this Quarterly Report, an evaluation was performed under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of our disclosure controls and procedures as of April 3, 2020. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective, at a reasonable assurance level, as of April 3, 2020.

No change in our internal control over financial reporting occurred during the period covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting. We acquired substantially all of the assets of Onsite Energy on July 2, 2019, and Energy and Environmental Economics, Inc. on October 28, 2019. We are in the process of evaluating the internal controls of each of the acquired businesses and integrating them into our existing operations and internal control processes.

PART II. OTHER INFORMATION

ITEM 1. Legal Proceedings

We are subject to claims and lawsuits from time to time, including those alleging professional errors or omissions that arise in the ordinary course of business against firms that operate in the engineering and consulting professions. We carry professional liability insurance, subject to certain deductibles and policy limits, for such claims as they arise and may from time to time establish reserves for litigation that is considered probable of a loss.

In accordance with accounting standards regarding loss contingencies, we accrue an undiscounted liability for those contingencies where the incurrence of a loss is probable and the amount can be reasonably estimated, and we disclose the amount accrued and an estimate of any reasonably possible loss in excess of the amount accrued, if such disclosure is necessary for our financial statements not to be misleading. We do not accrue liabilities when the likelihood

that the liability has been incurred is probable but the amount cannot be reasonably estimated, or when the liability is believed to be only reasonably possible or remote.

Because litigation outcomes are inherently unpredictable, our evaluation of legal proceedings often involves a series of complex assessments by management about future events and can rely heavily on estimates and assumptions. If the assessments indicate that loss contingencies that could be material to any one of our financial statements are not probable, but are reasonably possible, or are probable, but cannot be estimated, then we disclose the nature of the loss contingencies, together with an estimate of the possible loss or a statement that such loss is not reasonably estimable. While the consequences of certain unresolved proceedings are not presently determinable, and a reasonable estimate of the probable and reasonably possible loss or range of loss in excess of amounts accrued for such proceedings cannot be made, an adverse outcome from such proceedings could have a material adverse effect on our earnings in any given reporting period. However, in the opinion of our management, after consulting with legal counsel, and taking into account insurance coverage, the ultimate liability related to current outstanding claims and lawsuits is not expected to have a material adverse effect on our financial statements.

ITEM 1A. Risk Factors

With the exception of the following, there are no material changes to the risk factors set forth in Part I, Item 1A, *Risk Factors* in our Annual Report on Form 10-K for the year ended December 27, 2019:

The COVID-19 pandemic and health and safety measures intended to slow its spread have adversely affected, and may continue to adversely affect, our business, results of operations and financial condition.

On January 30, 2020, the spread of a novel strain of coronavirus (“Covid-19”) was declared a Public Health Emergency of International Concern by the World Health Organization (“WHO”). On March 11, 2020, WHO characterized the Covid-19 outbreak as a pandemic. The Covid-19 pandemic has resulted in governmental authorities around the world implementing numerous measures to try to contain the virus, such as travel bans and restrictions, quarantines, shelter-in-place or total lock-down orders and business limitations and shutdowns (subject to exceptions for certain essential operations and businesses). The Covid-19 outbreak and restrictions intended to slow the spread of Covid-19 have caused economic and social disruption on an unprecedented scale. It is unclear how long these restrictions will remain in place and they may remain in place in some form for an extended period of time.

The Covid-19 pandemic and efforts to limit its spread negatively impacted our business during the three months ended April 3, 2020 and are expected to impact our business in the future. In California and New York, the states in which we have historically derived a majority of our revenue, mandatory shutdown orders were issued on March 19, 2020 and March 20, 2020, respectively, negatively impacting our business, financial condition and results of operations. The impact of the Covid-19 pandemic on our business, including the impacts described above in “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” subjects us to various risks and uncertainties that could materially adversely affect our business, results of operations and financial condition including the following factors:

- the extent and length of shutdowns of our direct install programs for small businesses in our Energy segment, which have resulted and will continue to result in material decreases in our revenues during the period of such shutdowns and are subject to determination by governmental authorities of the states in which we operate and outside of our control;
- the possibility that some of our clients will request deferral, modification or reduction in their contractual work orders with us or, in the case of those clients that we service under a purchase order model, if such clients reduce or cancel the amount of work requested relative to historical practices;
- fewer subcontractors being available to complete our work if our subcontractors must limit or cease operations or declare bankruptcy as a result of the Covid-19 pandemic;
- increased difficulty in estimating and controlling costs, in particular for our fixed-price contracts, which represented approximately 19% of our consolidated contract revenue in fiscal year 2019;
- our ability to make principal and interest payments on our debt obligations as they mature and our ability to comply with applicable financial covenants in our debt agreements in light of reduced revenues;
- increased borrowing costs;
- potential charges to our long-lived assets as a result of the measures implemented to contain the spread of Covid-19, including impairment of goodwill and other intangible assets;
- potential changes to our effective tax rate and our valuation allowance against our deferred tax assets as a result of changes to our forecasted future profitability;

- our clients becoming insolvent or initiating bankruptcy or similar proceedings, which would adversely affect our ability to collect contractual payments from such clients for work that may have already been completed and result in decreased revenues;
- the impact on our results of operations and financial condition resulting from a temporary suspension in capital expenditures from our government clients;
- increased difficulty in executing our growth strategy, which could result in fewer acquisition opportunities for us compared to historical levels;
- increased employee absenteeism due to fear of infection and increased difficulty in maintaining our workforce during this uncertain time; and
- the potential adverse impacting on productivity of management and our employees that are working remotely, including impacting our ability to maintain our financial reporting processes and related controls.

These factors may remain prevalent for a significant period of time and may continue to adversely affect our business, results of operations and financial condition even after the Covid-19 pandemic has subsided. In addition, if a resurgence of the Covid-19 virus occurs after the initial outbreak subsides, these factors will be exasperated.

As this situation is ongoing and the duration and severity of the Covid-19 pandemic is uncertain at this time, it is difficult to forecast the eventual long-term impacts on our future operating results or financial condition. We expect the Covid-19 pandemic will negatively impact our financial results, including having a larger impact on our results of operations for the second quarter than has been reflected in our first quarter results for 2020. Our earnings are expected to be adversely impacted by decreased revenue from clients. We primarily work for utilities, municipalities and other public agencies. As a result of the economic slowdown from the measures taken to mitigate the Covid-19 pandemic, we expect many governmental and other public agencies will have significant budget shortfalls for 2020 and potentially beyond. As a result of these budget deficits, our governmental and other public agency clients may delay funding for existing contracts with us, postpone entering into new contracts or request price concessions. The reduction or elimination of funding can also result in contract options not being exercised and further work on existing contracts and orders being curtailed. We expect our average number of days our receivables are outstanding will increase and it may result in increased credit losses on uncollectible invoices. In particular, New York and California have been subject to business limitations and restrictions for a significant period of time already and are expected to have restrictions for a significant period of time. We generated approximately 41.1% and 27.2% of our consolidated contract revenue during fiscal year 2019 from services rendered to public agencies, utilities, and private industry in California and New York, respectively. In addition, our top two clients and one of our utility programs accounted for 34% of our consolidated contract revenue and are located in California and New York. LADWP, Consolidated Edison of New York, and DASNY accounted for 17.9%, 11.2% and 5.4%, respectively, of our consolidated contract revenue in fiscal year 2019. The amounts due from these clients represented 29% of our outstanding accounts receivable as of December 27, 2019. As with most of our clients, these clients are not committed to purchase any minimum amount of our services, as our agreements with them are based on a “purchase order” model. As a result, they may discontinue utilizing some or all of our services with little or no notice.

In addition, we rely on subcontractors to complete a substantial portion of our work, especially in our Energy segment. Subcontractor services and other direct costs comprised approximately 55% of our consolidated contract revenue in fiscal year 2019. If our preferred subcontractors suffer significant economic harm and must limit or cease operations or file for bankruptcy as a result of the current economic slowdown, our subcontractors may not be able to fulfill their contractual obligations satisfactorily and we may not have the ability to select our subcontractors of choice for new contracts. If our subcontractors are not able to fulfill their contractual obligations, it could result in a significant increase in costs for us to complete the projects. In addition, the absence of qualified subcontractors with whom we have a satisfactory relationship could adversely affect the quality of our service offerings and therefore, adversely affect our business, results of operations and financial condition.

Depending on the severity and longevity of the Covid-19 pandemic, the related efforts taken to reduce its spread, and the possibility of a resurgence of the Covid-19 pandemic, we also could recognize a significant adverse impact to our liquidity position due to lower revenues resulting from the shutdown of a significant portion of our direct install programs for small businesses.

As a result of the Covid-19 outbreak, we are also currently evaluating the impact on long-lived assets, such as goodwill, for possible impairment. We did not record an impairment charge during the first quarter of fiscal year 2020. However, depending on future events, we may be required to record future impairment charges related to our long-lived assets, which primarily represents the goodwill acquired in our recent acquisitions and other intangibles, such as our customer relationships. In addition, depending on the ongoing impact of the pandemic, we may also be required to reserve for incremental credit losses. Any material increase in our allowances for credit losses would have a corresponding effect on our results of operations and related cash flows.

Given the uncertainties associated with the duration of the pandemic, we cannot reasonably estimate the ultimate impacts of Covid-19 and efforts to limit its spread on our business, financial condition, results of operations or cash flows for the foreseeable future or whether our assumptions used to estimate our future liquidity requirements will be correct. The extent of the impact of the Covid-19 pandemic on our business and financial results will depend on future developments, including the duration, severity and spread of the pandemic, health and safety actions taken to contain its spread, any possible resurgence of Covid-19 that may occur after the initial outbreak subsides and how quickly and to what extent normal economic and operating conditions can resume within the markets in which we operate, each of which are highly uncertain at this time and outside of our control. Even after the Covid-19 pandemic has ultimately subsided, we may continue to experience adverse impacts to our business and financial results as a result of its global economic impact, including any economic downturn or recession that has occurred or may occur in the future. The adverse impact of the Covid-19 pandemic on our business, results of operations and financial condition could be material.

Third Amendment to the Credit Agreement

On May 6, 2020, we entered into the Third Amendment to the Amended and Restated Credit Agreement (the “Third Amendment”) which, among other things, amends or suspends certain covenants contained in the Credit Agreement from March 5, 2020 until the earlier of (i) July 2, 2021 and (ii) the last day of the fiscal quarter in which we deliver an irrevocable election to terminate the covenant relief granted by the Third Amendment (the “Covenant Relief Period”).

The Third Amendment increases the maximum Leverage Ratio we are permitted to maintain during the Covenant Relief Period and replaces the covenant to maintain a minimum FCCR Ratio during the Covenant Relief Period with a requirement to maintain a minimum Adjusted EBITDA (as defined in the Third Amendment). During the Covenant Relief Period, no further delayed draw term loans may be borrowed under the Credit Facilities and we are prohibited from engaging in share repurchases or making any Permitted Acquisitions (as defined in the Credit Agreement). Additionally, during the Covenant Relief Period, the aggregate amount of all capital expenditures made by us may not exceed \$7.0 million, and we are prohibited from making any earn-out payments if, after giving effect to such earn-out payment, our liquidity would be less than \$5.0 million or the aggregate amount of all earn-out payments made by us during the Covenant Relief Period would exceed \$7.0 million.

As part of the Third Amendment, borrowings under the Credit Agreement will bear interest (A) from March 5, 2020 until the date of the Third Amendment, at a rate equal to one-month LIBOR plus 2.0%, (B) from the date of the Third Amendment until the date the administrative agent receives our financial statements for the quarter ending July 3, 2020, at a rate equal to either, at our option, (i) the highest of the prime rate, the Federal Funds Rate plus 0.5% or one-month LIBOR plus 1.00% (the “Base Rate”) or (ii) one-month LIBOR, in each case plus an applicable margin of 1.50% with respect to Base Rate borrowings and 2.50% with respect to LIBOR borrowings and (C) at all other times during the Covenant Relief Period, at a rate equal to either, at our option, (i) the Base Rate or (ii) one-month LIBOR, in each case plus an applicable margin ranging from 0.125% to 1.50% with respect to Base Rate borrowings and 1.125% to 2.50% with respect to LIBOR borrowings, depending on the Leverage Ratio; *provided*, that one-month LIBOR shall not be less than 0.75% during the Covenant Relief Period. During the Covenant Relief Period, we will pay a commitment fee for the unused portion of the Revolving Credit Facility and the delayed draw term loan facility, which ranges from 0.15% to 0.45% per annum depending on the Leverage Ratio, and fees on the face amount of any letters of credit outstanding under the Revolving Credit Facility, which range from 0.84% to 2.50% per annum, in each case, depending on whether such letter of credit is a performance or financial letter of credit and the Leverage Ratio.

After the Covenant Relief Period, borrowings under the Credit Agreement will bear interest at a rate equal to either, at our option, (i) the Base Rate or (ii) one-month LIBOR, in each case plus an applicable margin ranging from 0.125% to 1.00% with respect to Base Rate borrowings and 1.125% to 2.00% with respect to LIBOR borrowings, depending on the Leverage Ratio; *provided*, that one-month LIBOR shall not be less than 0.00%. After the Covenant Relief Period, we will pay a commitment fee for the unused portion of the Revolving Credit Facility and the delayed draft term loan facility, which will range from 0.15% to 0.35% per annum depending on the Leverage Ratio, and fees on the face amount of any letters of credit outstanding under the Revolving Credit Facility, which will range from 0.84% to 2.00% per annum, in each case, depending on whether such letter of credit is a performance or financial letter of credit and the Leverage Ratio.

On May 6, 2020, after giving effect to the Third Amendment and the effectiveness of the Covenant Relief Period, we had \$36.0 million in borrowing capacity available under our credit facilities.

The foregoing description of the Third Amendment is qualified in its entirety by reference to the full text of the Third Amendment which is attached as Exhibit 10.1 to this Quarterly Report on Form 10-Q and is incorporated herein by reference.

Subject to the terms and conditions hereof, each Lender, by its acceptance hereof, severally agrees to make a loan (together with the outstanding Existing Delayed Draw Term Loans so converted, individually a “*Term A Loan*” and collectively for all the Lenders the “*Term A Loans*”) in U.S. Dollars to the Borrower in an aggregate principal amount equal to such Lender’s Term A Loan Commitment. The Term A Loans shall be advanced in a single Borrowing on the Closing Date and shall be made ratably by the Lenders in proportion to their respective Term A Loan Percentages, at which time the Term A Loan Commitments shall expire; provided, that, with respect to any Continuing Lender holding a portion of the Existing Delayed Draw Term Loans, such Continuing Lender’s commitment to lend a portion of the Term A Loans to the Borrower on the Closing Date shall be deemed satisfied in an amount equal to its portion of the then outstanding Existing Delayed Draw Term Loans. As provided in Section 2.6(a) hereof, the Borrower may elect that the Term A Loans, or any other Term Loans, be outstanding as Base Rate Loans or Eurodollar Loans, it being understood that, notwithstanding any provision hereof to the contrary, the Term A Loans shall initially be Eurodollar Loans with an Interest Period of one month. No amount repaid or prepaid on the Term A Loans, or any other Term Loans, may be borrowed again.

(ii) Subject to the terms and conditions hereof, each Lender, by its acceptance hereof, severally agrees to make a loan or loans (individually a “*Delayed Draw Term Loan*” and collectively for all the Lenders the “*Delayed Draw Term Loans*”) in U.S. Dollars to the Borrower from time to time during the Delayed Draw Term Loan Availability Period in an aggregate principal amount not to exceed such Lender’s Delayed Draw Term Loan Commitment; provided, however, that, notwithstanding anything herein to the contrary, no Delayed Draw Term Loans shall be requested or made during the Covenant Relief Period. The Delayed Draw Term Loans shall be made ratably by the Lenders in proportion to their respective Delayed Draw Term Loan Percentages, at which time the Delayed Draw Term Loan Commitments shall expire to the extent contemplated by the immediately following sentence. The principal amount of the Delayed Draw Term Loans shall permanently reduce the amount available under the Delayed Draw Term Loan Commitments, and no amount repaid or prepaid on any Delayed Draw Term Loan may be borrowed again. As provided in Section 2.6(a) hereof, the Borrower may elect that the Delayed Draw Term Loans be outstanding as Base Rate Loans or Eurodollar Loans. Each Borrowing of Delayed Draw Term Loans shall be in a minimum amount of \$10,000,000, and there shall be no more than five (5) Borrowings of the Delayed Draw Term Loans during the Delayed Draw Term Loan Availability Period.

Section 2.2. Revolving Facility.

(a) *Revolving Credit Commitments.* On the Closing Date, the aggregate principal amount of the “Revolving Loans” outstanding under the Existing Credit Agreement (the “*Existing Revolving Loans*”), if any, shall be deemed to have been, and hereby is, converted into a portion of the outstanding Revolving Loans (as hereinafter defined) hereunder in like amount, without constituting a novation, and shall constitute a portion of the Revolving Loans for all purposes hereunder and under the other Loan Documents. The Loan Parties hereby represent, warrant,

agree, covenant and confirm that as of the Closing Date they have no defense, set off, claim or counterclaim against the Administrative Agent, any of the Lenders or any other Person with respect to their Obligations in respect of the Existing Revolving Loans. Subject to the terms and conditions hereof, each Lender, by its acceptance hereof, severally agrees to make a loan or loans (together with the Existing Revolving Loans, so converted, individually a “*Revolving Loan*” and collectively for all the Lenders the “*Revolving Loans*”) in U.S. Dollars to the Borrower from time to time on a revolving basis up to the amount of such Lender’s Revolving Credit Commitment, subject to any reductions thereof pursuant to the terms hereof, before the Revolving Credit Termination Date. The sum of the aggregate principal amount of Revolving Loans, Swingline Loans, and L/C Obligations at any time outstanding shall not exceed the Revolving Credit Commitments in effect at such time. Each Borrowing of Revolving Loans shall be made ratably by the Lenders in proportion to their respective Revolver Percentages. As provided in Section 2.6(a), the Borrower may elect that each Borrowing of Revolving Loans be either Base Rate Loans or Eurodollar Loans. Revolving Loans may be repaid and the principal amount thereof reborrowed before the Revolving Credit Termination Date, subject to the terms and conditions hereof.

(b) *Swingline Loans.* (i) *Generally.* Subject to the terms and conditions hereof, as part of the Revolving Facility, the Swingline Lender may, in its sole discretion, make loans in U.S. Dollars to the Borrower under the Swingline (individually a “*Swingline Loan*” and collectively the “*Swingline Loans*”) which shall not in the aggregate at any time outstanding exceed the Swingline Sublimit. Swingline Loans may be availed of from time to time and borrowings thereunder may be repaid and used again during the period ending on the Revolving Credit Termination Date. Except to the extent the Swingline Lender agrees to a lower amount, each Swingline Loan shall be in a minimum amount of \$100,000 or such greater amount which is an integral multiple of \$50,000; *provided that*, for the avoidance of doubt, the foregoing minimum amounts shall not apply to Swingline Loans made pursuant to a Sweep to Loan Arrangement. Each Swingline Loan shall bear interest until maturity (whether by acceleration or otherwise) at a rate per annum equal to either (x) the rate per annum for Base Rate Loans under the Revolving Facility as from time to time in effect or (y) the Swingline Lender’s Quoted Rate (computed on the basis of a year of 360 days for the actual number of days elapsed) pursuant to subsection (ii) below. Interest on each Swingline Loan shall be due and payable by the Borrower on each Interest Payment Date and on the Revolving Credit Termination Date.

(ii) *Requests for Swingline Loans.* The Borrower shall give the Administrative Agent prior notice (which may be written or oral) no later than 3:00 p.m. (Chicago time) on the date upon which the Borrower requests that any Swingline Loan be made, of the amount and date of such Swingline Loan, and, if applicable, the Interest Period requested therefor. The Administrative Agent shall promptly advise the Swingline Lender of any such notice received from the Borrower. Thereafter, the Swingline Lender shall notify the Administrative Agent (who shall thereafter promptly notify the Borrower) whether or not it has elected to make such Swingline Loan. If the Swingline Lender agrees to make such Swingline Loan, it may in its discretion quote an interest rate to the Borrower at which the Swingline Lender would be willing to make such Swingline Loan available to the Borrower for the Interest Period so requested (the rate so quoted for a given Interest Period being herein referred to as “*Swingline Lender’s Quoted Rate*”). The Borrower acknowledges and agrees that the interest rate quote is given for immediate and irrevocable acceptance. If the Borrower does not so immediately accept the Swingline Lender’s Quoted Rate

for the full amount requested by the Borrower for such Swingline Loan, the Swingline Lender's Quoted Rate shall be deemed immediately withdrawn. If the Swingline Lender's Quoted Rate is not accepted or otherwise does not apply, such Swingline Loan shall bear interest at the rate per annum for Base Rate Loans under the Revolving Facility as from time to time in effect. Subject to the terms and conditions hereof, the proceeds of each Swingline Loan extended to the Borrower shall be deposited or otherwise wire transferred to the Borrower's Designated Disbursement Account or as the Borrower, the Administrative Agent, and the Swingline Lender may otherwise agree. Anything contained in the foregoing to the contrary notwithstanding, the undertaking of the Swingline Lender to make Swingline Loans shall be subject to all of the terms and conditions of this Agreement (provided that the Swingline Lender shall be entitled to assume that the conditions precedent to an advance of any Swingline Loan have been satisfied unless notified to the contrary by the Administrative Agent or the Required Lenders).

(iii) *Refunding Swingline Loans.* Without regard to the notice requirements of Section 2.6(a) or minimum borrowing amounts under Section 2.5 and in its sole and absolute discretion, the Swingline Lender may at any time, on behalf of the Borrower (which hereby irrevocably authorizes the Swingline Lender to act on its behalf for such purpose) and with notice to the Borrower and the Administrative Agent, request each Lender to make a Revolving Loan in the form of a Base Rate Loan in an amount equal to such Lender's Revolver Percentage of the amount of the Swingline Loans outstanding on the date such notice is given (which Loans shall thereafter bear interest as provided for in Section 2.4(a)). Unless an Event of Default described in Section 9.1(j) or 9.1(k) exists with respect to the Borrower, regardless of the existence of any other Event of Default, each Lender shall make the proceeds of its requested Revolving Loan available to the Administrative Agent for the account of the Swingline Lender, in immediately available funds, at the Administrative Agent's office in Chicago, Illinois (or such other location designated by the Administrative Agent), before 12:00 Noon (Chicago time) on the Business Day following the day such notice is given. The Administrative Agent shall promptly remit the proceeds of such Borrowing to the Swingline Lender to repay the outstanding Swingline Loans.

(iv) *Participation in Swingline Loans.* If any Lender refuses or otherwise fails to make a Revolving Loan when requested by the Swingline Lender pursuant to Section 2.2(b)(iii) above (because an Event of Default described in Section 9.1(j) or 9.1(k) exists with respect to the Borrower or otherwise), such Lender will, by the time and in the manner such Revolving Loan was to have been funded to the Swingline Lender, purchase from the Swingline Lender an undivided participating interest in the outstanding Swingline Loans in an amount equal to its Revolver Percentage of the aggregate principal amount of Swingline Loans that were to have been repaid with such Revolving Loans. From and after the date of any such purchase, the parties hereto hereby acknowledge and agree that such Swingline Loans shall thereafter bear interest as Base Rate Loans as provided for in Section 2.2(b)(i)(x) above). Each Lender that so purchases a participation in a Swingline Loan shall thereafter be entitled to receive its Revolver Percentage of each payment of principal received on the Swingline Loan and of interest received thereon accruing from the date such Lender funded to the Swingline Lender its participation in such Loan. The several obligations of the Lenders under this Section shall be absolute, irrevocable, and unconditional under any and all circumstances whatsoever and shall not be subject to any set-off, counterclaim or defense to payment which any Lender may have or have had against the Borrower, any other Lender, or any other Person whatsoever. Without limiting the generality of the

foregoing, such obligations shall not be affected by any Default or by any reduction or termination of the Commitments of any Lender, and each payment made by a Lender under this Section shall be made without any offset, abatement, withholding, or reduction whatsoever.

(v) *Sweep to Loan Arrangement.* So long as a Sweep to Loan Arrangement is in effect, and subject to the terms and conditions thereof, Swingline Loans may be advanced and prepaid hereunder notwithstanding any notice, minimum amount, or funding and payment location requirements hereunder for any advance of Swingline Loans or for any prepayment of any Swingline Loans. The making of any such Swingline Loans shall otherwise be subject to the other terms and conditions of this Agreement. The Swingline Lender shall have the right in its sole discretion to suspend or terminate the making and/or prepayment of Swingline Loans pursuant to such Sweep to Loan Arrangement with notice to the Sweep Depository and the Borrower (which may be provided on a same-day basis), whether or not any Default exists. The Swingline Lender shall not be liable to the Borrower or any other Person for any losses directly or indirectly resulting from events beyond the Swingline Lender's reasonable control, including without limitation any interruption of communications or data processing services or legal restriction or for any special, indirect, consequential or punitive damages in connection with any Sweep to Loan Arrangement.

Section 2.3. *Letters of Credit.*

(a) *General Terms.* Subject to the terms and conditions hereof, as part of the Revolving Facility, the L/C Issuer shall issue standby and commercial letters of credit (each a "*Letter of Credit*") for the account of the Borrower or for the account of the Borrower and one or more of its Subsidiaries in an aggregate undrawn face amount up to the L/C Sublimit. Each Letter of Credit shall be issued by the L/C Issuer, but each Lender shall be obligated to reimburse the L/C Issuer for such Lender's Revolver Percentage of the amount of each drawing thereunder and, accordingly, Letters of Credit shall constitute usage of the Revolving Credit Commitment of each Lender pro rata in an amount equal to its Revolver Percentage of the L/C Obligations then outstanding. Notwithstanding anything herein to the contrary, the Existing Letters of Credit shall each constitute a "*Letter of Credit*" herein for all purposes of this Agreement with the applicable Borrower or Subsidiary as the applicant therefor, to the same extent, and with the same force and effect as if the Existing Letters of Credit had been issued under this Agreement at the request of the Borrower.

(b) *Applications.* At any time before the Revolving Credit Termination Date, the L/C Issuer shall, at the request of the Borrower, issue one or more Letters of Credit in U.S. Dollars, in a form satisfactory to the L/C Issuer, with expiration dates no later than the earlier of 12 months from the date of issuance (or which are cancelable not later than 12 months from the date of issuance and each renewal) or ten (10) days prior to the Revolving Credit Termination Date (except to the extent the Borrower delivers Cash Collateral as set forth below), in an aggregate face amount as set forth above, upon the receipt of an application duly executed by the Borrower and, if such Letter of Credit is for the account of one of its Subsidiaries, such Subsidiary for the relevant Letter of Credit, in the form then customarily prescribed by the L/C Issuer for the Letter of Credit requested (each an "*Application*"). If any L/C Issuer issues or has issued any Letter of Credit with an expiration date that occurs after the date ten (10) days prior to the Revolving Credit Termination Date (or the expiration date of which is automatically extended to a date after the date ten (10) days prior to the Revolving Credit Termination Date), the Borrower shall, not later than the date

ten (10) days prior to the Revolving Credit Termination Date, deliver to the Administrative Agent, without notice or demand, Cash Collateral in an amount equal to 105% of the face amount of each such Letter of Credit, to be held in accordance with Section 9.4 hereof. Notwithstanding anything contained in any Application to the contrary: (i) the Borrower shall pay fees in connection with each Letter of Credit as set forth in Section 3.1(b), (ii) except as otherwise provided herein or in Sections 2.8, 2.13 or 2.14, unless an Event of Default exists, the L/C Issuer will not call for the funding by the Borrower of any amount under a Letter of Credit before being presented with a drawing thereunder, and (iii) if the L/C Issuer is not timely reimbursed for the amount of any drawing under a Letter of Credit on the date such drawing is paid, except as otherwise provided for in Section 2.6(c), the Borrower's obligation to reimburse the L/C Issuer for the amount of such drawing shall bear interest (which the Borrower hereby promises to pay) from and after the date such drawing is paid at a rate per annum equal to the sum of the Applicable Margin plus the Base Rate from time to time in effect (computed on the basis of a year of 365 or 366 or 360 days, as the case may be, and the actual number of days elapsed as further set forth in Section 2.4(a) hereof). If the L/C Issuer issues any Letter of Credit with an expiration date that is automatically extended unless the L/C Issuer gives notice that the expiration date will not so extend beyond its then scheduled expiration date, unless the Administrative Agent or the Required Lenders instruct the L/C Issuer otherwise, the L/C Issuer will give such notice of non-renewal before the time necessary to prevent such automatic extension if before such required notice date: (i) the expiration date of such Letter of Credit if so extended would be after ten (10) days prior to the Revolving Credit Termination Date (except to the extent Cash Collateralized as provided above), (ii) the Revolving Credit Commitments have been terminated, or (iii) an Event of Default exists and either the Administrative Agent or the Required Lenders (with notice to the Administrative Agent) have given the L/C Issuer instructions not to so permit the extension of the expiration date of such Letter of Credit. The L/C Issuer agrees to issue amendments to the Letter(s) of Credit increasing the amount, or extending the expiration date, thereof at the request of the Borrower subject to the conditions of Section 7 and the other terms of this Section.

(c) *The Reimbursement Obligations.* Subject to Section 2.3(b), the obligation of the Borrower to reimburse the L/C Issuer for all drawings under a Letter of Credit (a "*Reimbursement Obligation*") shall be governed by the Application related to such Letter of Credit, except that reimbursement shall be made by no later than 12:00 Noon (Chicago time) on the date when each drawing is to be paid if the Borrower has been informed of such drawing by the L/C Issuer on or before 11:00 a.m. (Chicago time) on the date when such drawing is to be paid or, if notice of such drawing is given to the Borrower after 11:00 a.m. (Chicago time) on the date when such drawing is to be paid, by no later than 12:00 Noon (Chicago time) on the following Business Day, in immediately available funds at the Administrative Agent's principal office in Chicago, Illinois, or such other office as the Administrative Agent may designate in writing to the Borrower (who shall thereafter cause to be distributed to the L/C Issuer such amount(s) in like funds). If the Borrower does not make any such reimbursement payment on the date due and the Participating Lenders fund their participations therein in the manner set forth in Section 2.3(e) below, then all payments thereafter received by the Administrative Agent in discharge of any of the relevant Reimbursement Obligations shall be distributed in accordance with Section 2.3(e) below.

(d) *Obligations Absolute.* The Borrower's obligation to reimburse L/C Obligations shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the

terms of this Agreement and the relevant Application under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the L/C Issuer under a Letter of Credit against presentation of a draft or other document that does not strictly comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, or the L/C Issuer shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the L/C Issuer; *provided* that the foregoing shall not be construed to excuse the L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower and each other Loan Party to the extent permitted by applicable law) suffered by the Borrower or any Loan Party that are caused by the L/C Issuer's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the L/C Issuer (as determined by a court of competent jurisdiction by final and nonappealable judgment), the L/C Issuer shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the L/C Issuer may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(e) *The Participating Interests.* Each Lender (other than the Lender acting as L/C Issuer in issuing the relevant Letter of Credit), by its acceptance hereof, severally agrees to purchase from the L/C Issuer, and the L/C Issuer hereby agrees to sell to each such Lender (a "*Participating Lender*"), an undivided percentage participating interest (a "*Participating Interest*"), to the extent of its Revolver Percentage, in each Letter of Credit issued by, and each Reimbursement Obligation owed to, the L/C Issuer. Upon any failure by the Borrower to pay any Reimbursement Obligation at the time required on the date the related drawing is to be paid, as set forth in Section 2.3(c) above, or if the L/C Issuer is required at any time to return to the Borrower or to a trustee, receiver, liquidator, custodian or other Person any portion of any payment of any Reimbursement Obligation, each Participating Lender shall, not later than the Business Day it receives a certificate in the form of Exhibit A hereto from the L/C Issuer (with a copy to the Administrative Agent) to such effect, if such certificate is received before 1:00 p.m. (Chicago time), or not later than 1:00 p.m. (Chicago time) the following Business Day, if such certificate is received after such time, pay to the Administrative Agent for the account of the L/C Issuer an amount equal to such Participating

Lender's Revolver Percentage of such unpaid or recaptured Reimbursement Obligation together with interest on such amount accrued from the date the related payment was made by the L/C Issuer to the date of such payment by such Participating Lender at a rate per annum equal to: (i) from the date the related payment was made by the L/C Issuer to the date two (2) Business Days after payment by such Participating Lender is due hereunder, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation for each such day and (ii) from the date two (2) Business Days after the date such payment is due from such Participating Lender to the date such payment is made by such Participating Lender, the Base Rate in effect for each such day. Each such Participating Lender shall thereafter be entitled to receive its Revolver Percentage of each payment received in respect of the relevant Reimbursement Obligation and of interest paid thereon, with the L/C Issuer retaining its Revolver Percentage thereof as a Lender hereunder. The several obligations of the Participating Lenders to the L/C Issuer under this Section shall be absolute, irrevocable, and unconditional under any and all circumstances whatsoever and shall not be subject to any set-off, counterclaim or defense to payment which any Participating Lender may have or have had against the Borrower, the L/C Issuer, the Administrative Agent, any Lender or any other Person whatsoever. Without limiting the generality of the foregoing, such obligations shall not be affected by any Default or by any reduction or termination of any Commitment of any Lender, and each payment by a Participating Lender under this Section shall be made without any offset, abatement, withholding or reduction whatsoever.

(f) *Indemnification.* The Participating Lenders shall, to the extent of their respective Revolver Percentages, indemnify the L/C Issuer (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from such L/C Issuer's gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment) that the L/C Issuer may suffer or incur in connection with any Letter of Credit issued by it. The obligations of the Participating Lenders under this subsection (f) and all other parts of this Section shall survive termination of this Agreement and of all Applications, Letters of Credit, and all drafts and other documents presented in connection with drawings thereunder.

(g) *Manner of Requesting a Letter of Credit.* The Borrower shall provide at least five (5) Business Days' advance written notice to the Administrative Agent of each request for the issuance of a Letter of Credit, such notice in each case to be accompanied by an Application for such Letter of Credit properly completed and executed by the Borrower, and, in the case of an extension or amendment or an increase in the amount of a Letter of Credit, a written request therefor, in a form acceptable to the Administrative Agent and the L/C Issuer, in each case, together with the fees called for by this Agreement. The Administrative Agent shall promptly notify the L/C Issuer of the Administrative Agent's receipt of each such notice (and the L/C Issuer shall be entitled to assume that the conditions precedent to any such issuance, extension, amendment or increase have been satisfied unless notified to the contrary by the Administrative Agent or the Required Lenders) and the L/C Issuer shall promptly notify the Administrative Agent and the Lenders of the issuance of the Letter of Credit so requested.

(h) *Replacement of the L/C Issuer.* The L/C Issuer may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced L/C Issuer, and the

successor L/C Issuer. The Administrative Agent shall notify the Lenders of any such replacement of the L/C Issuer. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced L/C Issuer. From and after the effective date of any such replacement (i) the successor L/C Issuer shall have all the rights and obligations of the L/C Issuer under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "L/C Issuer" shall be deemed to refer to such successor or to any previous L/C Issuer, or to such successor and all previous L/C Issuers, as the context shall require. After the replacement of an L/C Issuer hereunder, the replaced L/C Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

Section 2.4. Applicable Interest Rates.

(a) *Base Rate Loans.* Each Base Rate Loan made or maintained by a Lender shall bear interest (computed on the basis of a year of 365 or 366 days, as the case may be (360 days, in the case of clause (c) of the definition of Base Rate relating to the LIBOR Quoted Rate), and the actual days elapsed on the unpaid principal amount thereof from the date such Loan is advanced, or created by conversion from a Eurodollar Loan, until maturity (whether by acceleration or otherwise) at a rate per annum equal to the sum of the Applicable Margin plus the Base Rate from time to time in effect, payable by the Borrower on each Interest Payment Date and at maturity (whether by acceleration or otherwise).

(b) *Eurodollar Loans.* Each Eurodollar Loan made or maintained by a Lender shall bear interest during each Interest Period it is outstanding (computed on the basis of a year of 360 days and actual days elapsed) on the unpaid principal amount thereof from the date such Loan is advanced or continued, or created by conversion from a Base Rate Loan, until maturity (whether by acceleration or otherwise) at a rate per annum equal to the sum of the Applicable Margin plus the Adjusted LIBOR applicable for such Interest Period, payable by the Borrower on each Interest Payment Date and at maturity (whether by acceleration or otherwise).

(c) *Rate Determinations.* The Administrative Agent shall determine each interest rate applicable to the Loans and the Reimbursement Obligations hereunder, and its determination thereof shall be conclusive and binding except in the case of manifest error.

Section 2.5. Minimum Borrowing Amounts; Maximum Eurodollar Loans. Except for Swingline Loans (which are governed by Section 2.2(b)(i)) and refundings of Swingline Loans with Revolving Loans pursuant to Section 2.2(b)(iii), each Borrowing of Base Rate Loans advanced under a Facility shall be in a minimum amount of \$100,000. Each Borrowing of Eurodollar Loans advanced, continued or converted under a Facility shall be in an amount equal to \$150,000 or such greater amount which is an integral multiple of \$150,000. Without the Administrative Agent's consent, there shall not be more than five (5) Borrowings of Eurodollar Loans outstanding hereunder at any one time.

Section 2.6. *Manner of Borrowing Loans and Designating Applicable Interest Rates.*

(a) *Notice to the Administrative Agent.* Except for Swingline Loans (which are governed by Section 2.2(b)(i)) and refundings of Swingline Loans with Revolving Loans pursuant to Section 2.2(b)(iii), the Borrower shall give notice to the Administrative Agent by no later than 12:00 Noon (Chicago time): (i) at least three (3) Business Days before the date on which the Borrower requests the Lenders to advance a Borrowing of Eurodollar Loans and (ii) on the date the Borrower requests the Lenders to advance a Borrowing of Base Rate Loans. The Loans included in each Borrowing shall bear interest initially at the type of rate specified in such notice of a new Borrowing. Thereafter, subject to the terms and conditions hereof, the Borrower may from time to time elect to change or continue the type of interest rate borne by each Borrowing or, subject to the minimum amount requirement for each outstanding Borrowing set forth in Section 2.5, a portion thereof, as follows: (i) if such Borrowing is of Eurodollar Loans, on the last day of the Interest Period applicable thereto, the Borrower may continue part or all of such Borrowing as Eurodollar Loans or convert part or all of such Borrowing into Base Rate Loans or (ii) if such Borrowing is of Base Rate Loans, on any Business Day, the Borrower may convert all or part of such Borrowing into Eurodollar Loans for an Interest Period or Interest Periods specified by the Borrower. The Borrower shall give all such notices requesting the advance, continuation or conversion of a Borrowing to the Administrative Agent by telephone, telecopy, or other telecommunication device acceptable to the Administrative Agent (which notice shall be irrevocable once given and, if by telephone, shall be promptly confirmed in writing in a manner acceptable to the Administrative Agent), substantially in the form attached hereto as Exhibit B (Notice of Borrowing) or Exhibit C (Notice of Continuation/Conversion), as applicable, or in such other form acceptable to the Administrative Agent. Notice of the continuation of a Borrowing of Eurodollar Loans for an additional Interest Period or of the conversion of part or all of a Borrowing of Base Rate Loans into Eurodollar Loans must be given by no later than 12:00 Noon (Chicago time) at least three (3) Business Days before the date of the requested continuation or conversion. All such notices concerning the advance, continuation or conversion of a Borrowing shall specify the date of the requested advance, continuation or conversion of a Borrowing (which shall be a Business Day), the amount of the requested Borrowing to be advanced, continued or converted, the type of Loans to comprise such new, continued or converted Borrowing and, if such Borrowing is to be comprised of Eurodollar Loans, the Interest Period applicable thereto. Upon notice to the Borrower by the Administrative Agent or the Required Lenders (or, in the case of an Event of Default under Section 9.1(j) or 9.1(k) with respect to the Borrower, without notice), no Borrowing of Eurodollar Loans shall be advanced, continued, or created by conversion if any Event of Default then exists. The Borrower agrees that the Administrative Agent may rely on any such telephonic, telecopy or other telecommunication notice given by any person the Administrative Agent in good faith believes is an Authorized Representative without the necessity of independent investigation, and in the event any such notice by telephone conflicts with any written confirmation such telephonic notice shall govern if the Administrative Agent has acted in reliance thereon.

(b) *Notice to the Lenders.* The Administrative Agent shall give prompt telephonic, telecopy or other telecommunication notice to each Lender of any notice from the Borrower received pursuant to Section 2.6(a) above and, if such notice requests the Lenders to make Eurodollar Loans, the Administrative Agent shall give notice to the Borrower and each Lender by like means of the interest rate applicable thereto promptly after the Administrative Agent has made

such determination.

(c) *Borrower's Failure to Notify.* If the Borrower fails to give notice pursuant to Section 2.6(a) above of the continuation or conversion of any outstanding principal amount of a Borrowing of Eurodollar Loans before the last day of its then current Interest Period within the period required by Section 2.6(a) and such Borrowing is not prepaid in accordance with Section 2.8(a), such Borrowing shall automatically be converted into a Borrowing of Base Rate Loans. In the event the Borrower fails to give notice pursuant to Section 2.6(a) above of a Borrowing equal to the amount of a Reimbursement Obligation and has not notified the Administrative Agent by 12:00 Noon (Chicago time) on the day such Reimbursement Obligation becomes due that it intends to repay such Reimbursement Obligation through funds not borrowed under this Agreement, the Borrower shall be deemed to have requested a Borrowing of Base Rate Loans under the Revolving Facility (or, at the option of the Swingline Lender, under the Swingline) on such day in the amount of the Reimbursement Obligation then due, which Borrowing shall be applied to pay the Reimbursement Obligation then due.

(d) *Disbursement of Loans.* Not later than 1:00 p.m. (Chicago time) on the date of any requested advance of a new Borrowing, subject to Section 7, each Lender shall make available its Loan comprising part of such Borrowing in funds immediately available at the principal office of the Administrative Agent in Chicago, Illinois (or at such other location as the Administrative Agent shall designate). The Administrative Agent shall make the proceeds of each new Borrowing received from each Lender available to the Borrower at the Administrative Agent's principal office in Chicago, Illinois (or at such other location as the Administrative Agent shall designate), by depositing or wire transferring such proceeds to the credit of the Designated Disbursement Account of the Borrower requesting the Loan or as the Borrower and the Administrative Agent may otherwise agree.

(e) *Administrative Agent Reliance on Lender Funding.* Unless the Administrative Agent shall have been notified by a Lender prior to (or, in the case of a Borrowing of Base Rate Loans, by 1:00 p.m. (Chicago time) on) the date on which such Lender is scheduled to make payment to the Administrative Agent of the proceeds of a Loan (which notice shall be effective upon receipt) that such Lender does not intend to make such payment, the Administrative Agent may assume that such Lender has made such payment when due and the Administrative Agent may in reliance upon such assumption (but shall not be required to) make available to the Borrower the proceeds of the Loan to be made by such Lender and, if any Lender has not in fact made such payment to the Administrative Agent, such Lender shall, on demand, pay to the Administrative Agent the amount made available to the Borrower attributable to such Lender together with interest thereon in respect of each day during the period commencing on the date such amount was made available to the Borrower and ending on (but excluding) the date such Lender pays such amount to the Administrative Agent at a rate per annum equal to: (i) from the date the related advance was made by the Administrative Agent to the date two (2) Business Days after payment by such Lender is due hereunder, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation for each such day and (ii) from the date two (2) Business Days after the date such payment is due from such Lender to the date such payment is made by such Lender, the Base Rate in effect for each such day. If such amount is not received from such Lender by the Administrative Agent immediately upon demand,

the Borrower will, on demand, repay to the Administrative Agent the proceeds of the Loan attributable to such Lender with interest thereon at a rate per annum equal to the interest rate applicable to the relevant Loan, but without such payment being considered a payment or prepayment of a Loan under Section 4.5 so that the Borrower will have no liability under such Section with respect to such payment. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.7. Payment and Maturity of Loans.

(a) *Scheduled Payments of Term A Loans.* The Borrower shall make principal payments on the Term A Loans in installments of \$2,500,000 on the last day of each Fiscal Quarter of the Borrower ending prior to the Term A Loan Maturity Date, commencing with the Fiscal Quarter ending September 27, 2019 (as such amount may be reduced from time to time pursuant to the terms of Section 2.8), with a final payment of all principal and interest not sooner paid on the Term A Loans due and payable on the Term A Loan Maturity Date. Each such principal payment shall be applied to the Lenders holding the Term A Loans pro rata based upon their Term A Loan Percentages.

(b) *Scheduled Payments of Delayed Draw Term Loans.* The Borrower shall make principal payments on such Delayed Draw Term Loans in installments on the last day of each Fiscal Quarter of the Borrower ending prior to the Delayed Draw Term Loan Maturity Date, commencing with the first full Fiscal Quarter ending after the initial Borrowing of Delayed Draw Term Loans hereunder, with the amount of each such principal installment to equal two and one half of one percentage (2.50%) of the aggregate outstanding principal balance of such Delayed Draw Term Loans as of the day such installment is to be paid. All principal and interest not sooner paid on the Delayed Draw Term Loans shall be due and payable on the Delayed Draw Term Loan Maturity Date. Each principal payment made pursuant to this Section 2.7(b) shall be applied to the Delayed Draw Term Loans held by each Lender pro rata based upon their Delayed Draw Term Loan Percentages.

(c) *Revolving Loans and Swingline Loans.* Each Revolving Loan and Swingline Loan, both for principal and interest not sooner paid, shall mature and be due and payable by the Borrower on the Revolving Credit Termination Date.

Section 2.8. Prepayments.

(a) *Optional.* Subject to Section 2.2(b)(v), the Borrower may prepay the Loans in whole or in part (but, if in part, then: (i) if such Borrowing is of Base Rate Loans, in an amount not less than \$100,000, (ii) if such Borrowing is of Eurodollar Loans, in an amount not less than \$500,000, and (iii) in each case, in an amount such that the minimum amount required for a Borrowing pursuant to Sections 2.2(b) and 2.5 remains outstanding) upon not less than three (3) Business Days prior notice by the Borrower to the Administrative Agent in the case of any prepayment of a Borrowing of Eurodollar Loans and notice delivered by the Borrower to the Administrative Agent no later than 12:00 Noon (Chicago time) on the date of prepayment in the case of a Borrowing of Base Rate Loans (or, in any case, such shorter period of time then agreed to by the Administrative

Agent), without penalty or premium (except amounts due under Section 4.5) such prepayment to be made by the payment of the principal amount to be prepaid and, in the case of any Term Loans or Eurodollar Loans or Swingline Loans, accrued interest thereon to the date fixed for prepayment plus any amounts due the Lenders under Section 4.5.

(b) *Mandatory.* (i) If at any time the sum of the unpaid principal balance of the Swingline Loans, Revolving Loans, and the L/C Obligations then outstanding shall be in excess of the aggregate Revolving Credit Commitments then in effect, the Borrower shall immediately and without notice or demand pay over the amount of the excess to the Administrative Agent for the account of the Lenders as and for a mandatory prepayment on such Obligations, with each such prepayment first to be applied to the Swingline Loans and Revolving Loans until paid in full with any remaining balance to be held by the Administrative Agent in the Collateral Account as security for the L/C Obligations.

(ii) If the Borrower or any Subsidiary shall at any time or from time to time make or agree to make a Disposition or shall suffer an Event of Loss with respect to any Property, then the Borrower shall promptly notify the Administrative Agent of such proposed Disposition or Event of Loss (including the amount of the estimated Net Cash Proceeds to be received by the Borrower or such Subsidiary in respect thereof) and, promptly upon receipt by the Borrower or such Subsidiary of the Net Cash Proceeds of such Disposition or Event of Loss, the Borrower shall prepay the Obligations in an aggregate amount equal to 100% of the amount of all such Net Cash Proceeds; *provided* that (x) so long as no Default then exists, this subsection shall not require any such prepayment with respect to Net Cash Proceeds received on account of an Event of Loss so long as such Net Cash Proceeds are applied to reinvest in fixed or capital assets used or useful in the Borrower's or another Loan Party's business in accordance with this paragraph, (y) this subsection shall not require any such prepayment with respect to Net Cash Proceeds received on account of Dispositions during any Fiscal Year of the Borrower not exceeding \$200,000 in the aggregate so long as no Default then exists, and (z) in the case of any Disposition not covered by clause (y) above and any Event of Loss, so long as no Default then exists, if the Borrower states in its notice of such event that the Borrower or the relevant Subsidiary intends to reinvest, within 180 days of the applicable Disposition or Event of Loss, as applicable, the Net Cash Proceeds thereof in fixed or capital assets used or useful in the Borrower's or another Loan Party's business, then the Borrower shall not be required to make a mandatory prepayment under this subsection in respect of such Net Cash Proceeds to the extent such Net Cash Proceeds are actually reinvested in such assets with such 180-day period. Promptly after the end of such 180-day period, the Borrower shall notify the Administrative Agent whether the Borrower or such Loan Party has reinvested such Net Cash Proceeds in such assets, and, to the extent such Net Cash Proceeds have not been so reinvested, the Borrower shall promptly prepay the Obligations in the amount of such Net Cash Proceeds not so reinvested. If the Administrative Agent or the Required Lenders so request, all proceeds of such Disposition or Event of Loss shall be deposited with the Administrative Agent (or its agent) and held by it in the Collateral Account. So long as no Default exists, the Administrative Agent is authorized to disburse amounts representing such proceeds from the Collateral Account to or at the Borrower's direction for application to or reimbursement for the costs of reinvesting in such assets.

(iii) If after the Closing Date any Loan Party shall issue new equity securities (whether

common or preferred stock or otherwise), other than Excluded Equity Issuances, the Borrower shall promptly notify the Administrative Agent of the estimated Net Cash Proceeds of such issuance to be received by or for the account of such Loan Party in respect thereof. Promptly upon receipt by such Loan Party of Net Cash Proceeds of such issuance, the Borrower shall prepay the Obligations in an aggregate amount equal to 100% of the amount of such Net Cash Proceeds. The Borrower acknowledges that its performance hereunder shall not limit the rights and remedies of the Lenders for any breach of Section 8.11 (Maintenance of Subsidiaries) or Section 9.1(i) (Change of Control) or any other terms of the Loan Documents.

(iv) If after the Closing Date any Loan Party shall issue any Indebtedness, other than Indebtedness permitted by Section 8.7 hereof, the Borrower shall promptly notify the Administrative Agent of the estimated Net Cash Proceeds of such issuance to be received by or for the account of such Loan Party in respect thereof. Promptly upon receipt by such Loan Party of Net Cash Proceeds of such issuance, the Borrower shall prepay the Obligations in an aggregate amount equal to 100% of the amount of such Net Cash Proceeds. The Borrower acknowledges that its performance hereunder shall not limit the rights and remedies of the Lenders for any breach of Section 8.7 or any other terms of the Loan Documents.

(v) Within three (3) Business Days after receipt of the Borrower's year-end audited financial statements, and in any event within 125 days after the end of each Fiscal Year of the Borrower (commencing with the Fiscal Year of the Borrower ending on or about December 31, 2020), the Borrower shall prepay the Obligations by an amount equal to 50% (the "*Prepayment Percentage*") of Excess Cash Flow of the Borrower and its Subsidiaries for such Fiscal Year less the aggregate amount of voluntary prepayments of principal of Term Loans and voluntary prepayments of principal of Revolving Loans (to the extent such voluntary prepayment of Revolving Loans is accompanied by a concurrent permanent reduction of the Revolving Credit Commitment) made by the Borrower pursuant to Section 2.8(a) hereof; *provided, however*, that the Prepayment Percentage shall be reduced to 25% for any Fiscal Year of the Borrower with respect to which the Total Leverage Ratio as of the last day of such Fiscal Year of the Borrower (as evidenced by financial statements and compliance certificates provided to the Administrative Agent for the relevant Fiscal Year in accordance with Section 8.5 hereof) is less than 2.0 to 1.0; *provided further, however*, that the Prepayment Percentage shall be reduced to 0% for any Fiscal Year of the Borrower with respect to which the Total Leverage Ratio as of the last day of such Fiscal Year of the Borrower (as evidenced by financial statements and compliance certificates provided to the Administrative Agent for the relevant Fiscal Year in accordance with Section 8.5 hereof) is less than 1.0 to 1.0.

(vi) If after the Closing Date, (A) the Borrower or any other Loan Party shall receive any payment in connection with a claim under the Luna R&W Insurance Policy or any similar insurance policy issued in connection with any Acquisition (but in any event excluding any amounts so received that are applied, or to be applied, by the Borrower or such other Loan Party for the purpose of (i) payment of (or reimbursement of payments made for) claims and settlements to third Persons that are not Affiliates of a Loan Party, or (ii) covering any out-of-pocket expenses (including out-of-pocket legal expenses and any taxes) incurred by the Borrower or such other Loan Party in connection with obtaining such insurance payment or remediating any damages caused by any matter related to such claim under such insurance policy) (each such payment, a

“R&W Insurance Policy Payment”), then the Borrower shall, within three (3) Business Days after receipt thereof, prepay the Obligations in an aggregate amount equal to 100% of the amount of such R&W Insurance Policy Payment.

(vii) The amount of each such prepayment under clauses (ii), (iii), (iv), (v) and (vi) of this Section 2.8(b) shall be applied (A) first to the outstanding Term Loans (to be applied on a ratable basis among the Term A Loans, the Delayed Draw Term Loans and Incremental Term Loans (if any) based on the outstanding principal amounts thereof) until paid in full and (B) then, without a reduction of the Revolving Credit Commitments, to the Swingline Loans and Revolving Loans until paid in full with any remaining balance to be held by the Administrative Agent in the Collateral Account as security for the L/C Obligations in accordance with Section 9.4. Unless the Borrower otherwise directs, prepayments of Loans under this Section 2.8(b) shall be applied first to Borrowings of Base Rate Loans until payment in full thereof with any balance applied to Borrowings of Eurodollar Loans in the order in which their Interest Periods expire. Each prepayment of Loans under this Section 2.8(b) shall be made by the payment of the principal amount to be prepaid and, in the case of any Term Loans or Eurodollar Loans or Swingline Loans, accrued interest thereon to the date of prepayment together with any amounts due the Lenders under Section 4.5.

(c) *Generally.* Any amount of Swingline Loans and Revolving Loans paid or prepaid before the Revolving Credit Termination Date may, subject to the terms and conditions of this Agreement, be borrowed, repaid and borrowed again. No amount of the Term Loans paid or prepaid may be reborrowed, and, in the case of any partial prepayment, such prepayment shall be applied to the remaining payments on the relevant Term Loans in the inverse order of maturity.

Section 2.9. Default Rate. Notwithstanding anything to the contrary contained herein, while any Event of Default exists or after acceleration, the Borrower shall pay interest (after as well as before entry of judgment thereon to the extent permitted by law) on the principal amount of all Loans and Reimbursement Obligations, letter of credit fees and other amounts at a rate per annum equal to:

(a) for any Base Rate Loan or any Swingline Loan bearing interest based on the Base Rate, the sum of 2.0% *plus* the Applicable Margin *plus* the Base Rate from time to time in effect;

(b) for any Eurodollar Loan or any Swingline Loan bearing interest at the Swingline Lender’s Quoted Rate, the sum of 2.0% *plus* the rate of interest in effect thereon at the time of such Event of Default until the end of the Interest Period applicable thereto and, thereafter, at a rate per annum equal to the sum of 2.0% *plus* the Applicable Margin for Base Rate Loans *plus* the Base Rate from time to time in effect;

(c) for any Reimbursement Obligation, the sum of 2.0% *plus* the amounts due under Section 2.3 with respect to such Reimbursement Obligation;

(d) for any Letter of Credit, the sum of 2.0% *plus* the Letter of Credit Fee due under Section 3.1(b) with respect to such Letter of Credit; and

(e) for any other amount owing hereunder not covered by clauses (a) through (d) above, the sum of 2% *plus* the Applicable Margin *plus* the Base Rate from time to time in effect;

provided, however, that in the absence of acceleration pursuant to Section 9.2 or 9.3, any adjustments pursuant to this Section shall be made at the election of the Administrative Agent, acting at the request or with the consent of the Required Lenders, with written notice to the Borrower (which election may be retroactively effective to the date of such Event of Default). While any Event of Default exists or after acceleration, interest shall be paid on demand of the Administrative Agent at the request or with the consent of the Required Lenders.

Section 2.10. Evidence of Indebtedness. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (i) the amount of each Loan made hereunder, the type thereof and the Interest Period with respect thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to subsections (a) and (b) above shall be *prima facie* evidence of the existence and amounts of the Obligations therein recorded; *provided, however*, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a promissory note or notes in the forms of Exhibit D-1 (in the case of its Term A Loan and referred to herein as a "*Term A Note*"), D-2 (in the case of its Revolving Loans and referred to herein as a "*Revolving Note*"), D-3 (in the case of its Swingline Loans and referred to herein as a "*Swing Note*") or D-4 (in the case of its Delayed Draw Term Loan and referred to herein as a "*Delayed Draw Term Note*"), as applicable (the Term A Notes, Revolving Notes, Swing Note and Delayed Draw Term Notes being hereinafter referred to collectively as the "*Notes*" and individually as a "*Note*"). In such event, the Borrower shall execute and deliver to such Lender a Note payable to such Lender or its registered assigns in the amount of the relevant Term Loan, Commitment, or Swingline Sublimit, as applicable. Thereafter, the Loans evidenced by such Note or Notes and interest thereon shall at all times (including after any assignment pursuant to Section 13.2) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 13.2, except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in subsections (a) and (b) above.

Section 2.11. *Commitment Terminations.*

Optional Credit Terminations. The Borrower shall have the right at any time and from time to time, upon three (3) Business Days prior written notice to the Administrative Agent (or such shorter period of time agreed to by the Administrative Agent), to terminate the Revolving Credit Commitments and/or the Delayed Draw Term Loan Commitments without premium or penalty and in whole or in part, any partial termination to be (i) in an amount not less than \$500,000 and (ii) allocated ratably among the Lenders in proportion to their respective Revolver Percentages and/or Delayed Draw Term Loan Percentages, as the case may be, provided that the Revolving Credit Commitments may not be reduced to an amount less than the sum of the aggregate principal amount of Swingline Loans, Revolving Loans, and L/C Obligations then outstanding. Any termination of the Revolving Credit Commitments below the L/C Sublimit or the Swingline Sublimit then in effect shall reduce the L/C Sublimit and Swingline Sublimit, as applicable, by a like amount. The Administrative Agent shall give prompt notice to each Lender of any such termination of the Revolving Credit Commitments and/or Delayed Draw Term Loan Commitments. Any termination of the Commitments pursuant to this Section may not be reinstated.

Section 2.12. Replacement of Lenders. If any Lender requests compensation under Section 4.4, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 4.1 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 4.7, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 13.2), all of its interests, rights (other than its existing rights to payments pursuant to Section 4.1 or Section 4.4) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided that:*

- (i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 13.2;
- (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and funded participations in L/C Obligations, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 4.5 as if the Loans owing to it were prepaid rather than assigned) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);
- (iii) in the case of any such assignment resulting from a claim for compensation under Section 4.4 or payments required to be made pursuant to Section 4.1, such assignment will result in a reduction in such compensation or payments thereafter;
- (iv) such assignment does not conflict with applicable law; and

(v) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 2.13. Defaulting Lenders.

(a) *Defaulting Lender Adjustments.* Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) *Waivers and Amendments.* Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) *Defaulting Lender Waterfall.* Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 9 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 13.7 hereto shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any L/C Issuer or the Swingline Lender hereunder; *third*, to Cash Collateralize the L/C Issuer's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.14; *fourth*, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the L/C Issuer's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.14; *sixth*, to the payment of any amounts owing to the Lenders, the L/C Issuer or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuer or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans or L/C Obligations in respect of which such Defaulting Lender has

not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 7.1 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swingline Loans are held by the Lenders pro rata in accordance with their Percentages of the relevant Commitments without giving effect to Section 2.13(a)(iv) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.13(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) *Certain Fees.*

(A) No Defaulting Lender shall be entitled to receive any commitment fee for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.14.

(C) With respect to any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each L/C Issuer and Swingline Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuer's or Swingline Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) *Reallocation of Participations to Reduce Fronting Exposure.* All or any part of such Defaulting Lender's participation in L/C Obligations and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Percentages of the relevant Commitments (calculated without regard to such Defaulting Lender's Commitments) but only to the extent that (x) the conditions set forth in Section 7.1 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Revolving Loans and interests in L/C Obligations and Swingline Loans of any Non-Defaulting Lender to exceed such

Non-Defaulting Lender's Revolving Credit Commitment. Subject to Section 13.21, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) *Cash Collateral; Repayment of Swingline Loans.* If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to them hereunder or under law, (x) first, prepay Swingline Loans in an amount equal to the Swing Lender's Fronting Exposure and (y) second, Cash Collateralize the L/C Issuer's Fronting Exposure in accordance with the procedures set forth in Section 2.14.

(b) *Defaulting Lender Cure.* If the Borrower, the Administrative Agent, the Swingline Lender and each L/C Issuer agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with their respective Percentages of the relevant Commitments (without giving effect to Section 2.13(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) *New Swingline Loans/Letters of Credit.* So long as any Lender is a Defaulting Lender, (i) the Swingline Lender shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swingline Loan and (ii) no L/C Issuer shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

Section 2.14. Cash Collateral for Fronting Exposure At any time that there shall exist a Defaulting Lender, within one (1) Business Day following the written request of the Administrative Agent or any L/C Issuer (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize the L/C Issuers' Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.13(a)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(a) *Grant of Security Interest.* The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the L/C Issuers, and agree to maintain, a first priority security interest in all such Cash Collateral as security for such Defaulting Lender's obligation to fund participations in respect of

L/C Obligations, to be applied pursuant to clause (b) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the L/C Issuers as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower shall, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(b) *Application.* Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.14 or Section 2.13 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of L/C Obligations (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(c) *Termination of Requirement.* Cash Collateral (or the appropriate portion thereof) provided to reduce any L/C Issuer's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.14(c) following (A) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (B) the determination by the Administrative Agent and each L/C Issuer that there exists excess Cash Collateral; *provided* that, subject to Section 2.14, the Person providing Cash Collateral and each L/C Issuer may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations; and *provided further* that to the extent that such Cash Collateral was provided by the Borrower or any other Loan Party, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

Section 2.15. Increase in Revolving Credit Commitments and Incremental Term Loans. The Borrower may, on any Business Day prior to the Revolving Credit Termination Date, increase the aggregate amount of the Revolving Credit Commitments (the "*Revolving Credit Increase*") and/or borrow one or more additional term loans (the "*Incremental Term Loans*") by delivering an Increase Request substantially in the form attached hereto as Exhibit E or in such other form acceptable to the Administrative Agent at least five (5) Business Days prior to the desired effective date of such increase or the making of such term loan(s) (the "*Increase*") identifying any proposed additional Lender(s), if any, which additional Lender(s) shall, to the extent such consent would be required under Section 13.3, in the case of an additional Lender providing a Revolving Credit Commitment, be reasonably acceptable to the Administrative Agent (or additional Revolving Credit Commitments or Incremental Term Loans, as applicable, for existing Lender(s)) and the amount of its Revolving Credit Commitment (or additional amount of its Revolving Credit Commitment(s)) or Incremental Term Loan(s) (or additional amount of its Term Loan Commitment(s)), as applicable; *provided, however*, that (i) the aggregate amount of all such Increases shall not exceed \$100,000,000, (ii) any such Increase shall be in an amount not less than \$5,000,000, (iii) no Default shall exist at the time of the effective date of the Increase after giving effect to such Increase as fully-drawn and giving pro forma effect to the use of proceeds thereof, (iv) the Borrower shall be in compliance on a pro forma basis (after giving effect to such Increase as fully-drawn) with all financial covenants in Section 8.23 hereof, calculated using the required covenant compliance levels for the next succeeding determination period, provided that the Total

Leverage Ratio shall be no greater than 0.25x less than the then required Total Leverage Ratio under Section 8.23(a), and (v) all representations and warranties contained in Section 6 hereof shall be true and correct in all material respects on the effective date of such Increase. The effective date (the “*Increase Date*”) of the Increase shall be agreed upon by the Borrower and the Lender(s) providing such increase). With respect to an Increase in the Revolving Credit Commitments as described above, on the Increase Date, the new Lender(s) (or, if applicable, existing Lender(s)) shall advance Revolving Loans in an amount sufficient such that after giving effect to such advance(s) or loan(s) and the prepayment of Loans by any Lender(s) whose commitment is not increased, each Lender shall have outstanding its Revolver Percentage of Revolving Loans. It shall be a condition to such effectiveness that if any Eurodollar Loans are outstanding under the Revolving Facility on the date of such effectiveness, such Eurodollar Loans shall be deemed to be prepaid on such date (to the extent necessary to allocate such outstanding Eurodollar Loans in accordance with the Percentage of each Lender after giving effect to the related Increase) and the Borrower shall pay any amounts owing to the Lenders pursuant to Section 4.5 hereof. The Borrower agrees to pay all reasonable costs and expenses of the Administrative Agent relating to any Increase. Notwithstanding anything herein to the contrary, no Lender shall have any obligation to increase its Revolving Credit Commitment or make Incremental Term Loans and no Lender’s Revolving Credit Commitment shall be increased without its consent thereto, and each Lender may at its option, unconditionally and without cause, decline to increase its Revolving Credit Commitment or make Incremental Term Loans.

The Incremental Term Loans (a) shall rank *pari passu* in right of payment and of security with the Revolving Loans, the Delayed Draw Term Loans and the Term A Loans, and (b) Incremental Term Loans shall have (i) a final maturity date no earlier than that of the Delayed Draw Term Loans and the Term A Loans and (ii) a weighted average life not less than the then remaining weighted average life to maturity of the Delayed Draw Term Loans and the Term A Loans, *provided* that, except as set forth above, the terms and conditions applicable to Incremental Term Loans (including interest rates and amortization applicable thereto) shall be determined by the Borrower, the Administrative Agent and the Lenders providing such Incremental Term Loans.

Commitments in respect of Incremental Term Loans and increases in Revolving Credit Commitment shall become Commitments (or in the case of an increase in the Revolving Credit Commitment to be provided by an existing Lender, an increase in such Lender’s applicable Revolving Credit Commitment) under this Agreement pursuant to an amendment (an “*Incremental Amendment*”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such Commitment, if any, each additional Lender, if any, and the Administrative Agent. The Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15.

SECTION 3. FEES.

Section 3.1. Fees.

- (a) *Revolving Credit Commitment Fee.* The Borrower shall pay to the Administrative

Agent for the ratable account of the Lenders in accordance with their Revolver Percentages a commitment fee (the “*Revolving Credit Commitment Fee*”) at the rate per annum equal to the Applicable Margin (computed on the basis of a year of 360 days and the actual number of days elapsed) times the daily amount by which the aggregate Revolving Credit Commitments exceeds the principal amount of Revolving Loans and L/C Obligations then outstanding; *provided, however*, that the principal amount of Swingline Loans shall be deemed usage of the Revolving Credit Commitment of the Swingline Lender for purposes of this Section. Such commitment fee shall be payable quarterly in arrears on the last day of each March, June, September, and December in each year (commencing on the first such date occurring after the Closing Date) and on the Revolving Credit Termination Date, unless the Revolving Credit Commitments are terminated in whole on an earlier date, in which event the commitment fee for the period to the date of such termination in whole shall be paid on the date of such termination.

(b) *Letter of Credit Fees.* On the date of issuance or extension, or increase in the amount, of any Letter of Credit pursuant to Section 2.3, the Borrower shall pay to the L/C Issuer for its own account a fronting fee with respect to such Letter of Credit as agreed to in writing between the Borrower and the applicable L/C Issuer. Quarterly in arrears, on the last day of each March, June, September, and December, commencing on the first such date occurring after the Closing Date, the Borrower shall pay to the Administrative Agent, for the ratable benefit of the Lenders in accordance with their Revolver Percentages, a letter of credit fee (the “*Letter of Credit Fee*”) at a rate per annum equal to the Applicable Margin (computed on the basis of a year of 360 days and the actual number of days elapsed) in effect during each day of such quarter applied to the daily average face amount of Letters of Credit outstanding during such quarter. In addition, the Borrower shall pay to the L/C Issuer for its own account the L/C Issuer’s standard issuance, drawing, negotiation, amendment, assignment, and other administrative fees for each Letter of Credit as established by the L/C Issuer from time to time.

(c) *Administrative Agent Fees.* The Borrower shall pay to the Administrative Agent, for its own use and benefit, the fees agreed to between the Administrative Agent and the Borrower in a fee letter dated as of the date hereof, or as otherwise agreed to in writing between them.

(d) *Delayed Draw Term Loan Commitment Fee.* The Borrower shall pay to the Administrative Agent for the ratable account of the Lenders in accordance with their Delayed Draw Term Loan Percentages a commitment fee at a rate per annum equal to the Applicable Margin (computed on the basis of a year of 360 days and the actual number of days elapsed) multiplied by the daily undrawn amount of the aggregate Delayed Draw Term Loan Commitments, commencing on the Closing Date, and continuing through and including the last day of the Delayed Draw Term Loan Availability Period. Such commitment fee shall be payable quarterly in arrears on the last day of each March, June, September, and December in each year (commencing on the first such date occurring after the Closing Date) and on the last day of the Delayed Draw Term Loan Availability Period, unless the Delayed Draw Term Loan Commitments are terminated in whole on an earlier date, in which event the commitment fee for the period to the date of such termination in whole shall be paid on the date of such termination.

SECTION 4. TAXES; CHANGE IN CIRCUMSTANCES, INCREASED COSTS, AND FUNDING

INDEMNITY.

Section 4.1. Taxes.

(a) *Certain Defined Terms.* For purposes of this Section, the term “Lender” includes the Administrative Agent (to the extent it receives payments hereunder or under any other Loan Document in its capacity as such) any L/C Issuer and the term “applicable law” includes FATCA.

(b) *Payments Free of Taxes.* Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) *Payment of Other Taxes by the Loan Parties.* The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) *Indemnification by the Loan Parties.* The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) Business Days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis for and amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) *Indemnification by the Lenders.* Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes or Other Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender’s failure to comply with the provisions of Section 13.2(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as

to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this subsection (e).

(f) *Evidence of Payments.* As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) *Status of Lenders.* (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 4.1(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), properly completed and duly executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of

interest under any Loan Document, properly completed and duly executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, properly completed and duly executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits”, “other income” or other applicable article of such tax treaty;

(ii) properly completed and duly executed copies of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “*U.S. Tax Compliance Certificate*”) and (y) properly completed and duly executed copies of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, properly completed and duly executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is classified as a partnership for U.S. federal income tax purposes and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such

time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) *Treatment of Certain Refunds.* If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) such indemnified party incurred in connection with such refund and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this subsection (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this subsection (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This subsection shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) *Survival.* Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 4.2. Change of Law. Notwithstanding any other provisions of this Agreement or any other Loan Document, if at any time any Change in Law makes it unlawful for any Lender to make or continue to maintain any Eurodollar Loans or to perform its obligations as contemplated hereby, such Lender shall promptly give notice thereof to the Borrower and such Lender's obligations to make or maintain Eurodollar Loans under this Agreement shall be suspended until it is no longer unlawful for such Lender to make or maintain Eurodollar Loans. The Borrower

shall prepay on demand the outstanding principal amount of any such affected Eurodollar Loans, together with all interest accrued thereon and all other amounts then due and payable to such Lender under this Agreement; *provided, however*, subject to all of the terms and conditions of this Agreement, the Borrower may then elect to borrow the principal amount of the affected Eurodollar Loans from such Lender by means of Base Rate Loans from such Lender, which Base Rate Loans shall not be made ratably by the Lenders but only from such affected Lender.

Section 4.3. Unavailability of Deposits or Inability to Ascertain, or Inadequacy of, LIBOR. (a) If on or prior to the first day of any Interest Period for any Borrowing of Eurodollar Loans:

(i) the Administrative Agent determines that deposits in U.S. Dollars (in the applicable amounts) are not being offered to it in the interbank eurodollar market for such Interest Period, or that by reason of circumstances affecting the interbank eurodollar market adequate and reasonable means do not exist for ascertaining the applicable LIBOR, or

(ii) the Required Lenders advise the Administrative Agent that (A) LIBOR as determined by the Administrative Agent will not adequately and fairly reflect the cost to such Lenders of funding their Eurodollar Loans for such Interest Period or (B) that the making or funding of Eurodollar Loans become impracticable,

then the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon until the Administrative Agent notifies the Borrower that the circumstances giving rise to such suspension no longer exist, the obligations of the Lenders to make Eurodollar Loans shall be suspended.

(b) *Effect of Benchmark Transition Event.* (i) *Benchmark Replacement.* Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace LIBOR with a Benchmark Replacement. Notwithstanding anything to the contrary herein or any other Loan Document, such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders; *provided that, with respect to any proposed amendment containing a SOFR-Based Rate, the Required Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein.* Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of LIBOR with a Benchmark Replacement pursuant to this Section 4.3(b) will occur prior to the applicable Benchmark Transition Start Date.

(ii) *Benchmark Replacement Conforming Changes.* In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes under any amendment entered into in

accordance with Section 4.3(b)(i) and, notwithstanding anything to the contrary herein or in any other Loan Document, such Benchmark Replacement Conforming Changes will become effective under any such amendment without any further action or consent of any other party to this Agreement. Any further Benchmark Replacement Conforming Changes may be effectuated under one or more amendments entered into in accordance with Section 13.3.

(iii) *Notices; Standards for Decisions and Determinations.* The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 4.3(b), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent demonstrable error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 4.3(b).

(iv) *Benchmark Unavailability Period.* Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Borrowing of Eurocurrency Loans, conversion to or continuation of Eurodollar Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period, the component of the Base Rate based upon the LIBOR Quoted Rate will not be used in any determination of the Base Rate.

Section 4.4. Increased Costs.

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted LIBOR) or any L/C Issuer;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or any L/C Issuer or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other

Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, such L/C Issuer or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, L/C Issuer or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, L/C Issuer or other Recipient, the Borrower will pay to such Lender, L/C Issuer or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, L/C Issuer or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or L/C Issuer or any lending office of such Lender or such Lender's or L/C Issuer's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by any L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or L/C Issuer's policies and the policies of such Lender's or L/C Issuer's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction suffered.

(c) *Certificates for Reimbursement.* A certificate of a Lender or L/C Issuer setting forth in reasonable detail the basis for its reimbursement claim and the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender or L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d) *Delay in Requests.* Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender or L/C Issuer pursuant to this Section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or L/C Issuer, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 4.5. Funding Indemnity. If any Lender shall incur any loss, cost or expense (including, without limitation, any loss, cost or expense incurred by reason of the liquidation or re-employment of deposits or other funds acquired by such Lender to fund or maintain any

Eurodollar Loan or Swingline Loan bearing interest at the Swingline Lender's Quoted Rate or the relending or reinvesting of such deposits or amounts paid or prepaid to such Lender) as a result of:

- (a) any payment, prepayment or conversion of a Eurodollar Loan or such Swingline Loan on a date other than the last day of its Interest Period,
- (b) any failure (because of a failure to meet the conditions of Section 7 or otherwise) by the Borrower to borrow or continue a Eurodollar Loan or such Swingline Loan, or to convert a Base Rate Loan into a Eurodollar Loan or such Swingline Loan on the date specified in a notice given pursuant to Section 2.6(a) or 2.2(b),
- (c) any failure by the Borrower to make any payment of principal on any Eurodollar Loan or such Swingline Loan when due (whether by acceleration or otherwise), or
- (d) any acceleration of the maturity of a Eurodollar Loan or such Swingline Loan as a result of the occurrence of any Event of Default hereunder,

then, upon the demand of such Lender, the Borrower shall pay to such Lender such amount as will reimburse such Lender for such loss, cost or expense. If any Lender makes such a claim for compensation, it shall provide to the Borrower, with a copy to the Administrative Agent, a certificate setting forth the amount of such loss, cost or expense in reasonable detail and the amounts shown on such certificate shall be conclusive absent manifest error.

Section 4.6. Discretion of Lender as to Manner of Funding. Notwithstanding any other provision of this Agreement, each Lender shall be entitled to fund and maintain its funding of all or any part of its Loans in any manner it sees fit, it being understood, however, that for the purposes of this Agreement all determinations hereunder with respect to Eurodollar Loans shall be made as if each Lender had actually funded and maintained each Eurodollar Loan through the purchase of deposits in the interbank eurodollar market having a maturity corresponding to such Loan's Interest Period, and bearing an interest rate equal to LIBOR for such Interest Period.

Section 4.7. Lending Offices; Mitigation Obligations. Each Lender may, at its option, elect to make its Loans hereunder at the branch, office or affiliate specified in its Administrative Questionnaire (each a "*Lending Office*") for each type of Loan available hereunder or at such other of its branches, offices or affiliates as it may from time to time elect and designate in a written notice to the Borrower and the Administrative Agent. If any Lender requests compensation under Section 4.4, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 4.1, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 4.1 or 4.4, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any

such designation or assignment.

SECTION 5. PLACE AND APPLICATION OF PAYMENTS.

Section 5.1. Place and Application of Payments. All payments of principal of and interest on the Loans and the Reimbursement Obligations, and all other Obligations payable by the Borrower under this Agreement and the other Loan Documents, shall be made by the Borrower to the Administrative Agent by no later than 12:00 Noon (Chicago time) on the due date thereof at the office of the Administrative Agent in Chicago, Illinois (or such other location as the Administrative Agent may designate to the Borrower), for the benefit of the Lender(s) or L/C Issuer entitled thereto. Any payments received after such time shall be deemed to have been received by the Administrative Agent on the next Business Day. All such payments shall be made in U.S. Dollars, in immediately available funds at the place of payment, in each case without set-off or counterclaim. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuers hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the L/C Issuers, as the case may be, the amount due. In the case of any payment of principal falling due on a day which is not a Business Day, interest on such principal amount shall continue to accrue during such extension at the rate per annum then in effect, which accrued amount shall be due and payable on the next scheduled date for the payment of interest.

Section 5.3. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower or any other Loan Party is made to the Administrative Agent, any L/C Issuer or any Lender, or the Administrative Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated,

(a) first, to the payment of any outstanding costs and expenses incurred by the Administrative Agent, and any security trustee therefor, in monitoring, verifying, protecting, preserving or enforcing the Liens on the Collateral, in protecting, preserving or enforcing rights under the Loan Documents, and in any event including all costs and expenses of a character which the Loan Parties have agreed to pay the Administrative Agent under Section 13.4 (such funds to be retained by the Administrative Agent for its own account unless it has previously been reimbursed for such costs and expenses by the Lenders, in which event such amounts shall be remitted to the Lenders to reimburse them for payments theretofore made to the Administrative Agent);

(b) second, to the payment of any outstanding interest and fees due under the Loan Documents to be allocated pro rata in accordance with the aggregate unpaid amounts owing to each holder thereof;

(c) third, to the payment of principal on the Loans, unpaid Reimbursement Obligations, together with amounts to be held by the Administrative Agent as collateral security for any outstanding L/C Obligations pursuant to Section 9.4 (until the Administrative Agent is holding an amount of cash equal to 105% of the then outstanding amount of all such L/C Obligations), and Hedging Liability, the aggregate amount paid to, or held as collateral security for, the Lenders and L/C Issuer and, in the case of Hedging Liability, their Affiliates to be allocated pro rata in accordance with the aggregate unpaid amounts owing to each holder thereof;

(d) fourth, to the payment of all other unpaid Secured Obligations and all other indebtedness, obligations, and liabilities of the Loan Parties secured by the Loan Documents (including, without limitation, Bank Product Obligations) to be allocated pro rata in accordance with the aggregate unpaid amounts owing to each holder thereof; and

(e) finally, to the Borrower or whoever else may be lawfully entitled thereto.

SECTION 10. THE ADMINISTRATIVE AGENT.

Section 10.1. Appointment and Authority. Each of the Lenders and the L/C Issuers hereby irrevocably appoints BMO Harris Bank N.A. to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 10 are solely for the benefit of the Administrative Agent, the Lenders and the L/C Issuers, and neither the Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties.

Section 10.2. Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 10.3. Action by Administrative Agent; Exculpatory Provisions. (a) The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and its Related Parties:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents),

provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law. The Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder or under any other Loan Document unless it first receives any further assurances of its indemnification from the Lenders that it may require, including prepayment of any related expenses and any other protection it requires against any and all costs, expense, and liability which may be incurred by it by reason of taking or continuing to take any such action; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(b) Neither the Administrative Agent nor any of its Related Parties shall be liable for any action taken or not taken by the Administrative Agent under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby or thereby (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be required under Section 13.3, or as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.2, 9.3, 9.4 and 9.5), or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Any such action taken or failure to act pursuant to the foregoing shall be binding on all Lenders. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent in writing by the Borrower, a Lender, or the L/C Issuer.

(c) Neither the Administrative Agent nor any of its Related Parties shall be responsible for or have any duty or obligation to any Lender or L/C Issuer or participant or any other Person to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 7.1 or 7.2 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 10.4. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying and shall not incur any liability for

relying upon, any notice, request, certificate, communication, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall be fully protected in relying and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 10.5. Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 10.6. Resignation or Removal of Administrative Agent. (a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States of America, or an Affiliate of any such bank with an office in the United States of America. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the “*Resignation Effective Date*”), then the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders and the L/C Issuers, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, in consultation with the Borrower, appoint a successor. If no such successor shall have

been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by the Required Lenders) (the “*Removal Effective Date*”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable), (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents, and (ii) except for any indemnity payments owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. If on the Resignation Effective Date no successor has been appointed and accepted such appointment, the Administrative Agent’s rights in the Collateral Documents shall be assigned without representation, recourse or warranty to the Lenders and L/C Issuer as their interests may appear. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent’s resignation hereunder and under the other Loan Documents, the provisions of this Section 10 and Section 13.4 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Section 10.7. Non-Reliance on Administrative Agent and Other Lenders. Each Lender and L/C Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 10.8. L/C Issuer and Swingline Lender. The L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the Swingline Lender shall act on behalf of the Lenders with respect to the Swingline Loans made hereunder. The L/C Issuer and the Swingline Lender shall each have all of the benefits and immunities (i) provided to the Administrative Agent in this Section 10 with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the Applications pertaining to such Letters of Credit or by the

Swingline Lender in connection with Swingline Loans made or to be made hereunder as fully as if the term “Administrative Agent”, as used in this Section 10, included the L/C Issuer and the Swingline Lender with respect to such acts or omissions and (ii) as additionally provided in this Agreement with respect to such L/C Issuer or Swingline Lender, as applicable. Any resignation by the Person then acting as Administrative Agent pursuant to Section 10.6 shall also constitute its resignation or the resignation of its Affiliate as L/C Issuer and Swingline Lender except as it may otherwise agree. If such Person then acting as L/C Issuer so resigns, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto, including the right to require the Lenders to make Loans or fund risk participations in Reimbursement Obligations pursuant to Section 2.3. If such Person then acting as Swingline Lender resigns, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.2(b). Upon the appointment by the Borrower of a successor L/C Issuer or Swingline Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as applicable (other than any rights to indemnity payments or other amounts that remain owing to the retiring L/C Issuer or Swingline Lender), and (ii) the retiring L/C Issuer and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents other than with respect to its outstanding Letters of Credit and Swingline Loans, and (iii) upon the request of the resigning L/C Issuer, the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the resigning L/C Issuer to effectively assume the obligations of the resigning L/C Issuer with respect to such Letters of Credit.

Section 10.9. Hedging Liability and Bank Product Obligations. By virtue of a Lender’s execution of this Agreement or an assignment agreement pursuant to Section 13.2, as the case may be, any Affiliate of such Lender with whom the Borrower or any other Loan Party has entered into an agreement creating Hedging Liability or Bank Product Obligations shall be deemed a Lender party hereto for purposes of any reference in a Loan Document to the parties for whom the Administrative Agent is acting, it being understood and agreed that the rights and benefits of such Affiliate under the Loan Documents consist exclusively of such Affiliate’s right to share in payments and collections out of the Collateral and the Guaranty Agreements as more fully set forth in Section 9.5. In connection with any such distribution of payments and collections, or any request for the release of the Guaranty Agreements and the Administrative Agent’s Liens in connection with the termination of the Commitments and the payment in full of the Obligations, the Administrative Agent shall be entitled to assume no amounts are due to any Lender or its Affiliate with respect to Hedging Liability or Bank Product Obligations unless such Lender has notified the Administrative Agent in writing of the amount of any such liability owed to it or its Affiliate prior to such distribution or payment or release of Guaranty Agreements and Liens.

Section 10.10. Designation of Additional Agents. The Administrative Agent shall have the continuing right, for purposes hereof, at any time and from time to time to designate one or more of the Lenders (and/or its or their Affiliates) as “syndication agents,” “documentation agents,”

“book runners,” “lead arrangers,” “arrangers,” or other designations for purposes hereto, but such designation shall have no substantive effect, and such Lenders and their Affiliates shall have no additional powers, duties or responsibilities as a result thereof.

Section 10.11. Authorization to Enter into, and Enforcement of, the Collateral Documents; Possession of Collateral. The Administrative Agent is hereby irrevocably authorized by each of the Lenders and the L/C Issuer to execute and deliver the Collateral Documents on behalf of each of the Lenders, the L/C Issuer, and their Affiliates and to take such action and exercise such powers under the Collateral Documents as the Administrative Agent considers appropriate; *provided* the Administrative Agent shall not amend the Collateral Documents unless such amendment is agreed to in writing by the Required Lenders. Upon the occurrence of an Event of Default, the Administrative Agent shall take such action to enforce its Lien on the Collateral and to preserve and protect the Collateral as may be directed by the Required Lenders. Unless and until the Required Lenders give such direction, the Administrative Agent may (but shall not be obligated to) take or refrain from taking such actions as it deems appropriate and in the best interest of all the Lenders and L/C Issuer. Each Lender and L/C Issuer acknowledges and agrees that it will be bound by the terms and conditions of the Collateral Documents upon the execution and delivery thereof by the Administrative Agent. The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders, the L/C Issuer or their Affiliates for any failure to monitor or maintain any portion of the Collateral. The Lenders and L/C Issuer hereby irrevocably authorize (and each of their Affiliates holding any Bank Product Obligations and Hedging Liability entitled to the benefits of the Collateral shall be deemed to authorize) the Administrative Agent, based upon the instruction of the Required Lenders, to credit bid and purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted by the Administrative Agent (or any security trustee therefore) under the provisions of the Uniform Commercial Code, including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code, at any sale thereof conducted under the provisions of the United States Bankruptcy Code, including Section 363 of the United States Bankruptcy Code, or at any sale or foreclosure conducted by the Administrative Agent or any security trustee therefore (whether by judicial action or otherwise) in accordance with applicable law. Except as otherwise specifically provided for herein, no Lender, L/C Issuer, or their Affiliates, other than the Administrative Agent, shall have the right to institute any suit, action or proceeding in equity or at law for the foreclosure or other realization upon any Collateral or for the execution of any trust or power in respect of the Collateral or for the appointment of a receiver or for the enforcement of any other remedy under the Collateral Documents; it being understood and intended that no one or more of the Lenders or L/C Issuer or their Affiliates shall have any right in any manner whatsoever to affect, disturb or prejudice the Lien of the Administrative Agent (or any security trustee therefor) under the Collateral Documents by its or their action or to enforce any right thereunder, and that all proceedings at law or in equity shall be instituted, had, and maintained by the Administrative Agent (or its security trustee) in the manner provided for in the relevant Collateral Documents for the benefit of the Lenders, the L/C Issuer, and their Affiliates. Each Lender and L/C Issuer is hereby appointed agent for the purpose of perfecting the Administrative Agent’s security interest in assets which, in accordance with Article 9 of the

Uniform Commercial Code or other applicable law can be perfected only by possession. Should any Lender or L/C Issuer (other than the Administrative Agent) obtain possession of any Collateral, such Lender or L/C Issuer shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or in accordance with the Administrative Agent's instructions.

Section 10.12. Authorization to Release, Limit or Subordinate Liens or to Release Guaranties. The Administrative Agent is hereby irrevocably authorized by each of the Lenders, the L/C Issuer, and their Affiliates to (a) release any Lien covering any Collateral that is sold, transferred, or otherwise disposed of in accordance with the terms and conditions of this Agreement and the relevant Collateral Documents (including a sale, transfer, or disposition permitted by the terms of Section 8.10), (b) release or subordinate any Lien on Collateral consisting of goods financed with purchase money indebtedness or under a Capital Lease to the extent such purchase money indebtedness or Capitalized Lease Obligation, and the Lien securing the same, are permitted by Sections 8.7(b) and 8.8(d) or which has otherwise been consented to in accordance with Section 13.3, (c) reduce or limit the amount of the indebtedness secured by any particular item of Collateral to an amount not less than the estimated value thereof to the extent necessary to reduce mortgage registry, filing and similar tax, (d) release Liens on the Collateral following termination or expiration of the Commitments and payment in full in cash of the Obligations (other than contingent indemnification obligations) and the expiration or termination of all Letters of Credit (other than Letters of Credit that have been Cash Collateralized to the satisfaction of the Administrative Agent and relevant L/C Issuer) and, if then due, Hedging Liability and Bank Product Obligations, and (e) release any Subsidiary from its obligations as a Guarantor if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents. Upon the Administrative Agent's request, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of Property or to release any Person from its obligations as a Guarantor under the Loan Documents.

Section 10.13. Authorization of Administrative Agent to File Proofs of Claim In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under the Loan Documents including, but not limited to, Sections 3.1, 4.4, 4.5, and 13.4) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable

on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and L/C Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 3.1 and 13.4. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or L/C Issuer or to authorize the Administrative Agent to vote in respect of the claim of any Lender or L/C Issuer in any such proceeding.

Section 10.14. Authorization to Enter into Intercreditor Agreement and Subordination Agreements. Each Lender hereby irrevocably appoints, designates and authorizes Administrative Agent to enter into the any subordination or intercreditor agreement pertaining to Subordinated Debt or Indebtedness permitted to exist hereunder that is secured by liens on all or a portion of the Collateral or any other subordinated Indebtedness permitted to be incurred hereunder (each, a “*Subordination Agreement*”), on its behalf and to take such action on its behalf under the provisions of any such agreement. Each Lender further agrees to be bound by the terms and conditions of any Subordination Agreement. Each Lender hereby authorizes and directs Administrative Agent to issue blockage notices under any such Subordination Agreement at the direction of Administrative Agent or the Required Lenders.

Section 10.15. Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement;

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of

and performance of the Loans, the Letters of Credit, the Commitments and this Agreement; or

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 11. THE GUARANTEES.

Section 11.1. The Guarantees. To induce the Lenders and L/C Issuer to provide the credits described herein and in consideration of benefits expected to accrue to the Borrower by reason of the Commitments and for other good and valuable consideration, receipt of which is hereby acknowledged, each Guarantor party hereto (including any Person executing an Additional Guarantor Supplement in the form attached hereto as Exhibit G or such other form acceptable to the Administrative Agent) and the Borrower (as to the Secured Obligations of another Loan Party) hereby unconditionally and irrevocably guarantees jointly and severally to the Administrative Agent, the Lenders, and the L/C Issuer and their Affiliates, the due and punctual payment of all present and future Secured Obligations, including, but not limited to, the due and punctual payment of principal of and interest on the Loans, the Reimbursement Obligations, and the due and punctual payment of all other Obligations now or hereafter owed by the Borrower under the Loan Documents and the due and punctual payment of all Hedging Liability and Bank Product Obligations, in each case as and when the same shall become due and payable, whether at stated

maturity, by acceleration, or otherwise, according to the terms hereof and thereof (including all interest, costs, fees, and charges after the entry of an order for relief against the Borrower or such other obligor in a case under the United States Bankruptcy Code or any similar proceeding, whether or not such interest, costs, fees and charges would be an allowed claim against the Borrower or any such obligor in any such proceeding); *provided, however*, that, with respect to any Guarantor, Hedging Liability guaranteed by such Guarantor shall exclude all Excluded Swap Obligations. In case of failure by the Borrower or other obligor punctually to pay any Secured Obligations, each Guarantor hereby unconditionally agrees to make such payment or to cause such payment to be made punctually as and when the same shall become due and payable, whether at stated maturity, by acceleration, or otherwise, and as if such payment were made by the Borrower or such obligor.

Section 11.2. Guarantee Unconditional. The obligations of each Guarantor under this Section 11 shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged, or otherwise affected by:

(a) any extension, renewal, settlement, compromise, waiver, or release in respect of any obligation of any Loan Party or other obligor or of any other guarantor under this Agreement or any other Loan Document or by operation of law or otherwise;

(b) any modification or amendment of or supplement to this Agreement or any other Loan Document or any agreement relating to Hedging Liability or Bank Product Obligations;

(c) any change in the corporate existence, structure, or ownership of, or any insolvency, bankruptcy, reorganization, or other similar proceeding affecting, any Loan Party or other obligor, any other guarantor, or any of their respective assets, or any resulting release or discharge of any obligation of any Loan Party or other obligor or of any other guarantor contained in any Loan Document;

(d) the existence of any claim, set-off, or other rights which any Loan Party or other obligor or any other guarantor may have at any time against the Administrative Agent, any Lender, the L/C Issuer or any other Person, whether or not arising in connection herewith;

(e) any failure to assert, or any assertion of, any claim or demand or any exercise of, or failure to exercise, any rights or remedies against any Loan Party or other obligor, any other guarantor, or any other Person or Property;

(f) any application of any sums by whomsoever paid or howsoever realized to any obligation of any Loan Party or other obligor, regardless of what obligations of any Loan Party or other obligor remain unpaid;

(g) any invalidity or unenforceability relating to or against any Loan Party or other obligor or any other guarantor for any reason of this Agreement or of any other Loan Document or any agreement relating to Hedging Liability or Bank Product Obligations or

any provision of applicable law or regulation purporting to prohibit the payment by any Loan Party or other obligor or any other guarantor of the principal of or interest on any Loan or any Reimbursement Obligation or any other amount payable under the Loan Documents or any agreement relating to Hedging Liability or Bank Product Obligations; or

(h) any other act or omission to act or delay of any kind by the Administrative Agent, any Lender, the L/C Issuer, or any other Person or any other circumstance whatsoever that might, but for the provisions of this subsection, constitute a legal or equitable discharge of the obligations of the Borrower or any Guarantor under this Section 11.

Section 11.3. Discharge Only upon Payment in Full; Reinstatement in Certain Circumstances. The Borrower's and each Guarantor's obligations under this Section 11 shall remain in full force and effect until the Commitments are terminated, all Letters of Credit have expired, and the principal of and interest on the Loans and all other amounts payable by the Borrower and the other Loan Parties under this Agreement and all other Loan Documents and, if then outstanding and unpaid, all Hedging Liability and Bank Product Obligations shall have been paid in full. If at any time any payment of the principal of or interest on any Loan or any Reimbursement Obligation or any other amount payable by any Loan Party or other obligor or any guarantor under the Loan Documents or any agreement relating to Hedging Liability or Bank Product Obligations is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy, or reorganization of such Loan Party or other obligor or of any guarantor, or otherwise, the Borrower's and each Guarantor's obligations under this Section 11 with respect to such payment shall be reinstated at such time as though such payment had become due but had not been made at such time.

Section 11.4. Subrogation. The Borrower and each Guarantor agrees it will not exercise any rights which it may acquire by way of subrogation by any payment made hereunder, or otherwise, until all the Secured Obligations shall have been paid in full subsequent to the termination of all the Commitments and expiration of all Letters of Credit. If any amount shall be paid to a Loan Party on account of such subrogation rights at any time prior to the later of (x) the payment in full of the Secured Obligations and all other amounts payable by the Loan Parties hereunder and the other Loan Documents and (y) the termination of the Commitments and expiration of all Letters of Credit, such amount shall be held in trust for the benefit of the Administrative Agent, the Lenders, and the L/C Issuer (and their Affiliates) and shall forthwith be paid to the Administrative Agent for the benefit of the Lenders and L/C Issuer (and their Affiliates) or be credited and applied upon the Secured Obligations, whether matured or unmatured, in accordance with the terms of this Agreement.

Section 11.5. Subordination. The Borrower and each Guarantor (each referred to herein as a "Subordinated Creditor") hereby subordinates the payment of all indebtedness, obligations, and liabilities of each and any other Loan Party owing to such Subordinated Creditor, whether now existing or hereafter arising, to the indefeasible payment in full in cash of all Secured Obligations. During the existence of any Event of Default, subject to Section 11.4, any such indebtedness, obligation, or liability of the other Loan Party owing to such Subordinated Creditor shall be

enforced and performance received by such Subordinated Creditor as trustee for the benefit of the holders of the Secured Obligations and the proceeds thereof shall be paid over to the Administrative Agent for application to the Secured Obligations (whether or not then due), but without reducing or affecting in any manner the liability of such Loan Party under this Section 11.

Section 11.6. Waivers. The Borrower and each Guarantor irrevocably waives acceptance hereof, presentment, demand, protest, and any notice not provided for herein, as well as any requirement that at any time any action be taken by the Administrative Agent, any Lender, the L/C Issuer, or any other Person against any other Loan Party or other obligor, another guarantor, or any other Person.

Section 11.7. Limit on Recovery. Notwithstanding any other provision hereof, the right of recovery against each Loan Party under this Section 11 shall not exceed \$1.00 less than the lowest amount which would render such Loan Party's obligations under this Section 11 void or voidable under applicable law, including, without limitation, fraudulent conveyance law.

Section 11.8. Stay of Acceleration. If acceleration of the time for payment of any amount payable by the Borrower or other Loan Party or other obligor under this Agreement or any other Loan Document, or under any agreement relating to Hedging Liability or Bank Product Obligations, is stayed upon the insolvency, bankruptcy or reorganization of the Borrower or other Loan Party or obligor, all such amounts otherwise subject to acceleration under the terms of this Agreement or the other Loan Documents, or under any agreement relating to Hedging Liability or Bank Product Obligations, shall nonetheless be payable by the Loan Parties hereunder forthwith on demand by the Administrative Agent made at the request or otherwise with the consent of the Required Lenders.

Section 11.9. Benefit to Borrower and Guarantors. The Loan Parties are engaged in related businesses and integrated to such an extent that the financial strength and flexibility of the Borrower and the other Loan Parties has a direct impact on the success of each other Loan Party. The Borrower and each Guarantor will derive substantial direct and indirect benefit from the extensions of credit hereunder, and the Borrower and each Guarantor acknowledges that its obligations hereunder and this guarantee is necessary or convenient to the conduct, promotion and attainment of its business.

Section 11.10. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guarantee in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section, or otherwise under this Guarantee, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until discharged in accordance with Section 11.3. Each Qualified ECP Guarantor intends that this Section constitute, and this Section shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 12. COLLATERAL.

Section 12.1. Collateral. The Secured Obligations shall be secured by valid, perfected, and enforceable Liens on all right, title, and interest of each Loan Party in all of its real property, personal property, and fixtures, whether now owned or hereafter acquired or arising, and all proceeds thereof; *provided, however,* that: (i) the Collateral shall not include Excluded Property, (ii) until an Event of Default has occurred and is continuing and thereafter until otherwise required by the Administrative Agent or the Required Lenders, Liens on vehicles or other goods which are subject to a certificate of title law need not be perfected provided that the fair market value of such vehicles or other goods at any one time not so perfected shall not exceed \$500,000 in the aggregate, and (iii) the Collateral need not include (or be perfected if a Lien is granted) those assets of any Loan Party as to which the Administrative Agent in its sole discretion determines that the cost of obtaining a security interest in or perfection thereof are excessive in relation to the value of the security to be afforded thereby. Each Loan Party acknowledges and agrees that the Liens on the Collateral shall be granted to the Administrative Agent for the benefit of the holders of the Secured Obligations and shall be valid and perfected first priority Liens (to the extent perfection by filing, registration, recordation, possession or control is required herein or in any other Loan Document) subject to the proviso appearing at the end of the preceding sentence and to Liens permitted by Section 8.8, in each case pursuant to one or more Collateral Documents from such Persons, each in form and substance reasonably satisfactory to the Administrative Agent.

Section 12.2. Depository Banks. Each Loan Party shall at all times maintain the Administrative Agent (or one of its Affiliates) as its primary depository bank, including for its principal operating, administrative, cash management, lockbox arrangements, collection activity, and other deposit accounts for the conduct of its business, and, except for Excluded Deposit Accounts, all deposit accounts of the Loan Parties shall at all times be maintained with the Administrative Agent (or one of its Affiliates) or such other bank(s) reasonably acceptable to the Administrative Agent subject to deposit account control agreements in favor of Administrative Agent on terms reasonably satisfactory to Administrative Agent (all such deposit accounts maintained with the Administrative Agent (or one of its Affiliates) or such other bank(s) subject to a deposit account control agreement being hereinafter collectively referred to as the “Assigned Accounts”); *provided, however,* that deposit accounts acquired by a Loan Party as part of a Permitted Acquisition or the Ocelot Acquisition shall not be required to be subject to deposit account control agreement pursuant to the foregoing provisions until the date that is one hundred eighty (180) days after (or such later date as the Administrative Agent may agree in its sole discretion) the date such deposit accounts were acquired by such Loan Party. Each Loan Party shall make such arrangements as may be reasonably requested by the Administrative Agent to assure that all proceeds of the Collateral are deposited (in the same form as received) in one or more Assigned Accounts. Any proceeds of Collateral received by any Loan Party shall be promptly deposited into an Assigned Account and, until so deposited, shall be held by it in trust for the Administrative Agent and the Lenders. Each Loan Party acknowledges and agrees that the Administrative Agent has (and is hereby granted to the extent it does not already have) a Lien on each Assigned Account and all funds contained therein to secure the Secured Obligations. The Administrative Agent agrees with the Loan Parties that if and so long as no Default has occurred or is continuing, amounts on deposit in the Assigned Accounts will (subject to the rules and regulations as from time to time in effect applicable to such demand deposit accounts) be made

available to the relevant Loan Party for use in the conduct of its business. Upon the occurrence and during the continuance of a Default, the Administrative Agent may apply the funds on deposit in any and all such Assigned Accounts to the Secured Obligations whether or not then due.

Section 12.3. Liens on Real Property. In the event that any Loan Party owns or hereafter acquires any real property (other than Excluded Property), such Loan Party shall promptly notify the Lenders and the Administrative Agent and shall execute and deliver to the Administrative Agent a mortgage or deed of trust acceptable in form and reasonably substance to the Administrative Agent for the purpose of granting to the Administrative Agent (or a security trustee therefor) a Lien on such real property to secure the Secured Obligations, shall pay all taxes, costs, and expenses incurred by the Administrative Agent in recording such mortgage or deed of trust, and shall supply to the Administrative Agent at the Borrower's cost and expense, to the extent requested by the Administrative Agent, a survey, environmental report, hazard insurance policy, appraisal report, and a mortgagee's policy of title insurance from a title insurer reasonably acceptable to the Administrative Agent insuring the validity of such mortgage or deed of trust and its status as a first Lien (subject to Liens permitted by this Agreement) on the real property encumbered thereby and such other instrument, documents, certificates, and opinions reasonably required by the Administrative Agent in connection therewith; *provided, however,* that no such Mortgage shall be recorded prior to the later of: (i) to the extent no Event of Default has occurred and is continuing, the date that is forty-five (45) days after the date on which the Administrative Agent or the Borrower delivered notice to the Lenders of such Mortgage (or such earlier date as may be agreed to by the Lenders) and (ii) the date on which the Administrative Agent has received confirmation from all of the Lenders that its respective flood insurance due diligence and flood insurance compliance, if any, has been completed with respect to the applicable Premises (such written confirmation not to be unreasonably conditioned, withheld or delayed).

Section 12.4. Further Assurances. Each Loan Party agrees that it shall, from time to time at the reasonable request of the Administrative Agent, execute and deliver such documents and do such acts and things as the Administrative Agent may reasonably request in order to provide for or perfect or protect such Liens on the Collateral. In the event any Loan Party forms or acquires any other Subsidiary after the date hereof, except as otherwise provided in the definition of Guarantor, the Loan Parties shall ~~promptly upon~~ within thirty (30) days (or such later date as the Administrative Agent may agree to in its reasonable discretion) after such formation or acquisition, as applicable, cause such newly formed or acquired Subsidiary to execute a joinder to this Agreement or a Guaranty Agreement, and such Collateral Documents as the Administrative Agent may then reasonably require, and the Loan Parties shall also deliver to the Administrative Agent, or cause such Subsidiary to deliver to the Administrative Agent, at the Borrower's cost and expense, such other instruments, documents, certificates, and opinions reasonably required by the Administrative Agent in connection therewith.

SECTION 13. MISCELLANEOUS.

Notices sent by hand or overnight courier service or by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not sent during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) *Electronic Communications.* Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender or L/C Issuer pursuant to Sections 2.2, 2.3 and 2.6 if such Lender or L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Sections by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor.

(c) *Change of Address, etc.* Any party hereto may change its address or telecopier number for notices and other communications hereunder by notice to the other parties hereto.

(d) *Platform.* (i) Each Loan Party agrees that the Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the L/C Issuers and the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the "*Platform*"). The Borrower acknowledges and agrees that the DQ List shall be deemed suitable for posting and may be posted by the Administrative Agent on the Platform, including the portion of the Platform that is designated for "public side" Lenders.

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "*Agent Parties*") have any liability to the Borrower or the other Loan Parties, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's, any Loan Party's or the Administrative Agent's transmission of communications through the Platform. "*Communications*" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Administrative Agent, any Lender or any L/C Issuer by means of electronic communications pursuant to this Section, including through the Platform.

Section 13.2. Successors and Assigns.

(a) *Successors and Assigns Generally.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation recorded in an applicable Participant

Register in accordance with the provisions of paragraph (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (e) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders.* Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it); *provided* that (in each case with respect to any Facility) any such assignment shall be subject to the following conditions:

(i) *Minimum Amounts.* (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitments and the Loans at the time owing to it (in each case with respect to any Facility) or contemporaneous assignments to related Approved Funds that equal at least the amount specified in paragraph (b)(i)(B) of this Section in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section, the aggregate amount of the relevant Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "*Trade Date*" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$1,000,000 in the case of any assignment in respect of the Revolving Facility or a Term Loan Facility, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) *Proportionate Amounts.* Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

(iii) *Required Consents.* No consent shall be required for any assignment except to the extent required by paragraph (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment, or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower

shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (i) the Revolving Facility or any unfunded Commitments with respect to any Term Loan Facility if such assignment is to a Person that is not a Lender with a Commitment in respect of such Facility, an Affiliate of such Lender or an Approved Fund with respect to such Lender, or (ii) any Term Loans to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of each L/C Issuer and Swingline Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Facility.

(iv) *Assignment and Assumption.* The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; *provided* that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) *No Assignment to Certain Persons.* No such assignment shall be made to (A) the Borrower or any other Loan Party or any Loan Party's Affiliates or Subsidiaries or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) *No Assignment to Natural Persons.* No such assignment shall be made to a natural Person.

(vii) *Certain Additional Payments.* In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each L/C Issuer, the Swingline Lender and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Percentage. Notwithstanding the

foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 13.4 and 13.6 with respect to facts and circumstances occurring prior to the effective date of such assignment; *provided* that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) *Register.* The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in Chicago, Illinois a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "*Register*"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) *Participations.* Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person or the Borrower or any other Loan Party or any Loan Party's Affiliates or Subsidiaries) (each, a "*Participant*") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitments and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent, the L/C Issuers and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 10.8 with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that would reduce the amount of or postpone any fixed date for payment of any Obligation in which such participant has an interest. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 4.1, 4.4, and 4.5 (subject to the requirements and limitations therein, including the requirements under Section 4.1(g) (it being understood that the documentation required under Section 4.1(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; *provided* that such Participant (A) agrees to be subject to the provisions of Sections 2.12 and 4.7 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 4.1 or 4.4, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.12 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.6 (Right of Setoff) as though it were a Lender; *provided* that such Participant agrees to be subject to Section 13.7 (Sharing of Payments by Lenders) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts of (and stated interest on) each Participant's interest in the Loans or other obligations under the Loan Documents (the "*Participant Register*"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) *Certain Pledges.* Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) *Disqualified Institutions.* (i) No assignment or participation shall be made to, and no Commitment shall be provided by, any Person that was a Disqualified Institution as of the date (the "*Trade Date*") on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person or the date

upon which such Commitment shall become effective, as the case may be (unless (i) an Event of Default has occurred and is continuing under Section 9.1(a), (j) or (k) or (ii) the Borrower has consented to such assignment or Commitment in writing in its sole and absolute discretion, in which cases such Person will not be considered a Disqualified Institution for the purpose of such assignment, participation or Commitment and this Agreement). For the avoidance of doubt, with respect to any assignee, participant or Lender that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of “Disqualified Institution”), (x) such assignee, participant or Lender shall not retroactively be disqualified from becoming or being a Lender and (y) the execution by the Borrower of an Assignment and Assumption or similar documentation with respect to such assignee, participant or Lender will not by itself result in such Person no longer being considered a Disqualified Institution. Any assignment, participation or Commitment in violation of this clause (f)(i) shall not be void, but the other provisions of this clause (f) shall apply.

(ii) If any assignment or participation is made to, or any Commitment is provided by, any Disqualified Institution in violation of clause (i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate the Commitment of such Disqualified Institution and repay all obligations of the Borrower owing to such Disqualified Institution in connection with such Commitment and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B)(x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any Debtor Relief Plan, each Disqualified Institution party hereto hereby agrees (1) not to vote on such Debtor Relief Plan, (2) if such Disqualified Institution does vote on such Debtor Relief Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the United States Bankruptcy Code (or any similar provision in any other Debtor Relief

Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Debtor Relief Plan in accordance with Section 1126(c) of the United States Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the “DQ List”) on the Platform, including that portion of the Platform that is designated for “public side” Lenders and/or (B) provide the DQ List to each Lender requesting the same.

Section 13.3. Amendments. Subject to Section 4.3(b), any provision of this Agreement or the other Loan Documents may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by (a) the Borrower, (b) the Required Lenders (or the Administrative Agent acting at the direction of the Required Lenders) (except as otherwise stated below to require only the consent of the Lenders affected thereby), and (c) if the rights or duties of the Administrative Agent, the L/C Issuer, or the Swingline Lender are affected thereby, the Administrative Agent, the L/C Issuer, or the Swingline Lender, as applicable; *provided that:*

(i) no amendment or waiver pursuant to this Section 13.3 shall (A) increase any Commitment of any Lender without the consent of such Lender or (B) reduce the amount of or postpone the date for any scheduled payment of any principal of or interest on any Loan or of any Reimbursement Obligation or of any fee payable hereunder without the consent of the Lender to which such payment is owing or which has committed to make such Loan or Letter of Credit (or participate therein) hereunder; *provided, however,* that only the consent of the Required Lenders shall be necessary (i) to amend the default rate provided in Section 2.9 or to waive any obligation of the Borrower to pay interest or fees at the default rate as set forth therein or (ii) to amend any financial covenant hereunder (or any defined term used therein) even if the effect of such amendment would be to reduce the rate of interest or any fee payable hereunder;

(ii) no amendment or waiver pursuant to this Section 13.3 shall, unless signed by each Lender, change the definition of Required Lenders, change the provisions of this Section 13.3, change Section 13.7 in a manner that would affect the ratable sharing of setoffs required thereby, change the application of payments contained in Section 5.1 or 9.5, release any material Guarantor or all or substantially all of the Collateral (except as otherwise provided for in the Loan Documents), or affect the number of Lenders required to take any action hereunder or under any other Loan Document;

(iii) no amendment or waiver pursuant to this Section 13.3 shall, unless signed by each Lender affected thereby, extend the Revolving Credit Termination Date, or extend the stated expiration date of any Letter of Credit beyond the Revolving Credit Termination Date, or extend the Delayed Draw Term Loan Availability Period;

(iv) no waiver or amendment shall, unless signed by the Required Revolving Lenders, change any provision of the last sentence of Section 7.1 or, solely for the purposes of Section 7.1(b), after the occurrence of any Default, any other provision of this Agreement that would result in such Default no longer continuing;

(v) no waiver or amendment shall, unless signed by each Revolving Lender, change the definition of Required Revolving Lenders; and

(vi) no amendment to Section 11 shall be made without the consent of the Guarantor(s) affected thereby.

Notwithstanding anything to the contrary herein, (1) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender, (2) if the Administrative Agent and the Borrower have jointly identified an obvious error, ambiguity, omission, mistake or defect, in each case, in any provision of the Loan Documents or any schedules or exhibits thereto, then the Administrative Agent and the Borrower shall be permitted to amend such provision, schedule or exhibit, (3) guarantees, collateral security documents and related documents executed by the Borrower or any other Loan Party in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be amended, supplemented or waived without the consent of any Lender if such amendment, supplement or waiver is delivered in order to (x) comply with local law or advice of local counsel, (y) cure ambiguities, omissions, mistakes or defects or (z) cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents, (4) the Borrower and the Administrative Agent may, without the input or consent of any other Lender, effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrower and the Administrative Agent to (x) effect the provisions of Section 2.15 or (y) implement an alternate rate of interest to the LIBOR Index Rate pursuant to Section 4.3(b), and (5) at all times while the Borrower or any Loan Party owns any real property subject to a Mortgage, any increase, renewal or extension of the Loans or Commitments shall be subject to flood insurance due diligence and flood insurance compliance reasonably satisfactory to the Lenders.

Section 13.4. Costs and Expenses; Indemnification.

(a) *Costs and Expenses.* The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable fees, charges and disbursements of counsel for the Administrative Agent), and shall pay all fees and time charges and disbursements for attorneys who may be employees of the Administrative Agent, in connection with the syndication of the Facilities, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions

contemplated hereby or thereby shall be consummated), including, without limitation, such fees and expenses incurred in connection with (x) the creation, perfection or protection of the Liens under the Loan Documents (including all title insurance fees and all search, filing and recording fees) and (y) environmental assessments, insurance reviews, collateral audits and valuations, and field exams as provided herein, (ii) all reasonable out-of-pocket expenses incurred by any L/C Issuer in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, and (iii) all out-of-pocket expenses incurred by the Administrative Agent, any Lender or any L/C Issuer (including the fees, charges and disbursements of any counsel for the Administrative Agent, any Lender or any L/C Issuer), and shall pay all fees and time charges for attorneys who may be employees of the Administrative Agent, any Lender or any L/C Issuer, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit (including all such costs and expenses incurred in connection with any proceeding under the United States Bankruptcy Code involving the Borrower or any other Loan Party as a debtor thereunder).

(b) *Indemnification by the Loan Parties.* Each Loan Party shall indemnify the Administrative Agent (and any sub-agent thereof), each Lender and each L/C Issuer, and each Related Party of any of the foregoing Persons (each such Person being called an “*Indemnitee*”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any Person (including any third party or the Borrower or any other Loan Party) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or, in the case of Administrative Agent (and any sub-agent thereof), any Swingline Lender and L/C Issuer, and their Related Parties, the administration and enforcement of this Agreement and the other Loan Documents (including all such costs and expenses incurred in connection with any proceeding under the United States Bankruptcy Code involving the Borrower or any other Loan Party as a debtor thereunder), (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any Environmental Claim or Environmental Liability, including with respect to the actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by any Loan Party or any of its Subsidiaries, related in any way to any Loan Party or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto (including, without limitation, any settlement arrangement arising from or relating to the foregoing); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses,

claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted directly from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. This subsection (b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) *Reimbursement by Lenders.* To the extent that (i) the Loan Parties for any reason fail to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by any of them to the Administrative Agent (or any sub-agent thereof), any L/C Issuer, any Swingline Lender or any Related Party or (ii) any liabilities, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever are imposed on, incurred by, or asserted against, Administrative Agent, the L/C Issuer, any Swingline Lender or a Related Party in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by Administrative Agent, the L/C Issuer, any Swingline Lender or a Related Party in connection therewith, then, in each case, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such L/C Issuer, such Swingline Lender or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's share of the Total Credit Exposure at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); *provided* that with respect to such unpaid amounts owed to any L/C Issuer or Swingline Lender solely in its capacity as such, only the Lenders party to the Revolving Facility shall be required to pay such unpaid amounts, such payment to be made severally among them based on such Lenders' pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each such Lender's share of the Revolving Credit Exposure at such time); and *provided, further*, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), such L/C Issuer or such Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), such L/C Issuer or any such Swingline Lender in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 13.15.

(d) *Waiver of Consequential Damages, Etc.* To the fullest extent permitted by applicable law, the Loan Parties shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit, or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) *Payments.* All amounts due under this Section shall be payable promptly after demand therefor.

(f) *Survival.* Each party's obligations under this Section shall survive the termination of the Loan Documents and payment of the obligations hereunder.

Section 13.5. No Waiver, Cumulative Remedies. No delay or failure on the part of the Administrative Agent, the L/C Issuer, or any Lender, or on the part of the holder or holders of any of the Obligations, in the exercise of any power or right under any Loan Document shall operate as a waiver thereof or as an acquiescence in any default, nor shall any single or partial exercise of any power or right preclude any other or further exercise thereof or the exercise of any other power or right. The rights and remedies hereunder of the Administrative Agent, the L/C Issuer, the Lenders, and of the holder or holders of any of the Obligations are cumulative to, and not exclusive of, any rights or remedies which any of them would otherwise have.

Section 13.6. Right of Setoff. In addition to any rights now or hereafter granted under the Loan Documents or applicable law and not by way of limitation of any such rights, if an Event of Default shall have occurred and be continuing, each Lender, each L/C Issuer, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender, such L/C Issuer or any such Affiliate, to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or such L/C Issuer or their respective Affiliates, irrespective of whether or not such Lender, L/C Issuer or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender or such L/C Issuer different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.13 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the L/C Issuers, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, such L/C Issuer or their respective Affiliates may have. Each Lender and L/C Issuer agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application

Section 13.7. Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a

proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; *provided* that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded, and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender or a Disqualified Institution), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Obligations to any assignee or participant, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

Section 13.8. Survival of Representations. All representations and warranties made herein or in any other Loan Document or in certificates given pursuant hereto or thereto shall survive the execution and delivery of this Agreement and the other Loan Documents and shall continue in full force and effect with respect to the date as of which they were made as long as any credit is in use or available hereunder.

Section 13.9. Survival of Indemnities. All indemnities and other provisions relative to reimbursement to the Lenders and L/C Issuer of amounts sufficient to protect the yield of the Lenders and L/C Issuer with respect to the Loans and Letters of Credit, including, but not limited to, Sections 4.1, 4.4, 4.5, and 13.4, shall survive the termination of this Agreement and the other Loan Documents and the payment of the Obligations.

Section 13.10. Counterparts; Integration; Effectiveness..

(a) *Counterparts; Integration; Effectiveness.* This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral

or written, relating to the subject matter hereof. Except as provided in Section 7.2, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (e.g., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement. For purposes of determining compliance with the conditions specified in Section 7.2, each Lender and L/C Issuer that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender or L/C Issuer unless the Administrative Agent shall have received notice from such Lender or L/C Issuer prior to the Closing Date specifying its objection thereto.

(b) *Electronic Execution of Assignments.* The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronics Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 13.11. Headings. Section headings used in this Agreement are for reference only and shall not affect the construction of this Agreement.

Section 13.12. Severability of Provisions. Any provision of any Loan Document which is unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction. All rights, remedies and powers provided in this Agreement and the other Loan Documents may be exercised only to the extent that the exercise thereof does not violate any applicable mandatory provisions of law, and all the provisions of this Agreement and other Loan Documents are intended to be subject to all applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render this Agreement or the other Loan Documents invalid or unenforceable.

Section 13.13. Construction. The parties acknowledge and agree that the Loan Documents shall not be construed more favorably in favor of any party hereto based upon which party drafted the same, it being acknowledged that all parties hereto contributed substantially to the negotiation of the Loan Documents. The provisions of this Agreement relating to Subsidiaries shall only apply during such times as the Borrower has one or more Subsidiaries. **NOTHING CONTAINED HEREIN SHALL BE DEEMED OR CONSTRUED TO PERMIT ANY ACT OR OMISSION WHICH IS PROHIBITED BY THE TERMS OF ANY COLLATERAL DOCUMENT, THE COVENANTS AND AGREEMENTS CONTAINED HEREIN BEING IN ADDITION TO AND NOT IN SUBSTITUTION FOR THE COVENANTS AND AGREEMENTS CONTAINED IN THE COLLATERAL DOCUMENTS.**

Section 13.14. Excess Interest. Notwithstanding any provision to the contrary contained herein or in any other Loan Document, no such provision shall require the payment or permit the

collection of any amount of interest in excess of the maximum amount of interest permitted by applicable law to be charged for the use or detention, or the forbearance in the collection, of all or any portion of the Loans or other obligations outstanding under this Agreement or any other Loan Document (“*Excess Interest*”). If any Excess Interest is provided for, or is adjudicated to be provided for, herein or in any other Loan Document, then in such event (a) the provisions of this Section shall govern and control, (b) neither the Borrower nor any guarantor or endorser shall be obligated to pay any Excess Interest, (c) any Excess Interest that the Administrative Agent or any Lender may have received hereunder shall, at the option of the Administrative Agent, be (i) applied as a credit against the then outstanding principal amount of Obligations hereunder and accrued and unpaid interest thereon (not to exceed the maximum amount permitted by applicable law), (ii) refunded to the Borrower, or (iii) any combination of the foregoing, (d) the interest rate payable hereunder or under any other Loan Document shall be automatically subject to reduction to the maximum lawful contract rate allowed under applicable usury laws (the “*Maximum Rate*”), and this Agreement and the other Loan Documents shall be deemed to have been, and shall be, reformed and modified to reflect such reduction in the relevant interest rate, and (e) neither the Borrower nor any guarantor or endorser shall have any action against the Administrative Agent or any Lender for any damages whatsoever arising out of the payment or collection of any Excess Interest. Notwithstanding the foregoing, if for any period of time interest on any of the Borrower’s Obligations is calculated at the Maximum Rate rather than the applicable rate under this Agreement, and thereafter such applicable rate becomes less than the Maximum Rate, the rate of interest payable on the Borrower’s Obligations shall remain at the Maximum Rate until the Lenders have received the amount of interest which such Lenders would have received during such period on the Borrower’s Obligations had the rate of interest not been limited to the Maximum Rate during such period.

Section 13.15. Lender’s and L/C Issuer’s Obligations Several. The obligations of the Lenders and L/C Issuer hereunder are several and not joint. Nothing contained in this Agreement and no action taken by the Lenders or L/C Issuer pursuant hereto shall be deemed to constitute the Lenders and L/C Issuer a partnership, association, joint venture or other entity.

Section 13.16. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates’ understanding, that: (a) (i) no fiduciary, advisory or agency relationship between any Loan Party and its Subsidiaries and the Administrative Agent, the L/C Issuer, or any Lender is intended to be or has been created in respect of the transactions contemplated hereby or by the other Loan Documents, irrespective of whether the Administrative Agent, the L/C Issuer, or any Lender has advised or is advising any Loan Party or any of its Subsidiaries on other matters, (ii) the arranging and other services regarding this Agreement provided by the Administrative Agent, the L/C Issuer, and the Lenders are arm’s-length commercial transactions between such Loan Parties and their Affiliates, on the one hand, and the Administrative Agent, the L/C Issuer, and the Lenders, on the other hand, (iii) each Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent that it has deemed appropriate and (iv) each Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; and (b) (i) the Administrative Agent, the L/C Issuer, and the Lenders each is and has

been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for any Loan Party or any of its Affiliates, or any other Person; (ii) none of the Administrative Agent, the L/C Issuer, and the Lenders has any obligation to any Loan Party or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the L/C Issuer, and the Lenders and their respective Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of any Loan Party and its Affiliates, and none of the Administrative Agent, the L/C Issuer, and the Lenders has any obligation to disclose any of such interests to any Loan Party or its Affiliates. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the L/C Issuer, and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 13.17. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT, THE NOTES AND THE OTHER LOAN DOCUMENTS (EXCEPT AS OTHERWISE SPECIFIED THEREIN), AND THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE CONSTRUED AND DETERMINED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTION 5-1401 AND SECTION 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK) WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD REQUIRE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each party hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by applicable Legal Requirements, in such federal court. Each party hereto hereby agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Legal Requirements. Nothing in this Agreement or any other Loan Document or otherwise shall affect any right that the Administrative Agent, the L/C Issuer or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or any Guarantor or its respective properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable Legal Requirements, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 13.17(b). Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable Legal Requirements, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in any action

or proceeding arising out of or relating to any Loan Document, in the manner provided for notices (other than telecopy or e-mail) in Section 13.1. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by applicable Legal Requirements.

Section 13.18. Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LEGAL REQUIREMENTS, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 13.19. USA Patriot Act. Each Lender and L/C Issuer that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”) hereby notifies the Borrower that pursuant to the requirements of the Act, it is required to obtain, verify, and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or L/C Issuer to identify the Borrower in accordance with the Act.

Section 13.20. Confidentiality. Each of the Administrative Agent, the Lenders and the L/C Issuers agree to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder; (g) on a confidential basis to (i) any rating agency in connection with rating any Loan Party or its Subsidiaries or the Facilities or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Facilities; (h) with the consent of the Borrower; or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section, or (y) becomes available to the Administrative Agent, any Lender, any L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower. For purposes of this Section, “*Information*” means all information

received from a Loan Party or any of its Subsidiaries relating to a Loan Party or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or any L/C Issuer on a nonconfidential basis prior to disclosure by a Loan Party or any of its Subsidiaries; *provided that*, in the case of information received from a Loan Party or any of its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 13.21. Acknowledgement and Consent to Bail-In of ~~EEA~~Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto (including any party becoming a party hereto by virtue of an Assignment and Assumption) acknowledges that any liability of any ~~EEA~~Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of ~~an EEA~~the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by ~~an EEA~~the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an ~~EEA~~Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such ~~EEA~~Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of ~~any EEA~~the applicable Resolution Authority.

Section 13.22. Amendment and Restatement. This Agreement shall become effective on the Closing Date and shall supersede all provisions of the Existing Credit Agreement as of such date. From and after the Closing Date (a)(i) the commitments of those Lenders under the Existing Credit Agreement that are continuing as Lenders under this Agreement (the “*Continuing Lenders*”) shall be amended as set forth on Schedule 2.1/2.2 hereto and (ii) the commitments of those “Lenders” under the Existing Credit Agreement that are not continuing as

Lenders under this Agreement (the “*Non-Continuing Lenders*”) shall automatically be terminated and cease to have any further force or effect without further action by any Person, (b) all outstanding “Loans” of the Non-Continuing Lenders shall be repaid in full (together with all interest accrued thereon and amounts payable pursuant to Section 4.5 of the Existing Credit Agreement in connection with such payment, and all fees accrued under the Existing Credit Agreement through the Closing Date) on the Closing Date (and the Borrower shall pay to each Continuing Lender all amounts, if any, payable pursuant to Section 4.5 of the Existing Credit Agreement as if the outstanding Loans had been prepaid on the Closing Date), (c) all outstanding “Loans” of the Continuing Lenders and all interests in outstanding “Letters of Credit” under the Existing Credit Agreement shall remain outstanding as the initial Loans and Letters of Credit hereunder, (d) all references made to the Existing Credit Agreement in any Loan Document or in any other instrument or document shall, without further action, be deemed to refer to this Agreement and (e) all references made to the “Borrower” in any Loan Document or in any other instrument or document shall, without further action, be deemed to refer to the Borrower hereunder.

The Lenders (other than any Non-Continuing Lenders) each agree to make such purchases and sales of interests in the Loans and L/C Obligations outstanding on the Closing Date between themselves so that each Lender (other than any Non-Continuing Lenders) is then holding its relevant Percentage of outstanding Loans and risk participation interests in outstanding L/C Obligations based on their Commitments as in effect after giving effect hereto (such purchases and sales shall be arranged through the Administrative Agent and each Lender hereby agrees to execute such further instruments and documents, if any, as the Administrative Agent may reasonably request in connection therewith), with all subsequent extensions of credit under this Agreement (including, without limitation, participations in respect of all Swingline Loans and Letters of Credit) to be made in accordance with the respective Commitments of the Lenders from time to time party to this Agreement as provided herein. This Agreement amends and restates the Existing Credit Agreement and is not intended to be or operate as a novation or an accord and satisfaction of the Existing Credit Agreement or the indebtedness, obligations and liabilities of the Loan Parties evidenced or provided for thereunder. Without limiting the generality of the foregoing, each Loan Party agrees that notwithstanding the execution and delivery of this Agreement, the Liens previously granted to the Administrative Agent pursuant to the Collateral Documents shall be and remain in full force and effect and that any rights and remedies of the Administrative Agent thereunder and obligations of the Loan Parties thereunder shall be and remain in full force and effect, shall not be affected, impaired or discharged thereby (except as expressly amended by the Loan Documents) and shall secure all of the Borrower’s indebtedness, obligations and liabilities to the Administrative Agent and the Lenders under the Existing Credit Agreement as amended and restated hereby. Without limiting the foregoing, the parties to this Agreement hereby acknowledge and agree that the “Credit Agreement” and the “Notes” referred to in the Collateral Documents shall from and after the date hereof be deemed references to this Agreement and the Notes issued hereunder.

Section 13.23. Acknowledgment Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Hedging Liability or any other agreement or instrument that is a QFC (such support, “*QFC Credit Support*”, and each such QFC, a “*Supported QFC*”), the parties acknowledge and agree as follows with respect to the

resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “*U.S. Special Resolution Regimes*”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “*Covered Party*”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Entity Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Entity Party or a BHC Act Affiliate of a Covered Entity Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Entity Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Entity Party with respect to a Supported QFC or any QFC Credit Support.
